 Review
 Missing
 Out | Adam
 Phillips |
 Macmillan
 Missing
 Out: In
 Praise of the
 Unlived Life
 may be the
 first of
 Phillips’s
 many books
 explicitly
 devoted to
 this topic, but
 his work has
 in fact
 touched on
 these issues
 many times
 before. But
 then again, if
 a large
 proportion of
 Phillips’s
 writing over
 the years has
 been
 concerned, in
 one way or
 another, with
 the haunting
 conviction
 that one is
 missing out on
 something
 important, this
 might simply
 be because a
 great deal of
 human life is
 colored if not
 dominated by
 this
 concern.
