Set in the early 1980s, it follows two plots, through which Banks explores the relationship between apparently distant people drawn together in the world under globalization, which Banks compares to the geologic phenomena of continental drift. Continental Drift (novel) -

Wikipedia Continental Drift by Russell Banks Engrossing and visionary, comic and heartbreaking, Continental Drift tells the story of two people from different worlds moving slowly, yet inevitably toward each other as they search for a better life. Continental Drift by Russell Banks | ReadingGroupGuides.com In this long, ambitious new novel, Banks brings the New England-style bottled rage of Hamilton Stark (1978) into curious apposition with the voodoo grace and

Caribbean inevitability of The Book of Jamaica (1980).
