ASHLEY NOELLE

Analog Or Digital- A Telling Time Book for Kids

Createspace Independent Publishing Platform

This critical examination of two dystopian television series--Black Mirror and Electric Dreams--focuses on pop culture depictions of technology and its impact on human existence.

Representations of a wide range of modern and futuristic technologies are explored, from early portrayals of artificial intelligence (Rossum's Universal Robots, 1921) to digital consciousness transference as envisioned in Black Mirror's "San Junipero." These representations reflect societal anxieties about unfettered technological development and how a world infused with invasive artificial intelligence might redefine life and death, power and control. The impact of social media platforms is considered in the contexts of modern-day communication and political manipulation.

Redeeming Dreams

Createspace Independent Publishing Platform

Half a century before Titanic, another famous shipwreck captured the hearts and imagination of the world. In 1857, laden with gold and adventurers fresh from the California Gold Rush, the luxury sidewheel steamer SS Central America went down in a hurricane off the Carolina coast. Many were saved, many were lost, and lives were changed forever. Relive the experiences of her passengers, as told through the eyes of a fictitious couple who find love and danger on the high seas aboard this first "Ship of Dreams." On her own in wild, wicked, post-Gold Rush San Francisco, Della

Gilliland has become a bit of a con artist, though a harmless one. Falsely accused of murder by a rival snake-oil salesman, she is forced to flee the lawless city's vigilantes aboard an outbound steamer. Surely her quick wits—and tongue—can convince someone to help her until her pursuers are far behind. Stuffy New York businessman Kent Bradford is shocked when a lovely redhead he's never met suddenly introduces herself as his wife to an important business contact.

Fearing a scene, he plays along . . . for the moment. But moments turn into weeks and growing attraction becomes something more. Then, only days out from New York, their ship encounters a hurricane that threatens not only their budding love, but their very lives. Book 2 of the Americana Dreaming series

Abstract Space Routledge

Ten year old Edwin is surprised to learn that he will be travelling to America on the famous new Titanic. Even more shocking is that he will be going with grandparents he has never known. Why does his mother want to send him away? Edwin explores the ship, meeting men such as Thomas Andrews, Bruce Ismay, and Captain Smith. Along the way, he also learns secrets about his own family's past. When the ship sinks and Edwin ends up in a lifeboat separated from everyone he knows, he wonders if he has survived the worst only to be abandoned in the middle of the Atlantic.

The Frontiers Saga Leisure Books

Science fiction-roman om livet på Jorden efter en altødelæggende krig, hvor de få overlevende kommer i konflikt med de menneskelignende robotter, androider, som de selv har skabt

How to Live, Work and Play Around the World Ship of Dreams

The Complete Series contains all three books in the True Reign Series! That

means three books filled with action-packed adventure, romance, and political intrigue. Unlock the secrets within... Seventeen-year-old Rema lives in a brutal kingdom where travel between regions is forbidden, people are starving, and looking at someone the wrong way can mean death. Nineteen-year-old Darmik is the king's son and Commander of the King's Army. He spends his days roaming the island, doing his father's bidding and trying to maintain control over the people. When a chance encounter throws Rema and Darmik together, they share an instantaneous connection, but any sort of relationship between them is strictly forbidden. Darmik's brother, the Crown Prince, notices Darmik's interest in Rema and, in a calculated, political move, blackmails her. Faced with an impossible choice, Rema is forced to sacrifice her heart in order to save her family. As Rema is taken to the palace with the Crown Prince, Darmik confronts the growing rumor that a legitimate blood heir to the throne exists and is trying to overthrow Darmik's family. In Darmik's quest to hunt down and kill the threat, he discovers that nothing is as it seems. Locked in the king's castle, Rema finds herself a key player in a massive power struggle. When Darmik shows up, she's not sure if she can trust him. The line between friends, enemies, and loyalty becomes blurred. As truths are unlocked, Rema understands that she just might be the key to finding the rightful heir and restoring peace to the kingdom . . . if she can manage to stay alive long enough.

Lincoln Abbot has a dream; a dream nurtured since his youth. His dream, to pilot a ship; to make that his career. However, events happened cutting that

dream short. This story is about his struggle to realize that dream.

The Sweet Dream Fairy Prospecta Press

By developing the concept of the "digital effects emblem," Kristen Whissel contributes a new analytic rubric to cinema studies. An "effects emblem" is a spectacular, computer-generated visual effect that gives stunning expression to a film's key themes. Although they elicit feelings of astonishment and wonder, effects emblems do not interrupt narrative, but are continuous with story and characterization and highlight the narrative stakes of a film. Focusing on spectacular digital visual effects in live-action films made between 1989 and 2011, Whissel identifies and examines four effects emblems: the illusion of gravity-defying vertical movement, massive digital multitudes or "swarms," photorealistic digital creatures, and morphing "plasmatic" figures. Across films such as Avatar, The Matrix, the Lord of the Rings trilogy, Jurassic Park, Titanic, and Crouching Tiger, Hidden Dragon, these effects emblems heighten the narrative drama by contrasting power with powerlessness, life with death, freedom with constraint, and the individual with the collective.

[A Novel Memoir](#) Harry N Abrams Incorporated

"A must read for anyone who wants to be successful with their digital marketing." - Greg S. Reid, bestselling author of Three Feet from Gold The 7 Critical Principles of Effective Digital Marketing is an attempt at establishing a baseline for one of the most tumultuous and change-ridden industries in existence. It takes a step back from the strategies and tactics that most digital marketing approaches start with and, instead, establishes a core and

foundational structure from which all digital marketing initiatives can and should operate. The 7 Principles are simple without being simplistic and help to align digital marketers with a set of axiomatic, unchanging and foundational beliefs. In fact, these 7 principles may be the only thing about digital marketing that won't change. A note from the author: Oh, look! You're reading the synopsis. That means I've got another sentence or two before you get bored and jump ship to go roam greener pastures. I get that, I do the same thing all of the time. Here's the problem with my book: That sexy little tidbit that you're looking for...you know, that hint, tip, trick, hack, best practice, "whatever" that'll make you an instant digital marketing demigod...it ain't here. I'm not saying it doesn't exist. I'm not saying Santa doesn't exist either. Here's what I am saying: maybe, just maybe, we're doing this wrong. I said "we" because I'm one of you! I'm a professional digital marketer (10 years and running!) and I do the same stupid thing that all of us are guilty of. I go out hunting for quick-fix content that'll give me some sort of blueprint to success as if digital marketing genius comes in a template. That's exactly why I wrote this book. Yes, strategies, tactics and best practices are important. But more important than any of that, something truly irreplaceable and a prerequisite to any lasting success: Principles. Here's the problem that I face: Principles aren't sexy! They just aren't. Tips and hacks and all of that crap, easy to sell. But principles...! Yawn! So, dear reader, I issue you a warning: if you're looking for that casual read that'll just drop a couple of little nuggets to simply make you sound smart the next time you're at a conference, I invite you to look elsewhere. (You're looking for

dessert and I'm offering up that deep-dish beef stew your mom used to make on rainy days.) However, if you want the real deal, feet on the street, decade in the making, principle-centered, value driven, foundational approach to digital marketing: You found it. It's time we put down our plastic spiderman sporks and pick up the fine silver so we can sit at the big boy table with every other industry. It's time for digital marketing to have a principle-centered foundation. I hope you'll join me. Thug life, Kasim *Spectacular Digital Effects* Tor Books
In this uniquely-written novel memoir, first-time author Steven Rivellino daringly delves into the lives and the minds of three very distinct men as they sail the world on their various voyages of discovery. The books protagonist, also named Steven, is a young, easily-influenced college student, dangerously on the verge of manhood. While onboard the Norwegian liner , he meets Percy, a somewhat flamboyant British gentleman grandly seeking wealth and good fortune; and Archibald, an author and historical lecturer nearly thirty years his senior whose lifetime search for acceptance and love inevitably leaves him in circles. Together, they set out on their journey to circumnavigate the globe. Unknowingly, however, they are destined for an epic adventure of great challenge, learning, and naked self-discovery. The events of the world clearly define their roles and along the way, their unique relationships evolve from initial denial and great distrust, to a close and dynamic bond never-before expected; forever true.

An erotic story about a young girl Lisa, whose recurring dream has connection long back in history and its resolution by her Doctor !

Architecture and the New Alchemic Technologies 102nd Place, LLC

This visually stunning, conceptually rich and imaginative book investigates the cultural connection between new media and architectural imaging. Through a range of material, from theoretical texts to experimental design projects, Tierney explores notions of what the architectural image means today. Within the book's visually imaginative design framework, Abstract Space engages discourses from architecture, visual and cultural studies to computer science and communications technology to present an in-depth multi-media case study. Tracing a provisional history of the topic, the book also lends a provocative and multivalent understanding to the complex relations affecting the architectural image today.

Aspiring Business Woman Christian Focus

There are hundreds of books written on the X's and O's of leadership. However, few on how you, the leader, can create the "context or environment" for achieving unparalleled levels of success. Stay in your lane is a fresh new perspective on how leaders influence others to reach their true potential. The attitude of the leader affects the atmosphere of the office.

US Air Force Second Lieutenant Sean Mitchell catches a military cargo aircraft to Clark Air Base for a bit of adventure-something to break up the daily routine back at his duty station in Denver Colorado. His "adventure" turns into a

life-and-death escape mission as he unwittingly finds himself an accessory to a large-scale criminal racket. When he befriends a street kid named Billy Bong, Mitchell's world changes forever. He admires the young enterprising lad and wants to promote his street-side business. But, his association with Billy Bong leads Mitchell right into the crushing jaws of some powerful Angeles City criminal strongmen. Mitchell's actions are noble, but naïve. He's out of his league on the rough and tumble streets of Angeles City. Mitchell finds himself outnumbered and on the run. Will he be able to make it out of the Philippines, or is his nightmare just beginning? Dreams of the Philippines is based on the true adventures of author Dave Ives. Through his writing, the memory of Clark Air Base and Angeles City in 1989 comes alive.

Beneath the Media Surface Reign Publishing

A visual adventure of Wes Anderson proportions, authorized by the legendary filmmaker himself: stunning photographs of real-life places that seem plucked from the just-so world of his films, presented with fascinating human stories behind each façade. Accidentally Wes Anderson began as a personal travel bucket list, a catalog of visually striking and historically unique destinations that capture the imagined worlds of Wes Anderson. Now, inspired by a community of more than one million Adventurers, Accidentally Wes Anderson tells the stories behind more than 200 of the most beautiful, idiosyncratic, and interesting places on Earth. This book, authorized by Wes Anderson himself, travels to every continent and into your own backyard to identify quirky landmarks and undiscovered gems: places you may have passed by, some

you always wanted to explore, and many you never knew existed. Fueled by a vision for distinctive design, stunning photography, and unexpected narratives, *Accidentally Wes Anderson* is a passport to inspiration and adventure. Perfect for modern travelers and fans of Wes Anderson's distinctive aesthetic, this is an invitation to look at your world through a different lens.

Once David Hero was an ordinary man living in the real world. Now he is trapped in the Dreamlands, cut off from the waking world. David Hero's dreams and nightmares have become his only reality. Led by wickedly beautiful Queen Zura, the zombie armies of the dead are on the march. They will destroy the beautiful Dreamlands, making them a permanent, deadly nightmare. Unaware of the marauding zombies, David Hero and his friend Eldin voyage through the clouds in a wondrous skyship. Their journey is interrupted by a pack of faceless nightgaunts, terrifying creatures, half-man and half-bat--and all evil! David Hero is one of Zura's first targets. As a man of the waking world, he can withstand her terrible seductive power and shatter her shambling armies. David Hero must be the first Dreamlands

hero to die. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Accidentally Wes Anderson Watson-Guptill Publications

Don't Fear The Reaper Astrid Snow is a woman of mass distraction. After a trip across Europe, Astrid is accused of murdering five of her colleagues from the British intelligence organisation hidden from the public. Now her niece is in the sights of the killer. To save both their lives she has to escape from the Agency that imprisoned her and deal with the sister who has always hated her. *The Killing Moon* Astrid Snow is in America to retrieve a child from the rich father who kidnapped her. A seemingly straightforward rescue from New York leads her into small-town USA and the disappearance of a teenager, a girl whose political activism appears to have upset several people, including the local senator. Astrid has to reach into the dark underbelly of America to discover what happened to the girl who reminds her so much of herself while dealing with the consequences of a sister who hates her. *Lost in America* Astrid wakes up in an American jail accused of a triple homicide. She has little memory of the night but knows she's not a killer - not of the innocent. Calling in a favour from her former boss at the Agency, the British intelligence organisation hidden from the public, Astrid is released and ready to head home to England until guilt about the murders forces her to stay in the small US town. It's a decision she's about to regret as the bodies pile up, and she discovers some locals are still fighting a war against the British.

Not in My Wildest Dreams Location-Independent Publishers

An African Princess was stolen, shipped,

sold and thrust into slavery in the land they called "Xaymaca." In shock, she observed this new cruel world. At times, unwilling to believe her present reality, she went through the motions of hard labour and severe abuse with no resistance. However, she was noticed by some of the children on the plantation especially by Marcus. He knew she was the catalyst they needed to bring about a long awaited change. A change his

friends, Sam, William, Paul and Peter, all born slaves, hungered for. They had a dream - a dream to be liberated from all who chained them. With this African princess, their dream would finally come true. "Xaymaca Part 1" is the beginning of a short story series of the enslaved Caribbean children named after Jamaican national heroes as they pursue freedom.
