*Why I Killed Gandhi* Diamond Pocket Books Pvt Ltd

The town's ultra-conservative mega-preacher obsesses over sexual immorality, so when his daughter rebels on her 18th birthday, she does so with a bang by seducing the town's leading self-righteous hypocrites in an orgy of revenge. Yet sparking a wave of sexual scandals reveals a secret that her parents have kept from her since her birth, and will bring everyone to their knees.

*Nirmala* Liveright Publishing

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like Johnny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have

plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

*Manto* Vintage

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Mansarovar - Part I** Hassell Street Press

New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith's personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young "Pat" lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O'Connor and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: "What is the life I choose?" Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith's diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America, Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be "a few usable things in literature." A memoir as significant in our own century as Sylvia Plath's journals and Simone de Beauvoir's writings were to another time, Patricia Highsmith: *Her Diaries and Notebooks* is an historic work that chronicles a woman's rise against the conventional tide to unparalleled literary prominence.

*Indians in a Plural Society; a Report on Mauritius* Bloomsbury Publishing USA

In this timely retrospective, leading voices from *The Washington Post* come together to discuss Barack Obama's historic presidency. When President Obama was elected, he was a figure of hope for many Americans. Throughout his presidency, he has become far more than a symbol of change; he has enacted countless programs and policies that have made an impact on the country. As his term comes to an end, we look back on what has defined Obama as an American leader. Providing insight into everything from his politics to his family, this collection of articles examines the highlights of the Obama administration. The award-winning journalists at *The Washington Post* have brought together stories from the last eight years to commemorate the indelible mark our most recent president has made on the United States. Featuring over a hundred historic photos and articles from eight Pulitzer Prize winners, *Obama's Legacy* is the perfect way to close out the first family's years in the White House.

*Indian Home Rule* Simon and Schuster

Curriculum set for third grade issued in two named parts, for classroom use in teaching reading.

*Mrs Funnybones* Srishthi Publishers & Distributors

Containing almost 250 entries written by scholars from around the world, this two-volume resource provides current, accurate, and useful information on the politics, economics, society, and cultures of India since 1947. With more than a billion citizens—almost 18 percent of the world's population—India is a reflection of over 5,000 years of interaction and exchange across a wide spectrum of cultures and civilizations. *India Today: An Encyclopedia of Life in the Republic* describes the growth and development of the nation since it achieved independence from the British Raj in 1947. The two-volume work presents an analytical review of India's transition from fledgling state to the world's largest democracy and potential economic superpower. Providing current data and perspective backed by historical context as appropriate, the encyclopedia brings together the latest scholarship on India's diverse cultures, societies, religions, political cultures, and social and economic challenges. It covers such issues as foreign relations, security, and economic and political developments, helping readers understand India's people and appreciate the nation's importance as a political power and economic force, both regionally and globally.

**The Turkish Peace** Diamond Pocket Books Pvt Ltd

His father's over expectations only ruined his self-confidence further with each failure. A ray of hope walked into his life as his wife, a charismatic personality spreading joy wherever she went. Everything is going per plan, but darkness comes knocking soon. He finds out that she does not have much time to live and takes it upon himself to fight all odds - even his family, if need be - to help her fight her medical condition. His father sees his own redemption in helping them; he knows his son will be a winner only if he will fight for her, with her. Will a defeated son prove himself to be a good husband? Will the father-son duo together be able to change the course of fate? *Her Last Wish* is an inspiring story of love, relationships and sacrifice, which proves once again how a good wife makes the best husband.

*Sudden Sex* Simon and Schuster

This book sheds light on those things that people in power—government, religious leaders, corporations, the rich and well connected—would just as soon wish you didn't know. To them secrets are power. And they'll do whatever it takes to keep them that way—suppressing the truth and covering up facts that might make the rest of us angry enough to challenge the powerful or at least to have a good laugh at their expense. Using careful research and impeccable sources, Kick uncovers the hidden truth. For example, self-appointed censors warn constantly about the dangers of pornography, but the fact is that pornography has existed since the first cave people carved dirty pictures on the walls. It's also true that two atomic bombs were dropped on North Carolina—although we managed to avoid nuking Greenland, Texas, Canada, Britain and Spain; George Washington embezzled government funds; 1 of 10 people is not fathered by the man they believe is dad; Barbie is based on a German sex doll; The American colonists practiced cannibalism, and much more. This is a combined edition of 50 Things You're Not Supposed to Know, volumes 1 and 2 first

published in 2003 and 2004.

Flatter, more collaborative organizational structures, combined with the pressure to translate innovative ideas into action quickly, are increasing the need by technical professionals—such as computer programmers, design specialists, engineers, and R&D scientists—to expand their repertoire of communication and managerial skills. In this highly accessible and practical book, Harry Chambers offers a wealth of strategies and tactics for building these skills, to the benefit of individuals, teams, and companies. In his trademark shoot-from-the-hip style, Chambers identifies specific real-world challenges that technical professionals face in the workplace, and offers definitive guidelines for enhancing their communication skills—from making presentations to giving and receiving criticism to navigating office politics. Featuring interviews with people in the trenches, as well as self-assessment tools and exercises, *Effective Communication Skills* will become a valued resource for technical professionals and their colleagues, trainers, and HR departments in all industries.

Dongri to Dubai - Six Decades of the Mumbai Mafia Basic Books

School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

**Melodious Accord** Xcite Book

As a story-writer Premchand had become a legend in his own lifetime. The firmament of Premchand's stories is vast. In view of variety of topics, he, as though, had encompassed the entire sky of humane world into his fold. Each of Premchandji's stories unravels many sides of human mind, many streaks of man's conscience, the evils in some societal practices and heterogeneous angles of economic tortures. All this is done with complete artistry. His stories stir the readers' mind even today by means of their variegated layers of thoughts and feelings. They are all the heralds of human glories coming from the pen of a time-tested author. The very intrinsic nature of his stories, their external formats unfold their entire uniqueness and appeal to the reader's mind. Owing to such special features Premchandji's stories arc still relevant today, as much as they were five decades ago. The chief themes of his stories arc rooted to the rural life with city social life appearing as the contrast to illustrate the complete picture of contemporary Indian life. The stories of Munshi Premchand, fighting on behalf of the downtrodden of the society, who arc suffering from the social and economic agonies, are the strongest assets of our Literature.

*Phonics Practical Book* Islam International Publications Ltd

Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India, from the rise of the Pathans, formation of the Dawood gang, the first ever supari, mafia's nefarious role in Bollywood, Dawood's move to Karachi, and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai, and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare.

**Her Last Wish** Hassell Street Press

Ari Gold is known for his ruthless approach to deal-making and client relationships that made him one of, if not the, most powerful and sought-after agents in Hollywood until he retired in 2011. In his new book *THE GOLD STANDARD*, Gold will illuminate, for the first time, his unique, effective and, some would say, outrageous philosophies on running a successful business, client management, employee motivation, keeping a happy home life, and other keys to his many successes. Brash, emphatic, instructive and always wise, Gold's book will rival business and leadership bestsellers the world over. In his own words and with his trademark enthusiasm, Gold's tome will be the only book anyone wanting to make something of him or herself will ever need. Ari Gold says: "In my humble opinion, if you want to run a successful business this is the only book you'll ever have to read. And my humble opinion is never wrong."

Out of the Shadows Cleis Press

Son of a famous father. Father of a famous son. I am the hyphen between them. Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: from the gawky adolescent pining for his schoolteacher (*Mera Naam Joker*, 1970) to the naughty ninety-year-old (Kapoor & Sons, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his debut, became an overnight sensation with his first film as a leading man (*Bobby*, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with powerhouse performances in films like *Do Dooni Chaar*, *D-Day*, *Agneepath* and others. Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of *Khullam Khulla*. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a legendary father, skipping school to act in *Mera Naam Joker*, the workings of the musical hits of the era, an

encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the warmest, most dil se biography an Indian star has ever penned.

[Selected Stories](#) Disinformation Books

The Turkish Peace is a collection of two addresses by Hazrat Mirza Bashir-ud-Deen Mahmood Ahmad(ra) in the nascent days of the pan-Islamic protest campaign known as the Khilafat Movement, which sought the preservation of the rule of the Sultan of Turkey following the end of the First World War. With great clarity, foresight and understanding, Huzoor not only offered a detailed and layered analysis of how this objective could be achieved but also argued that if Muslims wished to have their voices heard on the global stage, guide policy and be seen as equals of the rest of the world, they

would have to unite and work with the longer term objective of curing people of their prejudices against Islam and acquainting them with its pure, progressive, and peaceful teachings. These addresses were an essential word of counsel for the Muslims of the time. They also deal with some of the most pressing issues Muslims face today.

It is the story of the rich Mahendra and his simple, demure, beautiful wife Asha. Their cosy domestic scenario undergoes great upheaval with the introduction of the vivacious Binodini, a young widow who comes to live with them. A compelling portrayal of the complexity of relationship, it is a landmark novel by the Nobel prize-winning author.
