Down on the Yard Open Road Media

Foreword by Martín Espada This chapbook collection offers new poems from the prolific career of a community leader, activist, and healer. Luis J. Rodríguez's work asks profound questions of us as readers and fellow humans, such as, "If society cooperates, can we nurture the full / and healthy development of everyone?" In his introductory remarks, Martín Espada describes the poet as a man engaged in people and places: "Luis Rodríguez is a poet of many tongues, befitting a city of many tongues. He speaks English, Spanish, 'Hip Hop,' 'the Blues,' and 'cool jazz.' He speaks in 'mad solos.' He speaks in 'People's Sonnets.' He speaks in the language of protest. He speaks in the language of praise."

A Memoir Tia Chucha

The author of "*Across the Wire*" offers brilliant investigative reporting of what went wrong when, in May 2001, a group of 26 men attempted to cross the Mexican border into the desert of southern Arizona. Only 12 men came back out. "Superb . . . Nothing less than a saga on the scale of the Exodus and an ordeal as heartbreaking as the Passion . . . The book comes vividly alive with a richness of language and a mastery of narrative detail that only the most gifted of writers are able to achieve.--" *Los Angeles Times Book Review*."

A Barrio Story Harper Collins

"A los doce años, Luis Rodríguez ya era un veterano de la guerra entre las pandillas de East Los Angeles. Atraído por una cultura pandillera aparentemente insuperable, fue testigo de un sinfín de balaceras, golpizas y arrestos y, más tarde, con un miedo cada vez mayor, presencié cómo las drogas, los asesinatos, los suicidios y una delincuencia callejera carente de sentido cobraban la vida de amigos y familiares. Poco tiempo después, Rodríguez encontró la manera de dejar atrás la vida del barrio a través de la educación y el poder de las palabras. Así pudo liberarse de años de violencia y desesperación. Una vez alcanzado el éxito como poeta chicano varias veces galardonado, Luis llegué a pensar que las calles ya no lo perseguirían, pero entonces su hijo ingresó en una pandilla. Rodríguez luchó por su hijo mediante el relato de su historia personal. *La Vida Loca* es una vívida crónica que se adentra en las motivaciones de la vida de las pandillas y nos advierte de la muerte y la destrucción que, tarde o temprano, se lleva la vida de sus participantes. A ratos

desgarradoramente triste y cruel, La Vida Loca es a la larga una historia verdadera, llena de inspiración, esperanza y sabiduría, y una lección duramente aprendida para las nuevas generaciones.

Trejo Seven Stories Press

Poems Across the Pavement Simon and Schuster

The collected poems of one of America's foremost balladeers of urban struggle and immigrant dreams Over his three-decade career as a poet, novelist, and memoirist, Luis J. Rodríguez has earned acclaim for his remarkable ear for the voices of the city. *My Nature Is Hunger* represents the best of his lyrical work during his most prolific period as a poet, a time when he carefully documented the rarely heard voices of immigrants and the poor living on society's margins. For Rodríguez's subjects, the city is all-consuming, devouring lives, hopes, and the dreams of its citizens even as it flourishes with possibility. "Out of my severed body / the world has bloomed," and out of Rodríguez's stirring vision, so has beauty. This ebook features an illustrated biography of Luis J. Rodríguez including rare images from the author's personal collection.

Tattoo the Wicked Cross Simon and Schuster

Poems of the barrio and of the Americas beyond Spanish for "helter-skelter," Trochemoche begins by conjuring life in the barrio, whether in a slum in a Texas border town or in L.A., the vast, hectic,

desperate California metropolis where Luis J. Rodríguez grew up. For Rodríguez, only art offered deliverance from the despair of gang violence and poverty, and these poems stand as prayers for transcendence, recorded long after Rodríguez escaped his violent past and began to explore the wider world. Here Rodríguez offers not only songs of the American dream, but a dream of the Americas, a place that invites a pell-mell, sometimes violent, collision of cultures, human impulses, and natural forces. This ebook features an illustrated biography of Luis J. Rodríguez including rare images from the author's personal collection.

[The Devil's Highway](#) Springer

A former L.A. gang member describes his experiences in that world, recounting the sense of security and power found in a gang and the grim reality of violence and poverty

All the Water I've Seen Is Running: A Novel CreateSpace

Looking for an escape from childhood abuse, Reymundo Sanchez turned away from school and baseball to drugs, alcohol, and then sex, and was left to fend for himself before age 14. The Latin Kings, one of the largest and most notorious street gangs in America, became his refuge and his world, but its violence cost him friends, freedom, self-respect, and nearly his life. This is a raw and powerful odyssey through the ranks of the new mafia, where the only people more dangerous than rival gangs are members of your own gang, who in one breath will say they'll die for you and in the next will order your assassination. *Make a Poem Cry* McGraw-Hill Education A mesmerizing collection of poems of urban pain and immigrant alienation, humming with a current of genuine beauty and the pulse of life The Concrete River's poems are dispatches from city

corners that CNN viewers never see, that few dare visit, and that fewer still manage to escape. Rodríguez sings corridos of barrios and busted Chicanos trying to make it in L.A. and Chicago, from ballads of Watts's broken glass to blues played alongside a tequila bottle under an elevated train. But the music also captures moments of true beauty

amid the hard urban surfaces, where the cries of the 'hood "deliver sacrifices / of sound and flesh, / as a mother's milk flows," while love and community offer renewed hope. This ebook features an illustrated biography of Luis J. Rodríguez including rare images from the author's personal collection.
