Don't Know Much About World Myths

University of Illinois Press

This outstanding collection brings together the novelist and scholar Rex Warner's knack for spellbinding storytelling with Edward Gorey's inimitable talent as an illustrator in a memorable modern recounting of the most beloved myths of ancient Greece. Writing in a relaxed and

winning colloquial style, Warner vividly recreates the classic stories of Jason and the Argonauts and Theseus and the Minotaur, among many others, while Gorey's quirky pen-and-ink sketches offer a visual interpretation of these great myths in the understated but brilliantly suggestive style that has gained him admirers throughout the world. These tales cover the range of Greek mythology, including the creation story of Deucalion and Pyrrha, the heroic adventures of Perseus, the fall of Icarus, Cupid and Psyche's tale of love, and the tragic

history of Oedipus and Thebes. Men and Gods is an essential and delightful book with which to discover some of the key stories of world literature.

Don't Know Much About Anything

Dorling Kindersley Ltd

Presents, in question and answer format, a history of the United States from the exploration of Christopher Columbus to the terrorist attacks of September 11, 2001.

Gideon the Ninth Penguin

In this modern-day "lively re-imagining of classical mythology" (Deborah Harkness),

when a string of women are murdered in an ancient pagan ritual, Selene DiSilvia -- known by some as the goddess Artemis -- hears their cries for help and takes up her bow once more. Manhattan has many secrets. Some are older than the city itself. The city sleeps. In the predawn calm, Selene DiSilvia finds the body of a young woman washed ashore, gruesomely mutilated and wreathed in laurel. Her ancient rage returns, along with the memory of a promise she made long ago - - when her name was Artemis. Jordanna Max Brodsky's acclaimed debut sets Greek Gods against a modern Manhattan backdrop, creating an unputdownable blend of myth and mystery. The Olympus Bound series: The Immortals Winter of the Gods Olympus Bound For more from Jordanna Max Brodsky, check out: [The Wolf in the Whale](#)

[Circe](#) Harper Collins

From the creator of *Myths Retold* comes a hilarious collection of Greek, Norse, Chinese and even Sumerian myths retold in their purest, bawdiest forms! All our lives, we've been fed watered-down, PC versions of the classic myths. In reality, mythology is more screwed up than a

schizophrenic shaman doing hits of unidentified...wait, it all makes sense now. In *Zeus Grants Stupid Wishes*, Cory O'Brien, creator of *Myths RETOLD!*, sets the stories straight. These are rude, crude, totally sacred texts told the way they were meant to be told: loudly, and with lots of four-letter words. Did you know? Cronus liked to eat babies. Narcissus probably should have just learned to masturbate. Odin got construction discounts with bestiality. Isis had bad taste in jewelry. Ganesh was the very definition of an unplanned pregnancy. And Abraham was totally cool about stabbing his kid in the face. Still skeptical? Here are a few more gems to consider: • Zeus once stuffed an unborn fetus inside his thigh to save its life after he exploded its mother by being too good in bed. • The entire Egyptian universe was saved because Sekhmet just got too hammered to keep murdering everyone. • The Hindu universe is run by a married couple who only stop murdering in order to throw sweet dance parties...on the corpses of their enemies. • The Norse goddess Freyja once consented to a four-dwarf gangbang in exchange for one shiny necklace. And there's more dysfunctional

goodness where that came from.

Don't Know Much About Mythology Disney Electronic Content

The great myths of the world create meaning out of the fundamental events of human existence: birth, death, conflict, loss, reconciliation, the cycle of the seasons. They speak to us of life itself in voices still intelligible, yet compellingly strange and distant. *World Mythology* offers readers an authoritative and wide-ranging guide to these enduring mythological traditions, combining the pure narrative of the myths themselves with the background necessary for more complete understanding. Here, noted mythology expert Roy Willis, brings together a team of nineteen leading scholars navigate a clear path through the complexities of myth as they distill the essence of each regional tradition and focus on the most significant figures and the most enthralling stories. All aspects of the world's key mythologies are covered, from tales of warring deities and demons to stories of revenge and metamorphosis; from accounts of lustful gods and star-crossed human lovers to journeys in the underworld. All are told at length and are

accompanied by illuminating and readable introductory text. Also included are summaries of important theories about the origins and meaning of myth, and an examination of themes that recur across a range of civilizations. Beautifully illustrated with more than 500 color photographs, works of art, charts, and maps, *World Mythology* offers readers the most accessible guide yet to the heritage of the world's imagination.

Mythology and You LVM Editora

Six myths lie at the heart of the American experience. Taken as aspirational, four of those myths remind us of our noblest ideals, challenging us to realize our nation's promise while galvanizing the sense of hope and unity we need to reach our goals. Misused, these myths allow for illusions of innocence that fly in the face of white supremacy, the primal American myth that stands at the heart of all the others.

Egyptian Mythology: A Traveler's Guide from Aswan to Alexandria Simon and Schuster

Offers a question-and-answer format to introduce young readers to myths and legends from around the world, including

stories from the Mediterranean world, the Far East, Africa, Europe, and the Americas. *Lore* Harper Collins

Why did the Mesopotamian hero Gilgamesh search for eternal youth? (see page 21) What is the Chinese recipe for creating the universe? (see page 67) How did the Blackfoot maiden Feather Woman turn the world upside down? (see page 122) Whether it's the adventures of Greek gods and goddesses or Norse trickster tales, we all love to hear a good story. Best-selling author Kenneth C. Davis gives readers a taste of these enchanting myths and the diverse people who tell them. In his trademark question-and-answer style peppered with entertaining sidebars and quotes, he also shows how almost every civilization's mythology shares common themes. Some stories celebrate the creation of the earth and the arrival of the first humans; others mourn a massive flood of destruction. Our wide world is linked together by the stories we tell. A wealth of photographs and art reproductions, along with clever black-and-white illustrations by Sergio Ruzzier, helps convey the vitality of these amazing myths.

Weird But True Know-It-All: Greek Mythology Tordotcom

A unique retelling of Greek mythological tales featuring love, betrayal, murder and ruthless ambitions—for fans of George R. R. Martin's *Game of Thrones*. Discover six classic Greek myths in this exciting retelling that paints both famous and lesser-known characters in a whole new light. Follow the likes of Odysseus, Lamia, Bellerophon, Icarus, Medusa and Artemis as their fates are revealed through bloody trials, gut-wrenching betrayals, sinister motives and broken hearts. With an accessible writing style that delves into the thoughts, feelings, desires, and motivations of every character, these mythical figures and their compelling stories will resonate with readers as they are guided through perilous and tragic adventures. *Greek Mythology Explained* provides an in-depth analysis of each story told as it unravels the greater themes and valuable lessons hidden within each chapter. Inside these pages, you'll . . . Sail with Odysseus as he navigates through the straits of Messina with a terrifying monster on each side, intent only on killing him and his crew. Witness Lamia's world

turned upside down as she loses her kingdom, her children and her humanity. Journey with Bellerophon as he battles the Chimera and becomes the hero that he was destined to be. Take flight with Icarus and Daedalus as they escape their confinement and the Cretan navy. Follow Medusa as she loses faith in the gods and becomes the monster she so adamantly wished to protect her people from. Experience the love between Artemis and Orion, as well as the bitter jealousy it spawns at the core of her brother Apollo. *Queen of Myth and Monsters Sourcebooks, Inc.*

Di istana Helios, dewa matahari, lahir seorang anak perempuan. Tetapi Circe anak yang aneh—tidak berkuasa seperti ayahnya, juga tidak memikat seperti ibunya. Karena tak punya teman, Circe mencarinya di dunia manusia, dan mengembangkan kemampuannya sebagai penyihir. Zeus, yang merasa terancam, mengasingkannya ke pulau terpencil. Circe mengasah bakatnya dan bertemu banyak tokoh paling termasyhur dalam mitologi, di antaranya Minotaur, Daedalus dan Icarus, Medea, dan Odysseus yang lihai. Tetapi wanita yang hanya sendirian

akan menghadapi banyak bahaya, dan Circe tanpa sengaja membangkitkan murka manusia dan dewa-dewa, sehingga mesti berhadapan dengan dewa Olympus yang paling menakutkan dan pendendam. Untuk melindungi apa yang paling dicintainya, Circe harus mengerahkan seluruh kekuatannya dan memilih dengan tegas, apakah hendak berpihak kepada dewa-dewa yang telah melahirkannya, atau manusia yang telanjur disayangnya. **World Mythology** Disney Electronic Content

"I doubt I would have grown up to be the writer and artist I became had I not fallen in love with D'Aulaire's Book of Greek Myths at the age of seven."—R. J. Palacio, author of *Wonder* Kids can lose themselves in a world of myth and magic while learning important cultural history in this beloved classic collection of Greek mythology. Now updated with a new cover and an afterword featuring never-before-published drawings from the sketchbook of Ingri and Edgar D'Aulaire, plus an essay about their life and work and photos from the family archive. In print for over fifty years, D'Aulaires Book of Greek Myths has introduced generations to Greek

mythology—and continues to enthrall young readers. Here are the greats of ancient Greece—gods and goddesses, heroes and monsters—as freshly described in words and pictures as if they were alive today. No other volume of Greek mythology has inspired as many young readers as this timeless classic. Both adults and children alike will find this book a treasure for years to come. *Myths America Lives By* Macmillan A full, authoritative, and wholly engaging account of these endlessly fascinating tales and of the ancient society in which they were created. Greek myths are among the most complex and influential stories ever told. From the first millennium BC until today, the myths have been repeated in an inexhaustible series of variations and reinterpretations. They can be found in the latest movies and television shows and in software for interactive computer games. This book combines a retelling of Greek myths with a comprehensive account of the world in which they developed—their themes, their relevance to Greek religion and society, and their relationship to the landscape. "Contexts, Sources, Meanings" describes

the main literary and artistic sources for Greek myths, and their contexts, such as ritual and theater. "Myths of Origin" includes stories about the beginning of the cosmos, the origins of the gods, the first humans, and the founding of communities. "The Olympians: Power, Honor, Sexuality" examines the activities of all the main divinities. "Heroic exploits" concentrates on the adventures of Perseus, Jason, Herakles, and other heroes. "Family sagas" explores the dramas and catastrophes that befall heroes and heroines. "A Landscape of Myths" sets the stories within the context of the mountains, caves, seas, and rivers of Greece, Crete, Troy, and the Underworld. "Greek Myths after the Greeks" describes the rich tradition of retelling, from the Romans, through the Renaissance, to the twenty-first century. Complemented by lavish illustrations, genealogical tables, box features, and specially commissioned drawings, this will be an essential book for anyone interested in these classic tales and in the world of the ancient Greeks.

The Homework Myth Gramedia Pustaka Utama

Brimming with busted myths, gripping true stories, and peculiar particulars about a plethora of people, places, and events, this captivating compendium is guaranteed to delight information lovers everywhere as it feeds our insatiable appetite to know everything!

World Mythology in Bite-sized Chunks
National Geographic Books

One of the most influential works of this century, *The Myth of Sisyphus and Other Essays* is a crucial exposition of existentialist thought. Influenced by works such as *Don Juan* and the novels of Kafka, these essays begin with a meditation on suicide; the question of living or not living in a universe devoid of order or meaning.

With lyric eloquence, Albert Camus brilliantly posits a way out of despair, reaffirming the value of personal existence, and the possibility of life lived with dignity and authenticity.

Zeus Grants Stupid Wishes Michael O'Mara

"I am of the House of Lara, daughter of Elvira of Nailani, sister of witches, and I have come to reclaim my crown." Isolde, newly coronated queen, has finally found a king worthy of her in the vampire Adrian. But their love for each other has cost Isolde her father and her homeland. With two opposing goddesses playing mortals and vampires against one another, Isolde is uncertain who her allies are in the vampire stronghold of Revekka. Now, as politics in the Red Palace grow more underhanded, inexplicable monster attacks plague the villages, and a deadly crimson mist threatens all of Cordova, Isolde must trust in the bond she's formed with Adrian, even as she learns troubling information about his complicated past. The next book in the scorching, bingeable vampire fantasy series by USA Today and international bestselling author Scarlett St. Clair.

The Myth of Sisyphus And Other Essays

Tuttle Publishing

The bestselling author of *The How of Happiness* reveals how to find opportunity in life's thorniest moments. Focusing on life's biggest, messiest moments, Sonja Lyubomirsky provides readers with the clear-eyed vision they need to build the healthiest, most satisfying life.

Lyubomirsky argues that we have been given false promises—myths that assure us that lifelong happiness will be attained once we hit the culturally confirmed markers of adult success. This black-and-white vision of happiness works to discourage us from recognizing the upside of any negative and limits our potential for personal growth. A corrective course on happiness and a call to regard life's twists and turns with a more open mind, *The Myths of Happiness* shares practical lessons that prove we are more adaptable than we think we are. It empowers readers to look beyond their first response, sharing scientific evidence that often it is our mindset—not our circumstances—that matters most.

Apocalypse Never (resumo) Vintage
In this new paperback edition of the classic bestseller, you'll be taken on a

hilarious, fast-paced ride through the history of ideas. Author Scott Berkun will show you how to transcend the false stories that many business experts, scientists, and much of pop culture foolishly use to guide their thinking about how ideas change the world. With four new chapters on putting the ideas in the book to work, updated references and over 50 corrections and improvements, now is the time to get past the myths, and change the world. You'll have fun while you learn: Where ideas come from The true history of history Why most people don't like ideas How great managers make ideas thrive The importance of problem finding The simple plan (new for paperback) Since its initial publication, this classic bestseller has been discussed on NPR, MSNBC, CNBC, and at Yale University, MIT, Carnegie Mellon University, Microsoft, Apple, Intel, Google, Amazon.com, and other major media, corporations, and universities around the world. It has changed the way thousands of leaders and creators understand the world. Now in an updated and expanded paperback edition, it's a fantastic time to explore or rediscover this powerful view of

the world of ideas. "Sets us free to try and change the world."--Guy Kawasaki, Author of *Art of The Start* "Small, simple, powerful: an innovative book about innovation."--Don Norman, author of *Design of Everyday Things* "Insightful, inspiring, evocative, and just plain fun to read. It's totally great."--John Seely Brown, Former Director, Xerox Palo Alto Research Center (PARC) "Methodically and entertainingly dismantling the cliches that surround the process of innovation."--Scott Rosenberg, author of *Dreaming in Code*; cofounder of Salon.com "Will inspire you to come up with breakthrough ideas of your own."--Alan Cooper, Father of Visual Basic and author of *The Inmates are Running the Asylum* "Brimming with insights and historical examples, Berkun's book not only debunks widely held myths about innovation, it also points the ways toward making your new ideas stick."--Tom Kelley, GM, IDEO; author of *The Ten Faces of Innovation*

Tao of Philosophy Hodder & Stoughton
Tales of Greek mythology have been passed down for thousands of years, and have gone on to have a great impact on Western society. These stories are the

inspiration for many poems, books, movies, and television shows. This book aims to provide you with a greater understanding of these incredible stories, and why they are so powerful and intriguing! Inside, you will learn about the different Greek gods, deities, monsters, and heroes that are talked about in mythology. You will discover the different bloodlines and family trees of both the Olympian gods, as well as the Titans. Included, are some of the most famous and interesting mythological tales, such as how the universe came to be, Heracles' (Hercules) 12 labors, and the great war between the Olympians and the Titans. Here is what you'll learn about...

The Different Greek Gods
 Primordial Deities
 Olympians & Titans
 Mythical Monsters
 The Trojan War
 Stories Of Zeus
 Heracles & His 12 Labors
 Much, Much More!

The Immortals Thames & Hudson

Death and taxes come later; what seems inevitable for children is the idea that, after spending the day at school, they must then complete more academic assignments at home. The predictable results: stress and conflict, frustration and

exhaustion. Parents respond by reassuring themselves that at least the benefits outweigh the costs. But what if they don't? In *The Homework Myth*, nationally known educator and parenting expert Alfie Kohn systematically examines the usual defenses of homework--that it promotes higher achievement, "reinforces" learning, and teaches study skills and responsibility. None of these assumptions, he shows, actually passes the test of research, logic, or experience. So why do we continue to administer this modern cod liver oil -- or even demand a larger dose? Kohn's incisive analysis reveals how a mistrust of children, a set of misconceptions about learning, and a misguided focus on competitiveness have all left our kids with less free time and our families with more conflict. Pointing to parents who have fought back -- and schools that have proved educational excellence is possible without homework -- Kohn shows how we can rethink what happens during and after school in order to rescue our families and our children's love of learning.

Mythology 101 Harper Collins
 WINNER OF THE NEWBERY MEDAL •

WINNER OF THE ASIAN/PACIFIC AMERICAN AWARD FOR CHILDREN'S LITERATURE •
 #1 NEW YORK TIMES BESTSELLER

Would you make a deal with a magical tiger? This uplifting story brings Korean folklore to life as a girl goes on a quest to unlock the power of stories and save her grandmother. Some stories refuse to stay bottled up... When Lily and her family move in with her sick grandmother, a magical tiger straight out of her halmoni's Korean folktales arrives, prompting Lily to unravel a secret family history. Long, long ago, Halmoni stole something from the tigers. Now they want it back. And when one of the tigers approaches Lily with a deal--return what her grandmother stole in exchange for Halmoni's health--Lily is tempted to agree. But deals with tigers are never what they seem! With the help of her sister and her new friend Ricky, Lily must find her voice...and the courage to face a tiger. Tae Keller, the award-winning author of *The Science of Breakable Things*, shares a sparkling tale about the power of stories and the magic of family. "If stories were written in the stars ... this wondrous tale would be one of the brightest."
