LEBLANC CARLSON

The Intimate Bond Between Generations
 Hal Leonard Corporation
 (Guitar Chord Songbook). A cool collection of the chords and lyrics for 75 of Slowhand's finest. Perfect for players who don't read music but want to strum chords and sing, and equally ideal for more advanced guitarists who don't want to wade through note-for-note notation. Convenient 6 x 9 size makes it great for your guitar case. Includes: Badge * Bell Bottom Blues * Born Under a Bad Sign * Change the World * Cocaine * Cross Road Blues * Have You Ever Loved a Woman * I Shot the Sheriff * Knockin' on Heaven's Door * Lay Down Sally * Layla * Riding with the King * Strange Brew * Sunshine of

Your Love * Tears in Heaven * White Room * Wonderful Tonight * and more!

Clapton Hal Leonard Publishing Corporation

An instant New York Times bestseller! The definitive biography of guitar legend Stevie Ray Vaughan, with an epilogue by Jimmie Vaughan, and foreword and afterword by Double Trouble's Chris Layton and Tommy Shannon. Just a few years after he almost died from a severe addiction to cocaine and alcohol, a clean and sober Stevie Ray Vaughan was riding high. His last album was his most critically lauded and commercially successful. He had fulfilled a lifelong dream by collaborating with his first and greatest musical hero, his brother Jimmie. His tumultuous marriage was over and he was in a new and healthy romantic relationship. Vaughan seemed poised for a new, limitless chapter of his life and

career. Instead, it all came to a shocking and sudden end on August 27, 1990, when he was killed in a helicopter crash following a dynamic performance with Eric Clapton. Just 35 years old, he left behind a powerful musical legacy and an endless stream of What Ifs. In the ensuing 29 years, Vaughan's legend and acclaim have only grown and he is now an undisputed international musical icon. Despite the cinematic scope of Vaughan's life and death, there has never been a truly proper accounting of his story. Until now. Texas Flood provides the unadulterated truth about Stevie Ray Vaughan from those who knew him best: his brother Jimmie, his Double Trouble bandmates Tommy Shannon, Chris Layton and Reese Wynans, and many other close friends, family members, girlfriends, fellow musicians, managers and crew members.

All That's Left to Know About Slowhand Macmillan

Some tall girls grow up to have perfect posture and are later seen gracing the pages of magazines. Some are natural athletes with toned legs that mask their overlarge feet. Then there are other tall girls: the ones who are always tripping over themselves; who never look normal in any size of clothing; who literally don't fit in. Comedian Margot Leitman was one of these awkward giants, and Gawky is the painfully funny chronicle of her experiences growing up tall. Reaching five feet six inches in fourth grade—and approaching six feet in high school—Leitman realized early on that she'd always stand out from the crowd. To cope, she developed a thick skin and a sharp sense of humor, and instead of forever trying to blend in, she decided to embrace her center-of-attention status. Leitman wears funky, Ziggy Stardust-era jumpsuits (in the 90s); takes up any cause she can find (whether saving the public beaches or protesting prom); and generally makes as much use of her big presence as humanly possible. Leitman's memoir is a hilarious celebration of growing up gangly. Endearing and encouraging, Gawky is a cathartic release of everything awkward girls endure—and a tribute to a youth larger than life.

The Autobiography Hal Leonard Corporation

This ultimate collection is jam-packed with more than 200 songs for the acoustic guitar as performed by popular artists such as the Grateful Dead, Alanis Morissette, Michelle Branch, James Taylor, and more. It is the greatest compilation of acoustic guitar music ever assembled -- all fully transcribed in standard notation and tablature. Also included are numerous arrangements of Broadway solos, Christmas songs, classical solos, jazz standards, and movie tunes. Titles (and artists) include: 6th Avenue Heartache

(The Wallflowers) * Absence of Fear (Jewel) * Beth (KISS) * Both Sides Down (Joni Mitchell) * Caravan (Van Morrison) * Cheap Day Return (Jethro Tull) * Clap (Steve Howe) * Daniel (Elton John) * Drop in the Ocean (Michelle Branch) * Handy Man (James Taylor) * I Can Let Go Now (Alison Krauss) * Ironic (Unplugged) (Alanis Morissette) * Lyin' Eyes (Eagles) * Uncle John's Band (Grateful Dead) and many more!

The Essential Eric Clapton (Songbook)

Hal Leonard Corporation

Howlin' Wolf was a musical giant in every way. He stood six foot three, weighed almost three hundred pounds, wore size sixteen shoes, and poured out his darkest sorrows onstage in a voice like a raging chainsaw. Half a century after his first hits, his sound still terrifies and inspires. Born Chester Burnett in 1910, the Wolf survived a grim childhood and hardscrabble youth as a sharecropper in Mississippi. He began his career playing and singing with the first Delta blues stars for two decades in perilous juke joints. He was present at the birth of rock 'n' roll in Memphis, where Sam Phillips—who also discovered Elvis Presley, Johnny Cash, and Jerry Lee Lewis—called Wolf his “greatest discovery.” He helped develop the sound of electric blues and vied with rival Muddy Waters for the title of king of Chicago blues. He ended his career performing and recording with the world's most famous rock stars. His passion for music kept him performing—despite devastating physical problems—right up to his death in 1976. There's never been a comprehensive biography of the Wolf until now. Moanin' at Midnight is full of startling information about his mysterious early years, surprising and entertaining stories about his decades at the top, and never-before-seen photographs. It strips away all the myths to reveal—at long last—the real-life triumphs and tragedies of this blues titan. Classic Rock St. Martin's Press (Piano/Vocal/Guitar Artist Songbook). Although "Slowhand" is known for his masterful guitar playing, his timeless songs are also quite playable on the piano. This anthology for piano, voice and guitar features 38 of Clapton's best songs: After Midnight * Badge * Change the World * Cross Road Blues (Crossroads) * I Shot the Sheriff * Knockin' on Heaven's Door * Lay Down Sally * Layla * My Father's Eyes * Promises * Riding with the King * Strange Brew * Tears in Heaven * Wonderful Tonight * and more. Guitar Theory For Dummies with Online Practice Yale University Press With striking intimacy and candor, Eric Clapton tells the story of his eventful and

inspiring life in this poignant and honest autobiography. More than a rock star, Eric Clapton is an icon, a living embodiment of the history of rock music. Well known for his reserve in a profession marked by self-promotion, flamboyance, and spin, he now chronicles, for the first time, his remarkable personal and professional journeys. Born illegitimate in 1945 and raised by his grandparents, Eric never knew his father and, until the age of nine, believed his actual mother to be his sister. In his early teens his solace was the guitar, and his incredible talent would make him a cult hero in the clubs of Britain and inspire devoted fans to scrawl "Clapton is God" on the walls of London's Underground. With the formation of Cream, the world's first supergroup, he became a worldwide superstar, but conflicting personalities tore the band apart within two years. His stints in Blind Faith, in Delaney and Bonnie and Friends, and in Derek and the Dominos were also short-lived but yielded some of the most enduring songs in history, including the classic "Layla." During the late sixties he played as a guest with Jimi Hendrix and Bob Dylan, as well as the Beatles, the Rolling Stones, and longtime friend George Harrison. It was while working with the latter that he fell for George's wife, Pattie Boyd, a seemingly unrequited love that led him to the depths of despair, self-imposed seclusion, and drug addiction. By the early seventies he had overcome his addiction and released the bestselling album 461 Ocean Boulevard, with its massive hit "I Shot the Sheriff." He followed that with the platinum album Slowhand, which included "Wonderful Tonight," the touching love song to Pattie, whom he finally married at the end of 1979. A short time later, however, Eric had replaced heroin with alcohol as his preferred vice, following a pattern of behavior that not only was detrimental to his music but contributed to the eventual breakup of his marriage. In the eighties he would battle and begin his recovery from alcoholism and become a father. But just as his life was coming together, he was struck by a terrible blow: His beloved four-year-old son, Conor, died in a freak accident. At an earlier time Eric might have coped with this tragedy by fleeing into a world of addiction. But now a much stronger man, he took refuge in music, responding with the achingly beautiful "Tears in Heaven." Clapton is the powerfully written story of a survivor, a man who has achieved the pinnacle of success despite extraordinary demons. It is one of the most compelling memoirs of our time.

The Inside Story of Stevie Ray

Vaughan Rowman & Littlefield

This is the true story of Canadian stroke survivor Peter Fee, a mature, professional businessman whose life was drastically impacted when he suffered a stroke in his 50th year. Peter has since been undergoing the process of rehabilitation at a few Toronto area hospitals, including programs of traditional physiotherapy. Having been discharged from outpatient rehab programs, Peter had reached a plateau in his recovery. He then began and continues his quest for alternate and further possibilities of rehab and recovery. After being home for nearly two years since his initial admission to hospital, Peter began researching numerous other avenues, techniques and equipment for self-therapy and recovery which include acupuncture, TCM (Traditional Chinese Medicine), Taoist Tai Chi and other miscellaneous traditional aids. He continues with these options to this day. This is the story of his life including his youth, maturing and growth, professional career and near-death, as well as his physical recovery progress and experiences to date. Peter's story is not complete as of the printing of this book because he is continuing his recovery efforts. For this reason, Peter has already started writing his second book. He continues to make daily progress. He is determined.

Eric Clapton Sheet Music Anthology

AuthorHouse

The Complete Guitar Player Rock Songbook features a massive collection of 50 hard-rocking hits from the best of classic and contemporary rock music for Guitar. Diary of a Canadian Stroke Survivor (Book L) Hal Leonard Corporation

"The train jerks to a halt, and as I get out at Oxford Circus, Stewart gets out with me. We look at each other, laugh, and make the standard remark about it being a small world. But this is the brilliant collision, one train later and it might all have turned out differently." In this extraordinary memoir, world-renowned guitarist Andy Summers provides a revealing and passionate account of a life dedicated to music. From his first guitar at age thirteen and his early days on the English music scene to the ascendancy of his band, the Police, Summers recounts his relationships and encounters with the Big Roll Band, Jimi Hendrix, Eric Clapton, the Animals, John Belushi, and others, all the while proving himself a master of telling

detail and dramatic anecdote. But, of course, the early work is only part of the story, and Andy's account of his role as guitarist for the Police---a gig that was only confirmed by a chance encounter with drummer Stewart Copeland on a London train---has been long-awaited by music fans worldwide. The heights of fame that the Police achieved have rarely been duplicated, and the band's triumphs were rivaled only by the personal chaos that such success brought about, an insight never lost on Summers in the telling. Complete with never-before-published photos from Summers's personal collection, *One Train Later* is a constantly surprising and poignant memoir, and the work of a world-class musician and a first-class writer.

(Book). Rikky Rooksby's revised and updated bestseller explores more than

200 classic riffs, from Cream and Led Zeppelin, through Nirvana and Soundgarden, to Metallica, U2, and the White Stripes. The first half of the book analyzes classic rock riffs and reveals the stories behind their creation. Easy-to-read text describes and explains each riff, supported by illustrations and audio examples. The book's second section shows how to construct great riffs and why they work. Readers learn how to shape a melody, integrate a guitar riff with the rest of a song, enhance a riff with effects, and work with intervals and scales to build riffs.

[Eric Clapton Crown](#)

Recounts the life and career of the inventive and controversial rock musician, and includes information on his philosophies on art, his opinions on the music industry, and his thoughts on raising children.
