---	--	--

Lectures on Kant's Political Philosophy, the core of the present volume, are an exposition of Kant's aesthetic and political writings, designed to show that the Critique of Judgment contains the outlines of a powerful and important political philosophy—one that Kant himself did not develop explicitly. In addition to a general introduction assessing Kant's political thought in terms of his

fundamental principles of politics, this edition also contains such useful student aids as notes on the texts, a comprehensive bibliography and a new postscript, looking at some of the principal issues in Kantian scholarship that have arisen since the first edition. **PDF Kant Political Writings Free Download | Download PDF ...** Cambridge Texts in the History of
