"A fictional guide to the Shadowhunter's universe"--

Vacations from Hell

Createspace Independent Publishing Platform

The first installment of Cassandra Clare's bestselling urban fantasy series, *The Mortal Instruments*, is adapted into a graphic novel series! Hanging out with her best friend, Simon, is just about the most exciting thing in Clary's life...that is, until she realizes there are people only she can see. But when her mother disappears and a monster attacks her, Clary has to embrace a world that she never even knew existed--a world full of vampires, werewolves, demons, and those who fight for the humans,

Shadowhunters...

passions? * Peer pressure

and Isaac Newton have

more in common than you

might think? Well,

welcome to Dr. Camilla

Pang's scientific survival guide to growing up! As a

child Camilla loved

patterns and putting

things in order. She was

obsessed with Stephen

Hawking. And the only

language she really

understood was science.

Diagnosed with autism

age 8, Camilla saw the

world very differently. But

with science as her

sidekick, she was able to

translate ideas she could

understand (like gravity,

photosynthesis and

algorithms) onto things

she couldn't (like peer

pressure, emotions and

finding your voice).

Today, Camilla is a

scientist and an award-

winning author, and she is

here to share her

scientific survival guide

with you - so you can

grow up with the courage

to be yourself, no matter

how different you feel or

how tricky you might find

it to connect. Because the

hard part of growing up

isn't dealing with other

people (their opinions,

their popularity or their

exam results). No, the

hard part is you: learning

who you are and what

makes you tick. And the

really hard part is

accepting that it's

completely normal to be

perfectly weird. In fact,

it's essential to growing

up happy.

The Rains Simon and Schuster

"The promise and the threat of sorrow begins and ends at the tip of it's blade." This phrase is a mere prelude to death and destruction. The decades long cold war between the Hyperia and Incorporated Space is coming to a bloody end and both sides will do anything to get their hands on the top secret bioweapon known only as Sorrow. But this weapon has other ideas.

Written by some of today's most exciting teen authors, *Vacations from Hell* offers five unique takes on a universal experience—unforgettable trips. This third Hell collection features stories of vacations that take a serious turn for the worse when paranormal elements interfere.

Claudia Gray's teen witch falls for the wrong guy on her family's yearly beach trip, Cassandra Clare's heroine confronts a vengeful and powerful woman while taking in the Jamaican sun. The cruise ship in Sarah Mlynowski's story carries some dead, soon-to-be-dead, and even some un-dead passengers aboard. Libba Bray takes us to a town in Eastern Europe with a dark and bloody past. And a paranoid madness born in the French Revolution reaches across time to turn sister against sister in Maureen Johnson's tale.

Seventeen-year-old Penny is a lead dancer at the Grande Teatro, a finishing school where she and eleven other young women are training to become the finest ballerinas in Italy. Tucked deep into the woods, the school is overseen by a mysterious and handsome young master who keeps the girls ensconced in the estate. But when flashes of memories of a life very different from the one she thinks she's been leading start to appear, Penny begins to question the world around her. With a kind and attractive kitchen boy, Cricket, at her side, Penny vows to escape the confines of her school and the strict rules she has to follow. But at every turn, the Master finds a way to stop her, and Penny must find a way to escape the school and uncover the secrets of her past before it's too late.

#1 New York Times bestselling author Kendare Blake returns with the highly anticipated third book in the Three Dark Crowns series! And while Arsinoe, Mirabella, and Katharine all have their own scores to settle, there is another queen stirring things up on Fennbirn Island. Queen Katharine has waited her entire life to wear the crown. But now that she finally has it, the murmurs of dissent grow louder by the day. There's also the alarming issue of whether her sisters are actually dead—or if they're waiting in the wings to usurp the throne. Mirabella and Arsinoe are alive, but in

hiding on the mainland and dealing with a nightmare of their own: being visited repeatedly by a specter they think might be the fabled Blue Queen. Though she says nothing, her rotting, bony finger pointing out to sea is clear enough: return to Fennbirn. Jules, too, is in a strange place—in disguise. And her only confidants, a war-gifted girl named Emilia and her oracle friend Mathilde, are urging her to take on a role she can't imagine filling: a legion-cursed queen who will lead a rebel army to Katharine's doorstep. This is an uprising that the mysterious Blue Queen may have more to do with

than anyone could have guessed—or expected. Don't miss Five Dark Fates, the thrilling conclusion to the series! *City of Bones* Hachette UK
