ISABEL LIVIA

Wren & Martin Middle School English Grammar and Composition Key Wiley

This two-book series was written specifically for English language learners and covers all the basic grammar topics for beginners. Contains clear and concise explanations of the rules and illustrates them with numerous examples. The "Did You Know?" and "Grammar Help" notes add further to the understanding of basic grammar. These books will give English language learners a clear understanding of core grammar skills and help lay a strong foundation for good English. Each book includes 150-pages plus of grammar examples and instruction.

Grammar to Get Things Done John Wiley & Sons

English enjoys the status of the World Language. No other language has ever scaled this height. It is the language that encompasses everything in the world. It is used and cherished by millions whose mother tongue is not English. Spoken English; as a natural corollary to that; has become an important tool in our hands today. Without mastery over it; the gateway to success will remain a distant dream in today's globalised market.

Command on any language depends primarily on command on its grammar. Grammar is a repository of rules; governing how words are put together into sentences. These rules govern most constructions in a given language. Grammar is the science of correct use of language. It is concerned only

with correct speaking and writing. Fundamentals of Grammar need to be fully comprehended to to acquire skills of quality English. Aim of this book is a practical one: an aid to good English; to take you places on the wings of English. The book is designed to meet the requirements of students completing their schooling and entering colleges or job market; or preparing for various competitions. "Fundamentals of English Grammar" by Nc Sinha: This book authored by Nc Sinha is likely a foundational resource for individuals aiming to grasp the fundamentals of English grammar. It may cover essential grammar rules, sentence structure, and language mechanics. Key Aspects of the Book "Fundamentals of English Grammar" by Nc Sinha: Grammar Essentials: The book may provide a clear and concise explanation of fundamental English grammar rules, making it accessible for learners. Structured Learning: It may follow a structured approach to teaching grammar, gradually building from basics to more advanced concepts. Language Clarity: "Fundamentals of English Grammar" may focus on improving language clarity and correctness, making it beneficial for learners and those looking to enhance their writing and communication skills. Nc Sinha is likely an author and educator dedicated to simplifying English grammar for learners, enabling them to build a strong foundation in the language.

English Grammar Workbook For Dummies, with Online Practice Taylor & Francis

CO-PUBLISHED BY ROUTLEDGE AND THE NATIONAL COUNCIL OF TEACHERS OF ENGLISH Grammar to Get Things Done offers a fresh lens on grammar and grammar instruction, designed for middle and secondary pre-service and in-service English teachers. It shows how form, function, and use can help teachers move away from decontextualized grammar instruction (such as worksheets and exercises emphasizing rule-following and memorizing conventional definitions) and begin considering grammar in applied contexts of everyday use. Modules (organized by units) succinctly explain common grammatical concepts. These modules help English teachers gain confidence in their own understanding while positioning grammar instruction as an opportunity to discuss, analyze, and produce language for real purposes in the world. An important feature of the text is attention to both the history of and current attitudes about grammar through a sociocultural lens, with ideas for teachers to bring discussions of language-as-power into their own classrooms.

The Best Grammar Workbook Ever! Cambridge University Press

The go-to guide for perfecting your grammar and communication skills in every situation English teachers aren't the only ones who expect careful and correct language choices. Precision in language can be the deciding factor when it comes to getting a job or winning a promotion. Whether your skills need drastic improvement or a quick brush-up, The McGraw-Hill Handbook of English Grammar and Usage will get your grammar back on the right track. Written by two expert grammarians, the book provides bottom-line definitions, tips, and simple rules that summarize the essentials you need to know. You'll find clear examples of usage and as well guidance on communication via text, email, and social media. The new, third edition of The McGraw-Hill Handbook of English Grammar and Usage features: • Straightforward explanations of common mistakes and why they happen • Hundreds of correct and incorrect sentence examples, with errors clearly marked • Quick tips for fixing your most stubborn grammatical mishaps • Catchy memory aids for writing correctly the first time, and more

ENGLISH GRAMMAR AND USAGE MADE EASY: LEARNING ENGLISH LANGUAGE AND GRAMMAR MADE SIMPLE Allyn & Bacon

Learn Correct English: Grammar, Composition and Usage offers a comprehensive and in-depth treatment of grammar and usage. The real life examples and interesting exercises also make this especially enjoyable and student-friendly. The grammar rules are seen as 'means' of learning the language and not the end. It has separate sections on grammar, letter writing (including e-mail) and study skills (word power), substantial coverage of grammar topics, authentic materials (newspapers, adverts and jokes) to introduce grammatical points, class-tested materials and tasks.

An A - Z of English Grammar and Usage John Wiley & Sons

Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

SSC Selection Posts' Exam PDF eBook-English Language Subject Only Cambridge University Press

A few years ago, a magazine sponsored a contest for the comment most likely to end a conversation. The winning entry? "I teach English grammar."

Just throw that line out at a party; everyone around you will clam up or start saying "whom." Why does grammar make everyone so nervous?

Probably because English teachers, for decades – no, for centuries – have been making a big deal out of grammar in classrooms, diagramming sentences and drilling the parts of speech, clauses, and verbals into students until they beg for mercy. Happily, you don't have to learn all those technical terms of English grammar – and you certainly don't have to diagram sentences – in order to speak and write correct English. So rest assured – English Grammar For Dummies will probably never make your English teacher's top-ten list of must-read books, because you won't have to diagram a single sentence. What you will discover are fun and easy strategies that can help you when you're faced with such grammatical dilemmas as the choice between "I" and "me," "had gone" and "went," and "who" and "whom." With English Grammar For Dummies, you won't have to memorize a long list of meaningless rules (well, maybe a couple in the punctuation chapter!), because when you understand the reason for a particular word choice, you'll pick the correct word automatically. English Grammar For Dummies covers many other topics as well, such as the following: Verbs, adjectives, and adverbs – oh my! Preposition propositions and pronoun pronouncements Punctuation: The lowdown on periods, commas, colons, and all those other squiggly marks Possession: It's nine-tenths of grammatical law Avoiding those double negative vibes How to spice up really boring sentences (like this one) Top Ten lists on improving your proofreading skills and ways to learn better grammar Just think how improving your speaking and writing skills will help you in everyday situations, such as writing a paper for school, giving a presentation to your company's big wigs, or communicating effectively with your family. You will not only gain the confidence in knowing you're speaking or writing well, but you'll also make a good impression on those around you!

Macmillan English Grammar in Context S. Chand Publishing

Today English has almost become indispensable in India and abroad, as it is considered to be a standard, international language of communication across the globe. Hence, learning this language has become a necessity, irrespective of one's age, sex, colour or race. English Grammar And Usage is an altogether different and unique book for understanding and learning the language easily and quickly by writing and speaking innumerable readymade sentences given in the book on each topic of Grammar, without actually studying English Grammar in detail and without the help of one's own mother tongue. There are different types of Sentence Structures available in the book in the easiest possible forms that make it very user-friendly and interesting for readers of all age groups, especially the student section, who wish to know the language correctly and thoroughly. The book is a result of insistent and practical research of around 18 years by the author, when he was in the Solomon Public School accompanied by a number of teachers at various levels, and compiled together as one comprehensive book. Read on to find more

English Grammar Macmillan Higher Education

The authoritative guide to using the English language effectively, from “the greatest writer on grammar and usage that this country has ever produced” (David Yerkes, Columbia University). The author of The Chicago Manual of Style’s popular “Grammar and Usage” chapter, Bryan A. Garner is renowned for explaining the vagaries of English with absolute precision and utmost clarity. With The Chicago Guide to Grammar, Usage, and Punctuation, he has written the definitive guide for writers who want their prose to be both memorable and correct. Garner describes standard literary English—the forms that mark writers and speakers as educated users of the language. He also offers historical context for understanding the development of these forms. The section on grammar explains how the canonical parts of speech came to be identified, while the section on syntax covers the nuances of sentence patterns as well as both traditional sentence diagramming and transformational grammar. The usage section provides an unprecedented trove of empirical evidence in the form of Google Ngrams, diagrams that illustrate the changing prevalence of specific terms over decades and even centuries of English literature. Garner also treats punctuation and word formation, and concludes the book with an exhaustive glossary of grammatical terms and a bibliography of suggested further reading and references. The Chicago Guide to Grammar, Usage, and Punctuation is a magisterial work, the culmination of Garner’s lifelong study of the English language. The result is a landmark resource that will offer clear guidelines to students, writers, and editors alike. “[A manual] for those of us laboring to produce expository prose: nonfiction books, journalistic articles, memorandums, business letters. The conservatism of his advice pushes you to consider audience and occasion, so that you will understand when to follow convention and when you can safely break it.”—John E. McIntyre, Baltimore Sun

The Blue Book of Grammar and Punctuation Macmillan Elt

Looking for an easy-to-use guide to English grammar? This handy introduction covers all the basics of the subject, using a simple and straightforward style. Students will find the book's step-by-step approach easy to follow and be encouraged by its non-technical language. Requiring no prior knowledge of English grammar, the information is presented in small steps, with objective techniques to help readers apply concepts. With clear explanations and well chosen examples, the book gives students the tools to understand the mysteries of English grammar as well as the perfect foundation from which to move on to more advanced topics.

English Grammar without Tears McGraw Hill Professional

Primary School English Grammar & Composition (PSEGC) and Middle School English Grammar & Composition (MSEGC) is a set of two books designed to be used as a prequel to the highly popular English grammar reference book, High School English Grammar & Composition. Both PSEGC and MSEGC provide ample guidance and practice in sentence building, correct usage, comprehension, composition and other related areas so as to equip the learners with the ability to communicate effectively in English.

Basic English Grammar Book 1 V&S Publishers

The Market Leader grammar books provide your students with all the business grammar practice that they need to support them in their studies.

Basic English Grammar Laxmi Publications

An Introduction to English grammar provides a comprehensive overview of all aspects of English grammar, and can be used in the classroom, for self-study, or as a reference book. The book is organised in two parts – on grammar and its applications – and provides everything a beginning student needs to get to grips with the theory and practice of English usage, including sections on style, punctuation and spelling. This third edition has been

fully revised and updated to include an expanded section on English in Use, usage notes highlighting common errors, updated exercises, a glossary and a companion website with further graded exercises.
