HEZEKIAH GAVIN

Island Stark House Press

From the acclaimed master of action and suspense. The all time classic.

When Eight Bells Toll HarperCollins UK

Including personal interviews, background information, and criticism, this collection of essays examines renowned Canadian author Alistair MacLeod's life and the writing of his novel *No Great Mischief*. Various literary critics explore themes present in his work such as memory versus myth and the blending of history. One of the chief contemporary fiction writers, MacLeod has won such honors as the Dartmouth Book Award for Fiction, the Raddall Award for Fiction, and the Trillium Award for Fiction.

Island: The Complete Stories M&S

Travelling from San Francisco, the Presidential motorcade is waylaid by an unusual criminal in the middle of the Golden Gate Bridge. A reign of civilised terror follows, the kidnappers hoping to collect a king's ransom.

Island HarperCollins UK

The gripping tale of sabotage at sea, from the acclaimed master of action and suspense.

Breakheart Pass Little, Brown

While shipwrecked on the island of Pala, Will Farnaby, a disenchanting journalist, discovers a utopian society that has flourished for the past 120 years. Although he at first disregards the possibility of an ideal society, as Farnaby spends time with the people of Pala his ideas about humanity change. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Complete Stories HarperCollins UK

Alexander MacDonald guides us through his family's mythic past as he recounts the heroic stories of his people: loggers, miners, drinkers, adventurers; men forever in exile, forever linked to their clan. There is the legendary patriarch who left the Scottish Highlands in 1779 and resettled in "the land of trees," where his descendants became a separate Nova Scotia clan. There is the team of brothers and cousins, expert miners in demand around the world for their dangerous skills. And there is Alexander and his twin sister, who have left Cape Breton and prospered, yet are haunted by the past. *Elegiac*, hypnotic, by turns joyful and sad, *No Great Mischief* is a spellbinding story of family, loyalty, exile, and of the blood ties that bind us, generations later, to the land

from which our ancestors came.

Alistair MacLeod HarperCollins UK

The famous verses from the Book of Ecclesiastes are accompanied by exquisite illustrations, each rendered in the style of a different world culture...An ecumenical, artistic, and cultural experience, rich in beauty and expansive in its appreciation of ethnic variety." - School Library Journal, starred review. "Readers will be awed by the breadth and depth of the artwork...[and] the seriousness and thought the Dillons have put into the book... [A] book that can be examined and thought about by generations of young readers." - Booklist, starred review

Bimini BoD - Books on Demand

Six decades of fascinating stories from the legendary "colossus of science fiction" and creator of 2001: A Space Odyssey gathered in one compendium (The New Yorker). Arthur C. Clarke, along with H. G. Wells, Isaac Asimov, and Robert A. Heinlein, was a definitive voice in twentieth century science fiction. A prophetic thinker, undersea explorer, and "one of the true geniuses of our time," Clarke not only won the highest science fiction honors, the Nebula and Hugo Awards, but also received nominations for an Academy Award and the Nobel Peace Prize, and was knighted for his services to literature (Ray Bradbury). Now, more than one hundred works of the sci-fi master's short fiction are available in the "single-author collection of the decade" (Booklist, starred review). This definitive edition includes early work such as "Rescue Party" and "The Lion of Comarre," classics like "The Nine Billion Names of God" and "The Sentinel" (which was the kernel of the later novel and movie, 2001: A Space Odyssey), and later works including "A Meeting with Medusa" and "The Hammer of God." Encapsulating one of the great science fiction careers of all time, this immense volume "displays the author's fertile imagination and irrepressible enthusiasm for both good storytelling and impeccable science" (Library Journal). "One of the most astounding imaginations ever encountered in print." —The New York Times "As his Collected Stories helps to demonstrate, there has been no popular writer since the days of C S Lewis and Charles Williams whose disposition is more nakedly apocalyptic, who takes greater pleasure in cradling eternity in the palm of his hand." —The Guardian

Stories about Storytellers Scholastic Inc.

Groundhog Day meets People We Meet on Vacation in a funny and romantic novel about a couple who call off their wedding after a disastrous rehearsal dinner—only to wake up the next morning on an "irresistible" adventure (Elin Hilderbrand, New York Times bestselling author of *The Hotel Nantucket*). The wedding is tomorrow. If today ever ends. "A sweet, delightful romance." —People "An enchanting and compelling look at life's what-if's." —Helen Hoang "Terrific fun from beginning to end." —Sarah

Haywood Megan Givens and Tom Prescott are heading into what is supposed to be their magical wedding weekend on beautiful San Juan Island. But with two difficult families, ten years of history, and all too many secrets, things quickly go wrong. After a disastrous rehearsal dinner they vow to call the whole thing off—only to wake up the next morning stuck together in a time loop. Are they really destined to relive the worst day of their lives, over and over? And what happens if their wedding day does arrive? A funny, romantic, and big-hearted debut novel, *The Rehearsals* imagines what we might do if given a second chance at life and at love—and what it means to finally get both right.

Poacher's Pilgrimage New Canadian Library

"A brisk and accessible guide to a thousand years of reiving and rivalry in the Highlands." —The Scotsman The story of the Highland clans of Scotland is famous, the names celebrated, and the deeds heroic. Having clung to ancient traditions of family, loyalty, and valor for centuries, the clans met the beginning of their end at the fateful Battle of Culloden in 1746. Alistair Moffat traces the history of the clans from their Celtic origins to the coming of the Romans; from Somerled the Viking to Robert the Bruce; from the great battles of Bannockburn and Flodden to Bonnie Prince Charlie and the Jacobite Risings; and from the Clearances to the present day. Moffat is an adept guide to the world of the clans, a world dominated by lineage, land, and community. These are stories of great leaders and famous battles, and of an extraordinary people, shaped by the unique traditions and landscape of the Scottish Highlands. It's a story too about the pain of leaving, with the great emigrations to the United States, Canada, Australia, and New Zealand that began after Culloden. Complete with a clan map and an alphabetical list of the clans of the Scottish Highlands, this is a must for anyone interested in the history of Scotland.

The Riverman National Geographic Books

The story is simple, seen through the eyes of an 11-year-old boy. As an adult he remembers the way things were back home on the farm on the west coast of Cape Breton. The time was the 1940s, but the hens and the cows and the pigs and the sheep and the horse made it seem ancient. The family of six children excitedly waits for Christmas and two-year-old Kenneth, who liked Halloween a lot, asks, "Who are you going to dress up as at Christmas? I think I'll be a snowman." They wait especially for their oldest brother, Neil, working on "the Lake boats" in Ontario, who sends intriguing packages of "clothes" back for Christmas. On Christmas Eve he arrives, to the delight of his young siblings, and shoes the horse before taking them by sleigh through the woods to the nearby church. The adults, including the narrator for the first time, sit up late to play the gift-wrapping role of Santa Claus. The story is simple, short and sweet, but with a foretaste of

sorrow. Not a word is out of place. Matching and enhancing the text are black and white illustrations by Peter Rankin, making this book a perfect little gift. For readers from nine to ninety-nine, our classic Christmas story by one of our greatest writers.

Alistair MacLean Arctic Chillers 4-Book Collection: *Night Without End, Ice Station Zebra, Bear Island, Athabasca* Rosetta Books
Collected together here are seven of the most iconic novels of H. G. Wells, the father of science fiction himself. With each story, he presents a unique and exciting twist. In *The Invisible Man*, a scientist's experimentation with visibility goes disastrously wrong. *The Time Machine* features a traveller recounting his adventures into the future, and *The Island of Doctor Moreau* explores the terrifying boundaries of human and animal morality. Other stories included are *The War of the Worlds*, *The First Men in the Moon*, *When the Sleeper Wakes* and *The World Set Free*. This array of thrilling stories ranges from scenes of alien invasions to visions of dystopian futures.

Night Without End Emblem Editions

'Here is my prize read for people who are interested in books, writers, Canada, life, and all that kind of thing.' - Alice Munro, from the introduction "I'll kill him!" said Mavis Gallant. Pierre Trudeau almost did, leading him ("Run!") into a whizzing stream of traffic that almost crushed both of them. Alistair MacLeod accused him of a "home invasion" to grab the manuscript of "No Great Mischief." And Paul Martin denounced him to a laughing Ottawa crowd, saying, "If Shakespeare had had Doug Gibson as an editor, there would be no Shakespeare!" On the other hand, Alice Munro credits him with keeping her writing short stories when the world demanded novels. Robertson Davies, with a nod to Dickens, gratefully called him "My Partner Frequent." W.O. Mitchell summoned up a loving joke about him, on his deathbed. "Stories About Storytellers" shares these tales and many more, as readers follow Doug Gibson through 40 years of editing and publishing some of Canada's sharpest minds and greatest storytellers. Gibson is a terrific storyteller himself, and through his

recollections we get an inside view of Canadian politics and publishing that rarely gets told. From Jack Hodgins' Vancouver Island to Harold Horwood's Labrador, from Alice Munro's Ontario to James Houston's Arctic, Doug Gibson takes us on an unforgettable literary tour of Canada, going behind the scenes and between the covers, and opening up his own story vault for all to read and enjoy.

The Golden Gate Wipf and Stock Publishers

This book is a beautiful and dramatic collection of Celtic praise, compiled by Church of Scotland minister and Gaelic scholar Alistair Maclean, which was first published in 1937. It comprises over one hundred prayers, poems, sayings, and praises from the Christian tradition of the author's native Hebrides.

Floodgate HarperCollins UK

Alistair Cleary is the kid who everyone trusts. Fiona Loomis is not the typical girl next door. Alistair hasn't really thought of her since they were little kids until she shows up at his doorstep with a proposition: she wants him to write her biography. What begins as an odd vanity project gradually turns into a frightening glimpse into the mind of a potentially troubled girl. Fiona says that in her basement, there's a portal that leads to a magical world where a creature called the Riverman is stealing the souls of children. And Fiona's soul could be next. If Fiona really believes what she's saying, Alistair fears she may be crazy. But if it's true, her life could be at risk. In this novel from Aaron Starmer, it's up to Alistair to separate fact from fiction, fantasy from reality.

Strange Island Stories River

Four classic tales of adventure in the frozen north, from the master of action and suspense, available for the first time in this e-bundle.

Island Harper Collins

The stories of *The Lost Salt Gift of Blood* are remarkably simple – a family is drawn together by shared and separate losses, a child's reality conflicts with his parents' memories, a young man struggles to come to terms with the loss of his father. Yet each

piece of writing in this critically acclaimed collection is infused with a powerful life of its own, a precision of language and a scrupulous fidelity to the reality of time and place, of sea and Maritime farm. Focusing on the complexities and abiding mysteries at the heart of human relationships, the seven stories of *The Lost Salt Gift of Blood* map the close bonds and impassable chasms that lie between man and woman, parent and child.

To Every Thing There Is a Season Farrar, Straus and Giroux (BYR)
In *To the Island of Tides*, Alistair Moffat travels to – and through the history of – the fated island of Lindisfarne. Known by the Romans as *Insula Medicata* and famous for its monastery, it even survived Viking raids. Today the isle maintains its position as a space for retreat and spiritual renewal. Walking from his home in the Borders, through the historical landscape of Scotland and northern England, Moffat takes us on a pilgrimage in the footsteps of saints and scholars, before arriving for a secular retreat on the Holy Isle. To the Island of Tides is a walk through history, a meditation on the power of place, but also a more personal journey; and a reflection on where life leads us.

As Birds Bring Forth the Sun and Other Stories HarperCollins UK

David Warner first arrived on Bimini in his youth. Captivated by the island's quirky natives and their relaxed culture, Warner has been returning frequently ever since. Rather than write a travel guide, in his new book Warner recreates the excitement and danger of the Bimini he has come to know for the traveler who prefers the safety of the armchair. Warner introduces us to the eclectic personalities that people the island—the fishermen and smugglers, the Hemingway scholars and the Hemingway compatriots, the lawless and the lovelorn—and recounts the adventures they lived. With his intimate knowledge of the island and its inhabitants, Warner, Bimini's adopted son, takes the reader on a trip to the Bahamas not available through any tour.

Collected Stories Faber & Faber

The classic tale of adventure and death on a mysterious Arctic island, from the acclaimed master of action and suspense.
