99 Erics Penguin UK

Spike Milligan reveals the dark side of his life in this book which is co-written with his psychiatrist Anthony Clare. He recalls the traumas of his childhood, his highly-strung mother, his largely absent father, the cruelties of a colonial upbringing and of sadism towards animals, the break-up of his first marriage, the mortar bomb which blew him up in Italy and the overwork which gave him a mental breakdown during the Goon Show. This book charts the development of this depression and his strategies for dealing with it were improvised, as both when he would get drunk with Peter Sellers,

and clinically in his discussions with Clare. Spike Milligan's previous books include *Silly Verse for Kids* and *Where have all the Bullets Gone?*. Anthony Clare is the author of *Psychiatry and General Practice* and presents the BBC Radio series, *In the Psychiatrist's Chair*.

Spike Milligan: Man of Letters Penguin UK

Milligan's War is the one-volume selected edition of Spike Milligan's war memoirs, published to celebrate the seventieth birthday of Britain's funniest old soldier on 16 April 1988. Adolf Hitler, Monty, Mussolini, Rommel (who?) - all played their modest parts in the Second World War and the shaping of human destiny, but we all know where the real action was... Milligan's war documents in words and pictures. The most scurrilous, bizarre and certainly the most hilarious military career embarked upon by any bombardier of the 56th heavy regiment, royal artillery, ever. 'The most irreverent, hilarious book about the war that I have ever read' Sunday Express 'Desperately funny, vivid, vulgar' Sunday Times 'Milligan is the Great God to all of

us' John Cleese 'The Godfather of Alternative Comedy' Eddie Izzard 'That absolutely glorious way of looking at things differently. A great man' Stephen Fry Spike Milligan was one of the greatest and most influential comedians of the twentieth century. Born in India in 1918, he served in the Royal Artillery during WWII in North Africa and Italy. At the end of the war, he forged a career as a jazz musician, sketch-show writer and performer, before joining forces with Peter Sellers and Harry Secombe to form the legendary Goon Show. Until his death in 2002, he had success as on stage and screen and as the author of over eighty books of fiction, memoir, poetry, plays, cartoons and children's stories.

VOLUME FOUR OF SPIKE MILLIGAN'S LEGENDARY MEMOIRS IS A HILARIOUS, SUBVERSIVE FIRST-HAND ACCOUNT OF WW2 'Brilliant verbal pyrotechnics, throwaway lines and marvelous anecdotes' Daily Mail 'Desperately funny, vivid, vulgar' Sunday Times _____ A voice is calling across the land, 'Bombardier Milligan.' 'Bombadier Milligan is dead,' I replied in a disguised voice. The voice replied, 'Then he's going to miss his breakfast.' The fourth volume of Spike Milligan's legendary account of his time in the army during World War Two begins as he and his regiment land in sunny Italy in 1943 ('The ship touched the beach very gently, so gently I suspect it's not insured'). After a bout of Sandfly Fever, from which he soon recovers ('I'm ready to be killed again'), our plucky hero is piddled on by a farm dog ('Mussolini's revenge?') before forging his way inland towards the enemy and the sound of guns ('We're getting near civilisation'), where matters suddenly take a dark turn ('I was not really me any more') . . . _____ 'The most irreverent, hilarious book about the war that I have ever read' Sunday Express 'Milligan is the Great God to all of us' John Cleese 'The Godfather of Alternative Comedy' Eddie Izzard 'A totally original comedy writer' Michael Palin 'Close in stature to Lewis Carroll and Edward Lear in his command of the profound art of nonsense' Guardian

Spike Milligan The History Press

"Breezy, sophisticated, hilarious, rude, and aching with sweetness: Love, Nina might be the most charming book I've ever read." -- Maria Semple, author of *Where'd You Go, Bernadette* In 1982, 20-year-old Nina Stibbe moved to London to work as a nanny to two opinionated and lively young boys. In frequent letters home to her sister, Nina described her trials and triumphs: there's a cat nobody likes, supertime visits from a famous local playwright, a mysteriously unpaid milk bill, and repeated misadventures parking the family car. Dinner table discussions cover the gamut, from the greats of English literature, to swearing in German, to sexually transmitted diseases. There's no end to what Nina can learn from these boys (rude words) and their broad-minded mother (the who's who of literary London). A charming, hilarious, sweetly inspiring celebration of bad food and good company, *Love, Nina* makes a young woman's adventures in a new world come alive.

Puckoon Virgin Books Limited

Spike Milligan's letters contain some of the best material he ever wrote . . . Collected here for the first time are the funniest, rudest and most revealing of them - most of which have never been seen before - from one of the greatest comics of the twentieth century to some of its most famous politicians, actors, celebrities and rock stars (as well as a host of unlikely individuals on some surprising subjects): - rounded teabags ('what did you do with the corners?') - backless hospital gowns ('beyond my comprehension') - heartfelt apologies ('pardon me for being alive') and the imbalance of male and female ducks in London's parks. Here, then, is the real Spike Milligan: obsessive, rude, generous and relentlessly witty. 'Milligan's zaniness shines through' Telegraph 'The godfather of alternative comedy' Eddie Izzard Spike Milligan was one of the greatest and most influential comedians of the twentieth century. The Spike Milligan Letters Penguin UK

"The best book about politics ever written for children." —The Washington Post 50th Anniversary Edition, now in paperback DO YOU KNOW THE HISTORY OF THE PUSH CART WAR? THE REAL HISTORY? It's a story of how regular people banded together and, armed with little more than their brains and good aim, defeated a mighty foe. Not long ago the streets of New York City were smelly, smoggy, sooty, and loud. There were so many

trucks making deliveries that it might take an hour for a car to travel a few blocks. People blamed the truck owners and the truck owners blamed the little wooden pushcarts that traveled the city selling everything from flowers to hot dogs. Behind closed doors the truck owners declared war on the pushcart peddlers. Carts were smashed from Chinatown to Chelsea. The peddlers didn't have money or the mayor on their side, but that didn't stop them from fighting back. They used pea shooters to blow tacks into the tires of trucks, they outwitted the police, and they marched right up to the grilles of those giant trucks and dared them to drive down their streets. Today, thanks to the ingenuity of the pushcart peddlers, the streets belong to the people—and to the pushcarts. The Pushcart War was first published more than fifty years ago. It has inspired generations of children and been adapted for television, radio, and the stage around the world. It was included on School Library Journal's list of One Hundred Books That Shaped the Twentieth Century, and its assertion that a committed group of men and women can prevail against a powerful force is as relevant in the twenty-first century as it was in 1964.

The Partition of Ireland Penguin UK

Amid the grandeur of the remote Pacific Northwest stands Kingcome, a village so ancient that, according to Kwakiutl myth, it was founded by the two brothers left on earth after the great flood. The Native Americans who still live there call it Quee, a place of such incredible natural richness that hunting and fishing remain primary food sources. But the old culture of totems and potlatch is being replaced by a new culture of prefab housing and alcoholism. Kingcome's younger generation is disenchanted and alienated from its heritage. And now, coming upriver is a young vicar, Mark Brian, on a journey of discovery that can teach him—and us—about life, death, and the transforming power of love.

Milligan's Meaning of Life New York Review of Books

Kat Cataclysm is quite a character: absurdist short fiction writer, aspiring novelist, failed linguist, recovering slam poet, wannabe stand-up comedian, and (for the time being) lead listicle writer at a San Francisco-based tech-slash-media start-up. 99 Erics is a humorous account of Kat's experiences writing a book called 99 Erics, which is about her experiences dating ninety-nine different people named Eric. It is more surreal than slutty. Not that there is anything wrong with slutty.

Now Britain's looniest war hero must combat some of the direst threats a soldier has ever faced - boredom ('Christ, I just thought of Catford'), moving camp ('It's a sort of Brighton with camels'), moving camp again ('We're already somewhere else'), a visit to Carthage ('It's terrible, it's like Catford') and a perilous encounter with the gloriously endowed Mademoiselle Villion ('"Help! massage," I said weakly').
