A practical English Grammar SAKTHI PUBLISHING HOUSE

This book was first published in 1954, A Modern English Grammar on Historical Principles is a valuable contribution to the field of English Grammar and Linguistics.

An English Grammar in verse; with examples selected from scripture Routledge

"Thiru V.P. Kannan has brought out a nice manual covering all the aspects of grammar in a comprehensive manner with copious examples and adequate exercises. This book will be of immense help to the students ... deliberately made very simple to enhance the grasping of rural students" Dr. V. IRAI ANBU, I.A.S. "How we say something can be as important as what we say ... Ungrammatical communications lack clarity ... The book is indeed comprehensive ... Students will find English Grammar (Simple, Practical yet Comprehensive) very helpful as they work to improve their skill in English grammar. Dr. Carl Perrin, Ph. D., Lakewood, NJ, USA "Unlike the conventional books, the book is well structured with units, wholesome by themselves and arranged in a logical sequence ... a boon not only to students but also to learners of English language at all levels as the book is planned and designed in the most practical and natural way." Dr. S. SHANMUGIAH, M.A., Ph.D. Registrar, Tamil Nadu Open University, Chennai "I appreciate his (author's) initiative in working out a scheme of learning English that is interesting and easy to pursue ... it enables the learner to move from the basic to the advanced and achieve mastery by correct and consistent practice ... I commend the book to every teacher and learner." Prof. R. RAJA GOVINDASAMY, M.A., M.A. (USA) Principal, Thiagarajar College, Madurai "Each topic is dealt with utmost care ... I am confident that this book will prove to be an asset to students and teachers. It will also be a source of support and guidance for parents who wish to prepare their wards for the examination and also help them to develop their proficiency in English Grammar." Mrs. FELICIA AUGSTINE, M.A., M.Ed. Academic Supervisor, Dept. of English, SBOA School & Junior College, Chennai

English Grammar: The Basics offers a clear, non-jargonistic introduction to English grammar and its place in society. Rather than taking a prescriptive approach, this book helps the reader become

aware of the social implications of choices they make to use standard or non-standard (regional/dialect) forms. Readers will consider: • what grammar is and how it fits into the structure of language; • how grammar functions in the school curriculum, the press, broadcasting and social media, as well as how these outlets reflect and reinforce our attitudes towards grammar; • differences between speech and writing, as well as between formality and informality; • major different approaches to theorising and describing grammar from important grammarians, including Noam Chomsky and Michael Halliday. Featuring a glossary of key terms and practical tips and insights from the author's 50+ years of language teaching experience around the world, this book is for anyone who has ever found themselves questioning the 'rules' of the English language.
