a step-by-step-guide HarperCollins
This book is intended to introduce hair
stylists not only to the practical aspect of
braiding, but also the professional and
theoretical background of braiding. After
extensive research and practice at the
Hair? Braid it! salon we discovered that
there is more to braiding than just
installing a plait. This book was
developed to share knowledge, with

hopes of standardizing the braiding industry and creating a professional atmosphere. The manual features step by step instructions on the major braiding techniques of trends of today, alongside detailed pictures. This book is devoted to providing step by step instructions and tips to help anyone interested in perfecting their braiding skill. The Manual focuses on three major techniques such as plaits, twists and cornrows. It has detailed information about portions, products and how to become a professional braid stylist.
