International handbook on social work theory and practice ... The International Handbook On Social Innovation by Frank Moulaert, Diana MacCallum, and Abid Mehmood and Abdelillah Hamdouch's International Handbook on Social Innovation is a refreshing and stimulating contribution to Edward Elgar's line of handbooks, appropriate for primarily academics and graduate students researching social innovation, through theoretically oriented practitioners interested in the topic will find much to learn from the book as well. The International Handbook on Social Innovation ... The Handbook defines social innovation as innovation in social relations within both micro and macro spheres, with the purpose of satisfying unmet or new human needs across different layers of society. It connects social innovation to empowerment dynamics, thus giving a political character to social movements and bottom-up governance initiatives. The International Handbook on Social Innovation International Handbook on Social Work Theory and Practice and millions of other books are available for Amazon Kindle.
