ARMSTRONG MCMAHON

Two of a Kind Penguin

#1 New York Times bestselling author Nora Roberts surpasses herself once again, with a novel as sweeping and extraordinary as the Montana sky itself... When Jack Mercy died, he left behind a ranch worth nearly twenty million dollars. Now his three daughters—each born of a different mother, and each unknown by the others—are gathered to hear the reading of the will. But the women are shocked to learn that before any of them can inherit, they must live together on the ranch for one year. For Tess, a screenwriter who just wants to collect her cash and get back to Hollywood, it's a nightmare. For Lily, on the run from her abusive ex-husband, it's a refuge. And for Willa—who grew up on the ranch—it's an intrusion into her rightful home. They are sisters...and strangers. Now they face a challenge: to put their bitterness aside and live like a family. To protect each other from danger—and unite against an enemy who threatens to destroy them all...

Nora Roberts' The Irish Born Trilogy St. Martin's Paperbacks

In her stunning 200th novel, #1 New York Times bestselling author Nora Roberts proves why no one is better "when it comes to flawlessly fusing high-stakes suspense with red-hot romance" (Booklist, starred review). Daughter of a cold, controlling mother and an anonymous donor, studious, obedient Elizabeth Fitch finally let loose one night, drinking too much at a nightclub and allowing a strange man's seductive Russian accent to lure her to a house on Lake Shore Drive. Twelve years later, the woman now known as Abigail Lowery lives alone on the outskirts of a small town in the Ozarks. A freelance security systems designer, her own protection is supplemented by a fierce dog and an assortment of firearms. She keeps to herself, saying little, revealing nothing. Unfortunately, that seems to be the quickest way to get attention in a tiny southern town. The mystery of Abigail Lowery and her sharp mind, secretive nature and unromantic viewpoint intrigues local police chief Brooks Gleason, on both a personal and professional level. And while he suspects that Abigail needs protection from something, Gleason is accustomed to two-bit troublemakers, not the powerful and dangerous men who are about to have him in their sights. And Abigail Lowery, who has built a life based on security and self-control, is at risk of losing both.

Until he meets Miranda Emerson, and the powerful bond between them upends all his rules. But along the way, Booth has made some dangerous associations, including the ruthless Carter LaPorte, who sees Booth as a tool he controls for his own profit. Knowing LaPorte will leverage any personal connection, Booth abandons Miranda for her own safety—cruelly, with no explanation—and disappears.
