The Hitchhiker's Guide to the Galaxy Del Rey

First a legendary radio series, then a sequence of bestselling books, and most recently a blockbuster movie, The Hitch Hiker's Guide to the Galaxy is one of the greatest fictional enterprises of the twentieth century. Reissued in time for the first novel's thirty-fifth anniversary, this hardback omnibus edition includes all five parts of the trilogy, along with a wealth of extra material prefaced and contextualised by Jem Roberts, the official biographer of Douglas Adams, to complete the canon. This unique hardback edition is indispensable for any would-be galactic traveller, and a must-read for all Douglas Adams fans.

The Hitchhiker's Guide to the Galaxy: the Original Radio Scripts Simon and Schuster

A New York Times Bestseller! Don't miss the series debut that readers are calling Gossip Girl meets The Umbrella Academy, set in an elite boarding school, where secret societies rule, nothing is as it seems, and the genetic copies of attending students have just joined the junior class... This fall, six new students are joining the junior class at the elite Darkwood Academy. But they aren't your regular over-achieving teens. They're DNA duplicates, and these "similar" are joining the class alongside their originals. The Similar are all anyone can talk about. Who are they? What are the odds that all of them would be Darkwood students? And who is the madman who broke the law to create them? Emmaline Chance could care less. Her best friend, Oliver, died over the summer and it's all she can do to get through each day without

him. Then she comes face-to-heartbreaking-face with Levi, Oliver's exact DNA copy and one of the Similar. Emma wants nothing to do with the Similar, but she keeps getting pulled deeper into their world. She can't escape the dark truths about them or her prestigious school. No one can be trusted, not even the boy she is falling for with Oliver's face. This exhilarating and riveting debut by Rebecca Hanover is the next obsession for readers who devoured *Two Can Keep a Secret*, *One of Us Is Lying*, *Scythe*, and *Stronger, Faster, and More Beautiful*.

ULTIMATE HITCHHIKER'S GUIDE TO THE GALAXY Kevin R. Smith

Chronicles the journeys, notions, and acquaintances of reluctant galactic traveler Arthur Dent, accompanied by never-before-published material from the late author's archives as well as commentary by famous fans.

Mostly Harmless Ballantine Books

And Another Thing ... will be the sixth novel in the now improbably named Hitchhiker's Guide to the Galaxy trilogy. Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the *Artemis Fowl* novels. Douglas Adams himself once said, 'I suspect at some point in the future I will write a sixth Hitchhiker book. Five seems to be a wrong kind of number, six is a better kind of number.' Belson said of Eoin

Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of Hitchhiker since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

The Hitch Hiker's Guide to the Galaxy Picador

A special 42nd Anniversary edition of Douglas Adams's mega-selling cult classic, now with exclusive bonus material from the Adams' archives. On October 12, 1979 the most remarkable book ever to come out of the great publishing corporations of Ursa Minor (and Earth) was made available to humanity - The Hitchhiker's Guide to the Galaxy. It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace express route, and his best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their towels and an innocuous-looking book inscribed, in large friendly letters, with the words: DON'T PANIC. The weekend has only just begun. This edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by former Doctor Who showrunner, Russell T Davies. The intergalactic adventures of Arthur Dent begin in the first volume of Douglas Adams' trilogy in five parts: *The Hitchhiker's Guide to the Galaxy*; *The Restaurant at the End of the Universe*; *Life, the Universe and Everything*; *So Long, and Thanks for All the Fish*; and *Mostly Harmless*.

The Ultimate Hitchhiker's Guide to the Galaxy Pan

Chris Riddell's fabulously illustrated 42nd Anniversary gift edition of Douglas Adams's classic *The Hitchhiker's Guide to the Galaxy*.

Dirk Gently's Holistic Detective Agency Paw Prints

This volume brings together the six stories chronicling Arthur Dent's travels across space and time.

Hachette Books

The fifth and final installment of the *Hitchhiker's Guide to the Galaxy* trilogy of five. Featuring exclusive bonus material from the Douglas Adams archives, and an introduction from Dirk Maggs. Arthur Dent hadn't had a day as bad as this since the Earth had been blown up. After years of galactic wanderings, Arthur finally settles on the small planet Lamuella and becomes a sandwich maker. Looking forward to a quiet life, his plans are thrown awry by the unexpected arrival of his daughter. There's nothing worse than a frustrated teenager with a copy of *The Hitchhiker's Guide to the Galaxy* in their hands. When she runs away, Arthur goes after her determined to save her from the horrors of the universe. After all - he's encountered most of them before. *Mostly Harmless* is the fifth and final book in Douglas Adams' much-loved cult classic series, *The Hitchhiker's Guide to the Galaxy*. This edition includes additional material from the Adams archives, as well as an introduction by prolific radio producer and director, Dirk Maggs.

The Similar Open Road Media

Don't Panic: collected together in the *Hitchhiker's Guide Trilogy* are the five titles that comprise Douglas Adams' wildly popular and wholly remarkable comedy science fiction series, with a special introduction from the author himself. *The Hitchhiker's Guide to the Galaxy* One Thursday lunchtime the Earth gets

unexpectedly demolished to make way for a new hyperspace bypass. For Arthur Dent, who has only just had his house demolished that morning, this seems already to be rather a lot to cope with. Sadly, however, the weekend has only just begun. The Galaxy may offer a mind-boggling variety of ways to be blown up and/or insulted, but it's very hard to get a cup of tea. The Restaurant at the End of the Universe When all questions of space, time, matter and the nature of being have been resolved, only one question remains - 'Where shall we have dinner?' The Restaurant at the End of the Universe provides the ultimate gastronomic experience, and for once there is no morning after to worry about. Life, the Universe and Everything Following a number of stunning catastrophes, Arthur Dent is surprised to find himself living in a hideously miserable cave on prehistoric Earth. However, just as he thinks that things cannot get possibly worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lord's, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown . . . So Long, and Thanks for All the Fish There is a knack to flying. The knack lies in learning how to throw yourself at the ground and miss. It's not an easy thing to do, and Arthur Dent thinks he's the only human who's been able to master this nifty little trick - until he meets Fenchurch, the woman of his dreams. Fenchurch once realised how the world could be made a good and happy place. Unfortunately, she's forgotten. Convinced that the secret lies

within God's Final Message to His Creation, they go in search of it. And, in a dramatic break with tradition, actually find it . . .
 .Mostly Harmless Arthur Dent has settled down on the small planet Lamuella and has embraced his role as a Sandwich Maker. However, his plans for a quiet life are thrown awry by the unexpected arrival of his daughter. There's nothing worse than a frustrated teenager with a copy of the Hitchhiker's Guide to the Galaxy in their hands. When she runs away, Arthur goes after her determined to save her from the horrors of the universe. After all - he's encountered most of them before . . .

A Guide to The Hitchhiker's Guide to the Galaxy Pan

After Earth is demolished to make way for a new hyperspatial expressway, Arthur Dent begins to hitch-hike through space.

And Another Thing... Del Rey

Now celebrating the 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! "Douglas Adams is a terrific satirist."—The Washington Post Book World Facing annihilation at the hands of the warlike Vogons? Time for a cup of tea! Join the cosmically displaced Arthur Dent and his uncommon comrades in arms in their desperate search for a place to eat, as they hurtle across space powered by pure improbability. Among Arthur's motley shipmates are Ford Prefect, a longtime friend and expert contributor to The Hitchhiker's Guide to the Galaxy; Zaphod Beeblebrox, the three-armed, two-headed ex-president of the galaxy; Tricia McMillan, a fellow Earth refugee who's gone native (her name is Trillian now); and Marvin, the moody android. Their destination? The ultimate hot spot for an evening of apocalyptic entertainment and fine dining, where the food speaks for itself (literally). Will they make it? The answer: hard to say.

But bear in mind that The Hitchhiker's Guide deleted the term "Future Perfect" from its pages, since it was discovered not to be! "What's such fun is how amusing the galaxy looks through Adams's sardonically silly eyes."—Detroit Free Press

Five Novels and One Story Palgrave Macmillan

The books that we choose to keep -- let alone read -- can say a lot about who we are and how we see ourselves. In My Ideal Bookshelf, dozens of leading cultural figures share the books that matter to them most; books that define their dreams and ambitions and in many cases helped them find their way in the world. Contributors include Malcolm Gladwell, Thomas Keller, Michael Chabon, Alice Waters, James Patterson, Maira Kalman, Judd Apatow, Chuck Klosterman, Miranda July, Alex Ross, Nancy Pearl, David Chang, Patti Smith, Jennifer Egan, and Dave Eggers, among many others. With colorful and endearingly hand-rendered images of book spines by Jane Mount, and first-person commentary from all the contributors, this is a perfect gift for avid readers, writers, and all who have known the influence of a great book.

The Hitchhiker's Guide to the Galaxy Pan MacMillan

In one complete volume, here are the five classic novels from Douglas Adams's beloved Hitchhiker series. Now celebrating the pivotal 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! The Hitchhiker's Guide to the Galaxy (Nominated as one of America's best-loved novels by PBS's The Great American Read) Seconds before the Earth is demolished for a galactic freeway, Arthur Dent is saved by Ford Prefect, a researcher for the revised Guide. Together they stick out their thumbs to the stars and begin a wild journey through

time and space. The Restaurant at the End of the Universe The moment before annihilation at the hands of warmongers is a curious time to crave tea. It could only happen to the cosmically displaced Arthur Dent and his comrades as they hurtle across the galaxy in a desperate search for a place to eat. Life, the Universe and Everything The unhappy inhabitants of planet Krikkit are sick of looking at the night sky- so they plan to destroy it. The universe, that is. Now only five individuals can avert Armageddon: mild-mannered Arthur Dent and his stalwart crew. So Long, and Thanks for All the Fish Back on Earth, Arthur Dent is ready to believe that the past eight years were all just a figment of his stressed-out imagination. But a gift-wrapped fishbowl with a cryptic inscription thrusts him back to reality. So to speak. Mostly Harmless Just when Arthur Dent makes the terrible mistake of starting to enjoy life, all hell breaks loose. Can he save the Earth from total obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter from herself? Includes the bonus story "Young Zaphod Plays It Safe" "With droll wit, a keen eye for detail and heavy doses of insight . . . Adams makes us laugh until we cry."—San Diego Union-Tribune "Lively, sharply satirical, brilliantly written . . . ranks with the best set pieces in Mark Twain."—The Atlantic

The Deeper Meaning of Liff Random House
A totalitarian regime has ordered all books to be destroyed, but one of the book burners, Guy Montag, suddenly realizes their merit.

A Trilogy in Five Parts Del Rey
This is the "philosophy and. ." book that really needed to be written - because it is about The Hitchhiker's Guide to the Galaxy.

For (to paraphrase the great man himself) Hitchhiker's is not above a little philosophy in the same way that the sea is not above the sky. Moreover: this edited collection combines accessibility - and some humor - with rigor. It contains an introduction, nine chapters, a glossary, and multiple indexes. Topics covered include the meaning of life (and "42"), vegetarianism, the ethics of entertainment, artificial intelligence, multiple worlds, God, and philosophical method.

Life, the Universe and Everything Hyperion Books
Thirty years of celebrating the comic genius of Douglas Adams... On 12 October 1979 the most remarkable book ever to come out of the great publishing corporations of Ursa Minor (and Earth) was made available to humanity - The Hitchhiker's Guide to the Galaxy. It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace bypass and his best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their towels and an innocuous-looking book inscribed with the big, friendly words: DON'T PANIC. The weekend has only just begun... Volume one in the trilogy of five

So Long, and Thanks for All the Fish Pan
In this collection of novels, Arthur Dent is introduced to the galaxy at large when he is rescued by an alien friend seconds before Earth's destruction, and embarks on a series of amazing adventures with his new companion.

COMPLETE HITCHHIKER'S GUIDE TO THE GALAXY BOXSET.

Fahrenheit 451 Macmillan Children's Books

The #1 New York Times–bestselling author’s “hilarious . . . idiosyncratic . . . delightful” and definitive companion to a global phenomenon (Publishers Weekly). Douglas Adams’s “six-part trilogy,” *The Hitchhiker’s Guide to the Galaxy* grew from a blip of a notion into an ever-expanding multimedia universe that amassed an unprecedented cult of followers and became an international sensation. As a young journalist, Neil Gaiman was given complete access to Adams’s life, times, gossip, unpublished outtakes, and files (and became privy to his writing process, insecurities, disillusionments, challenges, and triumphs). The resulting volume illuminates the unique, funny, dramatic, and

improbable chronicle of an idea, an incredibly tall man, and a mind-boggling success story. In *Don’t Panic*, Gaiman celebrates everything Hitchhiker: the original radio play, the books, comics, video and computer games, films, television series, record albums, stage musicals, one-man shows, the Great One himself, and towels. And as Douglas Adams himself attested: “It’s all absolutely devastatingly true—except the bits that are lies.” Updated several times in the thirty years since its original publication, *Don’t Panic* is available for the first time in digital form. Part biography, part tell-all parody, part pop-culture history, part guide to a guide, *Don’t Panic* “deserves as much cult success as the Hitchhiker’s books themselves” (Time Out).
