When a lonely fisherman finds an injured bird on his boat, he nurtures it back to health and—since the bird can no longer migrate with its family—charts a course to head south for the winter. Together, the two form a special friendship and enjoy life at sea until both the healing process and the journey must come to an end. In the

tradition of the classic Amos & Boris, South is a story about making new friends and the bittersweet process of saying goodbye to the ones we love. It beautifully depicts the power of new beginnings and the freedom in coming home.

How do strangers become friends? Ofelia Castillo is searching for a story. While her friends leave their boring Florida town for summer camps and family vacations, she braces for zero excitement. Lane Disanti would like her whole family to kick rocks. Especially her parents, who sent her to live with her grandmother for the summer while they finalize their divorce.

Aster Douglas has one summer to figure out how to be a kid. She's been homeschooled by her grandfather her whole life, and it's easier for her to make a soufflé than a friend. CCat Garcia is hiding a big secret. She's in need of a new troop after she quits the Floras, her local Scouts, without her mother knowing. When fate and longing bring the girls together, it isn't love at first sight. But they soon

bond over a shared mission to get the Floras to ditch an outdated tradition. In their quest for justice, independence, and an unforgettable summer, the girls form their own troop and find something they didn't know they needed: sisterhood. *Camp Rex* Chronicle Books

Peachtree Publishers  
A hilarious read-aloud favorite about some foolish

farm animals who decide to trade roles—and discover just how hard it is to do someone else's job.

From award-winning author Lester Laminack and celebrated illustrator Henry Cole.

"Good farm fun." —Kirkus Reviews  
The Tuckers' farm is a peaceful place where everyone has a job and no one complains.

That is, until a hapless peacock falls off the back of a passing truck and stirs

things up. Soon, customers are flocking to the farm to see what all the fuss is about. But the hens don't like the newcomer getting attention while they do all the hard work. When a wise old hound sees the problem, he helps orchestrate a job swap. What follows is the riotous tale of three hens who get in way over their feathered heads, and one very distressed peacock who

just can't figure out how to lay an egg. Lester Laminack has created a comical look at envy, finding your strength, and what happens when we underestimate the value of others' work. Henry Cole's delightful illustrations heighten the story's humor and will have readers of all ages laughing out loud. Teacher's Guide available!
