Franciscan Media
The first collection of
writings in English from
the most important
Brazilian and Portuguese
writer of the Baroque
period, with translation by
Gregory Rabassa

Everyman's Saint

Médiaspaul

These three works form
the chief sources of the
saint's life and the
beginnings of the
Franciscan Order which he
founded in 1212. Born at
Assisi in 1182, St Francis
embraced a life of holy
poverty after a gay and
sometimes extravagant

youth. At the age of
twenty-two he fought with
great spirit and was taken
prisoner in a petty feud
between the town of
Assisi and Perugia. During
his captivity he reflected
on his former mode of life,
but attempted to take up
arms once more on his
recovery. However, a
second illness intervened,
and after a period in
which wordly pleasure
and spiritual counsels
sought mastery and he
finally determined to
dedicate his life and work
to God. Through
pilgrimage, devotion,
example and simple
teaching he became one
of the great Christian
reformers. 'Whatever
accretions of legendary
material', says Fr McKay
in his Introduction, 'have
crept in here and there to
heighten the colours of St
Francis's portrait, they are
undoubtedly in keeping
with the total impressions
which St. Francis made
upon the world of his day.'
Moreover St Francis was
the very opposite of a
sour Puritan: we are told
he was the 'most joyous
of saints, and would have
no sad, long faces about
him, and always rebuked

any friar that was gloomy
or melancholy.' He
wanted his friars to be
joculatores Dei ('the
minstrels of God'). The
Little Flowers is translated
from the 'Fioretti', an
Italian translation of a
Latin original of which the
earliest extant manuscript
is one of 1390. It is a
narration of miracle and
hymn connected with the
saint and his friars. The
Mirror of Perfection is
based on documents and
memoirs left by Friar Leo,
St Francis's favourite
disciple, and was
completed about 1318. St
Bonaventure wrote the
Life of St Francis c. 1260,
intending it to stand as an
authoritative Life and to
supersede the numerous
fragmentary biographies
then in circulation.

The Miracle Worker

(1195-1231) Wyatt North Publishing, LLC

St. Anthony of Padua and Lisbon, one of

Christianity's best loved saints, is a man of many titles: glory of the Franciscan order, star of sanctity, hammer of heretics, comforter of the afflicted, counselor of the erring, miracle worker.

Who is the person behind the praise? How did the people of his time view the saint? St. Anthony: Words of Fire, Life of Light is a novelized biography of the life and times of St. Anthony. Madeline Pecora Nugent, SFO, makes an imaginative journey into the lives and souls of

some of the many people who lived with, confided in, heeded, or defied the saint. In meeting those whose lives St. Anthony touched, the reader will come to understand and love the saint. Book jacket.

Large Print Edition The Sermon of Saint Anthony to the Fish and Other Texts

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Busy Person's Guide to an Extraordinary Life

Pomona Press
Reading Robert Ellsberg's profiles of holy men and

women is like throwing open a window in a stuffy old church and taking in great gulps of fresh air. Henri Nouwen has described his writing as "evocative without being pious." He broadens the traditional vision of sanctity and calls modern readers of all stripes to claim their potential for moral and spiritual growth, courage and action. By choosing relevant models and contemporary heroes, he makes holiness accessible and attractive to ordinary people. These 101 spiritual trailblazers span the centuries from Francis and Clare to Solanus Casey and Mychal Judge, with representatives from every walk of life and corner of the world. Each entry features the essential biographical facts and adds the insight and depth only Ellsberg can provide. The author's sharp eye for signs and stories of holiness in the gritty, messy real world informs his selections, making his work unique. Obscure lay peasants, married activists, and controversial social reformers take pride of place alongside better-known theologians, founders, and canonized saints. *Wall Paintings in the*

The book reproduces the cleaned paintings for the first time. It also describes and analyzes their amalgam of Coptic (Egyptian Christian), Byzantine, and Arab styles and motifs as well as the religious culture to

which they belong. In 1996, funded by the United States Agency for International Development and at the request of the Monastery of St. Antony, the Antiquities Development Project of the American Research Center in Egypt began the conservation of the paintings in the church. The paintings revealed by the conservators are of extremely high quality, both stylistically and conceptually. While rooted in the Christian tradition of Egypt, they also reveal explicit connections with Byzantine and Islamic art of the twelfth and thirteenth centuries. Some newly discovered paintings can even be dated back to the sixth or seventh century. The Franciscan Saints The Word Among Us Press
 Bares the soul of a saint and reveals the methods which were so successful for him in converting others. From age 5 he was haunted by the thought of the souls about to fall into Hell. This insight fueled his powerful drive to save as many souls as he could.

 Dark Fish and the Sermon of St. Anthony, a second

poetry collection by Erica Maria Litz, is contemplative and testimonio, rough and bare as the mind at the center of humanness, between the divine grace of living and the raw dissonance that strives, permeates with its winding through uncharted and secret places, at times kept to tethers, yet atoned and left with the simple graces of prayer and laughter, where the dark fish find peace.

Here is one volume are translations of the text in the Greek written by Athanasius (from the new critical edition of G. J. M. Bartelink) and in the Coptic, the language Anthony himself spoke. Two short contemporary coptic texts further

manifest the powerful influence of 'the father of monks.'
