"You want the dreams  
they dreamed of to  
come true-Then They  
Do." That line from one  
of country music's best  
songs in recent  
memory pretty much  
sums up the way  
millions of parents feel  
about their children.

Many times as they are  
growing up and driving  
you crazy, you dream  
of when they will be  
out of the house-and  
you will have your life  
back again-and then  
they do. Then They Do  
is filled with  
heartwarming, and  
sometimes tear-  
inducing, stories from  
parents about  
cherishing the  
moments with your  
children and

celebrating the fine young men and women they have become. This book will serve as a reminder to parents to seize those moments when their tiny ones are still underfoot, and will be a nostalgia-inducing keepsake for those whose children have moved upwards and onwards. A fine gift for parents young and old or for grown children in the midst of raising their own families.

 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve

Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807- c.1875) was an American abolitionist

and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a

mystery, though it is thought that he struggled to cope with family life after being freed.

Based on the song that President Joe Biden quoted in his inaugural address, this picture book celebrates the beauty and diversity of this country and the legacies on which we build our future. As

President Joe Biden delivered his inaugural address, he quoted from a song that fully captured his own spirit of service: “The work and prayers of centuries have brought us to this day. What shall be our legacy? What will our children say? Let me know in my heart, when my days are through—America, America, I gave my best to you.” It was a sentiment that spoke not only to our new president’s character, but to the sense of pride in duty and purpose for the sake of a country we hold dear. And it contained a message of quiet patriotism that so many of us hope to share with the next generation. In this new picture book, using the full text of the song

President Biden quoted, we do just that. With words that speak to the soul of our nation, and art from twelve different illustrators, all depicting what America means to them, we take readers on a journey through this beautiful country—its history, its struggles, and its dignity—and throughout, we count our own blessings and think about how we can do more to share them with others, and give our best to our country and everyone in it.
