 Now that people are starting to see that karting is the perfect training ground for professional racers of all stripes—as well as a not-so-expensive alternative to full-scale road racing and oval track racing—it’s become the fastest-growing motorsport in the U.S. and the world. For the novice confronted with a bewildering array of choices—kart types and classes, road racing, sprint track racing, oval racing—this book offers answers. The best single resource on kart racing, Karting will teach you the ins and outs of the sport, from choosing a class and kart to selecting safety equipment to performing maintenance and

mastering racing techniques that will get you up to speed on the track.
