*Commentary on the Documents of Vatican II.* Ave Maria Press

Spine title: Vatican II. Companion volume to: The conciliar and post conciliar documents, Vatican Council II. Includes bibliographical references and index.

**Decree on the ministry and life of priests** Ignatius Press

A lively debate continues in the Roman Catholic Church about the character of the teaching provided by the Second Vatican Council (1962-1965). Did it represent a decisive rupture with previous doctrine, or the continuation of its earlier message under new conditions? Much depends on whether the Council texts are read in the light of subsequent events, which shook and sometimes smashed the life, worship and devotion of traditional Catholicism – rather than considered for themselves, in their own right as documents with a prehistory that historians can know. In this work Dominican scholar and writer Aidan Nichols maintains that the Council texts

must be interpreted in the light of their genesis, not their aftermath. They must be seen in the light of the public debates in the Council chamber, not the hopes (or fears) of individuals behind the scenes. On this basis, he provides a concise commentary on the eight most significant documents produced by the Council, documents which cover pretty comprehensively all the major aspects of the Church's life. Nichols describes the Council as a gathering where the Conciliar minority – guarded, prudent, and concerned for explicit continuity at all points with the preceding tradition – played a beneficial role in steadying the Conciliar majority, enthused as the latter was by the movements of biblical, patristic and liturgical 'return to the sources' and a desire to reach out to the world of the (then) present-day in generosity of heart. The texts that emerged from this often impassioned debate remain susceptible to a reading of a classically Christian kind. That is precisely what Nichols offers in this book.

*The Documents of Vatican II* New York : Guild Press

The goal of this volume is to begin writing Central and Eastern Europe back into the story of the Second Vatican Council, its origins, and its consequences. This volume assembles - for the first

time in any language - a broad overview of the place of four different Communist-run countries - Czechoslovakia, Hungary, Poland, and Yugoslavia - in the story of the Council. Framing these is an account of how the Cold War impacted the Council and its reception. The book engages with both English-language scholarship and the national historiographies of the countries that it examines, offering a global lens on the present state of research (covering all relevant languages) and seeking to propel that research forward. All of the chapters draw on both non-English secondary literature and original primary sources - some published, some archival.

*The Documents of Vatican II* Liturgical Press

As Pope Francis leads the worldwide church wholly within and from the teachings of the Council (1962-65), there is a great need in college classrooms and parish faith formation groups—as well as for individuals—to again have access to these documents in contemporary English. This volume contains the sixteen official documents—constitutions, decrees, and declarations—of the Second Vatican Council in the most popular and widely used inclusive-language edition translated by Irish Dominican Austin Flannery (+2008). This edition is also presented with a larger, more readable

font than previous editions. Table of Contents: Dogmatic Constitution on the Church, Lumen Gentium Dogmatic Constitution on Divine Revelation, Dei Verbum Constitution on the Sacred Liturgy, Sacrosanctum Concilium Pastoral Constitution on the Church in the Modern World, Gaudium et Spes Decree on the Pastoral Office of Bishops in the Church, Christus Dominus Decree on the Ministry and Life of Priests, Presbyterorum Ordinis Decree on the Training of Priests, Optatum Totius Decree on the Up-to-Date Renewal of Religious Life, Perfectae Caritatis Decree on the Apostolate of Lay People, Apostolicam Actuositatem Decree on the Church's Missionary Activity, Ad Gentes Divinitus Decree on Ecumenism, Unitatis Redintegratio Decree on the Catholic Eastern Churches, Orientalium Ecclesiarum Decree on the Mass Media, Inter Mirifica Declaration on Religious Liberty, Dignitatis Humanae Declaration on the Relation of the Church to Non-Christian Religions, Nostra Aetate Declaration on Christian Education, Gravissimum Educationis Each of these sixteen documents is also available as separate eBooks (PDF, ePub, and Mobi) priced at \$2.99 each. An affordable solution for students and scholars who only need to reference particular decrees or declarations. See more on our digital edition page.

Contemporary scholars often refer to ""the event of Vatican II"", but what kind of an event was it? Matthew Levering offers an introduction to Vatican II with a detailed summary of each of its four central documents - the dogmatic constitutions - followed by explanations of how to interpret them. Levering also offers a reading of each conciliar Constitution in light of a key theological author from the era.

**Vatican Council II: The Conciliar and Postconciliar Documents** Crossroad Publishing

The sixteen official documents--constitutions, decrees, and declarations--of the Second Vatican Council are now available from Liturgical Press in the most popular and widely used inclusive-language edition translated by Irish Dominican Austin Flannery (+October 21, 2008). As the worldwide Church continues to celebrate the fiftieth anniversary of the Council (1962-65), there is a great need in college classrooms and parish faith formation groups--as well as for individuals--to again have access to these documents in contemporary English. As Flannery wrote in his introduction to the 1996 edition, "The translation of the texts of the Vatican documents in the present volume differs from that in the previous publication in two respects. It has been very considerably revised and, in place, corrected. It is also, to a very large extent, in inclusive language. "I say 'to a very large extent, ' because we have used inclusive language in passages about men and women but not, however, in passages about God, except where the use of the masculine pronoun was easily avoidable."

*A Concise Guide to the Documents of Vatican II* Paulist Press

This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

*Vatican Council II* CUA Press

Vatican I and Vatican II represent two of the three ecumenical councils in modern times, yet relatively few studies have sought to understand their relation to one another. In fact, the councils are often positioned as mutually exclusive so that one must choose either Vatican I's or Vatican II's presentations of church and ecclesial authority. Failing to understand the relationship between these councils inhibits the church's self-understanding and risks misinterpreting key aspects of its own tradition; further, it limits the church's ability to teach effectively on topics of concern to modern women and men, such as authority, freedom, and ecclesiology. *Vatican I and Vatican II: Councils in the Living Tradition* uses the questions of what, why, and how the councils taught to frame and demonstrate significant points of continuity, complementarity, and difference between them. It argues that only by seeing both Vatican I and Vatican II as communicating vital dimensions of the Christian faith can the church's living tradition be fully appreciated and speak meaningfully to modern Christian women and men.?

*Vatican Council II* Harvard University Press

This unique collection presents an insightful liturgical study and review of each of the sixteen documents of the Second Vatican Council.

[The Second Vatican Council](#) Darton Longman and Todd

The sixteen documents of the Second Vatican Council are the most important texts produced by

the Catholic church in the past four hundred years. They shape virtually every aspect of church life today. But hardly anyone ever reads them... —From the Introduction In this indispensable guide, Edward P. Hahnenberg outlines each of the documents produced by the Second Vatican Council. Offering the background for each work, its language and context, this book provides a clear and concise overview of the Council's work and its significance in the life of the church. Each document's history, content, major concerns and effects are considered. Significant quotes provide a sample of the language, and contemporary topics provide discussion opportunities. Scripture scholars and students—and every Catholic—will find this a valuable resource.

*Commentary on the Documents of Vatican II: Constitution on the sacred liturgy*, by J. A. Jungmann CUA Press

Introductory ; Essay by Pope Benedict XVI This collection ; includes the four constitutions of the Second Vatican ; Council, the most popular and key documents for ; understanding the Council itself, its decrees, and its ; declarations. Few events in the history of the modern ; Catholic Church have been as far-reaching as the Second ; Vatican Council (1962-1965). And few have been as ; controversial. No one denies great changes have come about ; since the close of the Council. Have the changes been all ; good, all bad, or a mixture of both? To what extent were ; the changes, for good or ill, the result of the Council ; itself? Some have criticized the Council for not ; going far enough, though they maintain that the ""spirit ; of Vatican II"" supports their rejection of many firmly ; established Catholic beliefs and practices. Others claim ; the Council went too far and abandoned certain fundamental ; Catholic tenets in the name of ""updating"" the ; Church. The popes of the Council-John XXII and Paul VI-and ; their successors who also participated in the Council -John ; Paul I, John Paul II, and Benedict XVI-have insisted that ; the Council itself was the work of the Holy Spirit. They ; have aggressively criticized misinterpretations and ; distortions of it. They insist that the Council be ; understood in fundamental continuity with the Church's ; Tradition, even while deepening the Church's ; self-understanding and calling for authentic reforms and ; renewal of Catholic life. Readers can learn for ; themselves what the Second Vatican Council taught using ; this highly accessible collection of its basic ; texts. This book uses the Catholic Truth Society ; translation and features: The Constitution on ; the Sacred Liturgy, Sacrosanctum Concilium, ; introduced by Cardinal Francis Arinze. The ; Dogmatic Constitution on the Church, Lumen ; Gentium, introduced by Cardinal Paul ; Poupard. The Dogmatic Constitution on Divine ; Revelation, Dei Verbum, introduced by Archbishop ; Charles J. Chaput, OFM, Cap. The Pastoral ; Constitution on the Church in the Modern World, Gaudium ; et Spes, introduced by Cardinal Angelo ; Scola. Four major aspects of the Church's ; life-the Sacred Liturgy, the mystery of the Church herself, ; the Word of God, and the Church in the world as it is ; today-are explored. No twenty-first-century Catholic should ; be without these four foundational texts in this superb ; translation. The collection also includes a general ; introduction by Archbishop Salvatore Cordileone of San ; Francisco, as well as an address given by Pope Emeritus ; Benedict XVI in 2005, explaining how best to understand the ; Second Vatican Council in the history of the Church.

Vol. IV: Declaration on Christian Education; Declaration on Religious

Freedom; Decree on the Church's Missionary Activity; Decree on the Ministry and Life of Priests. Vol. V: Pastoral Constitution on the Church in the Modern World.

*Vatican II* Ignatius Press

From 1962 to 1965, in perhaps the most important religious event of the twentieth century, the Second Vatican Council met to plot a course for the future of the Roman Catholic Church. After thousands of speeches, resolutions, and votes, the Council issued sixteen official documents on topics ranging from divine revelation to relations with non-Christians. But the meaning of the Second Vatican Council has been fiercely contested since before it was even over, and the years since its completion have seen a battle for the soul of the Church waged through the interpretation of Council documents. The Reception of Vatican II looks at the sixteen conciliar documents through the lens of those battles. Paying close attention to reforms and new developments, the essays in this volume show how the Council has been received and interpreted over the course of the more than fifty years since it concluded. The contributors to this volume represent various schools of thought but are united by a commitment to restoring the view that Vatican II should be interpreted and implemented in line with Church Tradition. The central problem facing Catholic theology today, these essays argue, is a misreading of the Council that posits a sharp break with previous Church teaching. In order to combat this reductive way of interpreting the Council, these essays provide a thorough, instructive overview of the debates it inspired.

**The Second Vatican Council** Oxford University Press

The 16 documents of the Second Vatican Council (1963-65) are included in this volume together with Notes and an Index. Ideal for students.

*Dogmatic Constitution on Divine Revelation* St Pauls BYB

Wondering what to think about the doctrinal deviations of Vatican II? "The laity cannot remain silent in the face of the errors that threaten their Faith. While remaining in their place as laity, they must fight these errors and, at the same time, know well, profess, and defend the truths to which these errors are opposed."-Fr. Arnaud De Lassus The Layman's Guide to Vatican II is a summary of the need-to-know essentials from the Second Vatican Council. It offers a concise outline of events, an explanation of the Council origins and a breakdown of its key documents. Using accessible language, it proceeds with astounding clarity to define and explain each of the errors of Vatican II. Topics of interest for the curious Catholic:\* History of Vatican II\* Documents produced by Vatican II\* What are Religious Liberty, Collegiality, and Ecumenism \* Protestant-inspired shift from a God-focused Church to a man-focused Church \* Departure of the Second Vatican Council from the traditional teachings of the ChurchThis brief, easy-to-read text is an aid for Catholics to better understand Vatican II and today's modern crisis. If you're looking for quick access to the facts, or simply trying to help others understand what really happened at the Second Vatican Council, this book is for you!

[Vatican II Behind the Iron Curtain](#) New York] : Herder and Herder

From 1962 to 1965, in perhaps the most important religious event of the twentieth century, the Second Vatican Council met to plot a course for the future of the Roman Catholic Church. After thousands of speeches, resolutions, and votes, the Council issued sixteen official documents on topics ranging from divine revelation to relations with non-Christians. In many ways, though, the real challenges began after the council was over and Catholics began to argue over the interpretation of the documents. Many analysts perceived the Council's far-reaching changes as breaks with Church tradition, and soon this became the dominant bias in the American and other media, which lacked the theological background to approach the documents on their own terms. In *Vatican II: Renewal Within Tradition*, an international team of theologians offers a different reading of the documents from Vatican II. The Council was indeed putting forth a vision for the future of the Church, but that vision was grounded in two millennia of tradition. Taken together, these essays demonstrate that Vatican II's documents are a development from an established antecedent in the Roman Catholic Church. Each chapter contextualizes Vatican II teachings within that rich tradition. The resulting book is an indispensable and accessible companion to the Council's developments, one that focuses on theology and transcends the mass-media storyline of "liberal" versus "conservative."

**The Sixteen Documents of Vatican II** Liturgical Press

During four years in session, Vatican Council II held television audiences rapt with its elegant, magnificently choreographed public ceremonies, while its debates generated front-page news on a near-weekly basis. By virtually any assessment, it was the most important religious event of the twentieth century, with repercussions that reached far beyond the Catholic church. Remarkably

enough, this is the first book, solidly based on official documentation, to give a brief, readable account of the council from the moment Pope John XXIII announced it on January 25, 1959, until its conclusion on December 8, 1965; and to locate the issues that emerge in this narrative in their contexts, large and small, historical and theological, thereby providing keys for grasping what the council hoped to accomplish. What Happened at Vatican II captures the drama of the council,

depicting the colorful characters involved and their clashes with one another. The book also offers a new set of interpretive categories for understanding the council's dynamics—categories that move beyond the tired "progressive" and "conservative" labels. As we approach the fiftieth anniversary of the calling of the council, this work reveals in a new way the spirit of Vatican II. A

reliable, even-handed introduction to the council, the book is a critical resource for understanding the Catholic church today, including the pontificate of Benedict XVI.

**Documents of the Second Vatican Council** Costello Publishing Company  
The sixteen basic documents of Vatican Council II are presented here in a new revised translation reflecting inclusive language, edited by Austin Flannery, O.P.
