This stunning fantasy inspired by Chinese folklore is a companion novel to *Starry River of the Sky* and the New York Times bestselling and National Book Award finalist *When the Sea Turned to Silver*. In the valley of Fruitless mountain, a young girl named Minli lives in a ramshackle hut with her parents. In the evenings, her father regales her with old folktales of the Jade Dragon and the Old Man on the Moon, who knows the answers to all of life's questions. Inspired by these stories, Minli sets off on an extraordinary journey to find the Old Man on the Moon to ask him

how she can change her family's fortune. She encounters an assorted cast of characters and magical creatures along the way, including a dragon who accompanies her on her quest for the ultimate answer. Grace Lin, author of the beloved *Year of the Dog* and *Year of the Rat* returns with a wondrous story of adventure, faith, and friendship. A fantasy crossed with Chinese folklore, *Where the Mountain Meets the Moon* is a timeless story reminiscent of *The Wizard of Oz* and Kelly Barnhill's *The Girl Who Drank the Moon*. Her beautiful illustrations, printed in full-color, accompany the text throughout. Once again, she has created a charming, engaging book for young readers. *The Glass Castle* Simon & Schuster Children's She was supposed to be just a job. A paycheck. Now she's his destiny. Talia hadn't planned on dying today. But accidentally defying the Supernatural Council isn't exactly a wise life plan. When she did her duty and touched a bloody knife to determine

guilt or innocence, her vision seemed...off. So was Councilman Gideon's rush to declare a shivering child guilty of murder. Now Talia's trying to lose herself in the West Virginia mountains with the child in tow. And the mercenary on their tail has an uncanny ability to find them, no matter how far they run. Kirin's dragon-shifter senses make him the most sought-after bounty hunter in these parts. But something about this job smells...wrong. And when he finally gets his hands on the fugitive, he gets the surprise of his nearly three-hundred-year life. The fragile, determined woman in his arms is the mate he'd given up all hope of finding. Now instead of breathing down her neck, he's bound to protect her at all costs. But if they can't figure out who wants this child dead—and why—they could all wind up sharing the same grave.

The Fight to Save Tigers in a Land of Guns, Gold, and Greed Chosen Books

While drawing in class to avoid listening to a story from his painfully boring teacher at Stagwood School, 12-year old Cal sees a frog staring at him through the window. Odder than that is the fact that this frog happens to be wearing glasses. Cal and his best friend, the tactless but loyal Soy, learn that the frog (who prefers the name Deli) has sought them out for a reason. When a school administrator named Ream reveals himself to be a dragon, the boys discover that fairytales are real, and that there is magic afoot in Stagwood. With Ream on their tail, the trio must unearth a powerful tool protected by riddles and rite (the magic that fuels nightmares) to save the fate of all fairytales past. Their only means of conveyance, Cal's now-flying bed, takes them on a journey beyond the home of the fairies (a cloud floating somewhere over Iceland) to set things right. But, before Cal can defeat Ream and his kidnapped army of fairies, he has to deal with Soy's knack for arguing with magical creatures, discover the truth about Deli's identity, and earn his place as the hero of the story. *The Guardians of Lore* is a middle grade novel that centers around two life-long friends, infusing humor and fantasy-based riddles into a modern fairytale. This is an exceptionally written intriguing piece of work that enthuses and imbues curiosity in young readers to discover the unknown with a spirit of adventure. Ideally, this is a book for children who enjoy folklore, mythical creatures and fairy tales.

Life in the Valley of Death Simon and Schuster

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Lost Among the Ghosts of Empire in Central Asia Simon and Schuster

Sure, you think you know the story of the fearsome red dragon, Dragonia. How it terrorized the village of Skendrick until a brave band of heroes answered the noble villagers' call for aid. How nothing could stop those courageous souls from facing down the dragon. How they emerged victorious and laden with treasure. But, even in a world filled with epic adventures and tales of

derring-do, where dragons, goblins, and unlicensed prestidigitators run amok, legendary heroes don't always know what they're doing. Sometimes they're clueless. Sometimes beleaguered townsfolk are more hapless than helpless. And orcs? They're not always assholes, and sometimes they don't actually want to eat your children. Heloise the Bard, Erithea's most renowned storyteller (at least, to hear her tell it), is here to set the record straight. See, it turns out adventuring isn't easy, and true heroism is as rare as an articulate villager. Having spent decades propagating this particular myth (which, incidentally, she wrote), she's finally able to tell the real story—for which she just so happened to have a front-row seat. Welcome to Erithea. I hope you brought a change of undergarments—things are going to get messy.

Until it was pulled down, the Walled City was Hong Kong's most foreboding territory. It was a lawless place, dominated by the Triads, and which the police hesitated to enter. Strangers were unwelcome. Drug smuggling and heroin addiction flourished, as did prostitution and pornography, extortion and fear. When Jackie Pullinger set sail from England in 1966 she had no idea that God was calling her to the Walled City. Yet, as she spoke of Jesus Christ, brutal Triad gangsters were converted, prostitutes quit, and Jackie discovered a new treatment for drug addiction: baptism in the Holy Spirit.

In 1987, zoologist Alan Rabinowitz was invited by the Thai government to study leopards, tigers, and other wildlife in the Huai Kha Khaeng valley, one of Southeast Asia's largest and most prized forests. It was hoped his research would help protect the many species that live in that fragile reserve, which was being

slowly depleted by poachers, drug traffickers, and even the native tribes of the area. *Chasing the Dragon's Tail* is the remarkable story of Rabinowitz's life and adventures in the forest as well as the streets of Bangkok, as he works to protect Thailand's threatened wildlife. Based on Rabinowitz's field journals, the book offers an intimate and moving look at a modern zoologist's life in the field. As he fights floods, fire-ant infestations, elephant stampedes, and a request to marry the daughter of a tribal chief, the difficulties that come with the demanding job of species conservation are dramatically brought to life. First published in 1991, this edition of *Chasing the Dragon's Tail* includes a new afterword by the author that brings the story up to date, describing the surprising strides Thailand has made recently in conservation. Other titles by Alan Rabinowitz include *Beyond the Last Village* and *Jaguar*.

Inside Hong Kong was the infamous Walled City. Strangers were not welcome there. Police hesitated to enter. It was a haven of filth, crime, and sin. Prostitution, pornography, and drug addiction flourished. Jackie Pullinger had grown up believing that if she put her trust in God, He would lead her. When she was twenty years old, God called her to the Walled City. She obeyed. And as she spoke of Jesus Christ, brutal hoods were converted, prostitutes retired from their trade, and heroin junkies found new power that freed them from the bondage of drug addiction. Hundreds discovered new life in Christ. Chasing the Dragon tells the whole amazing story exactly as it happened. Equally amazing has been the reach of this ministry, now detailed in this updated and revised edition. From Hong Kong to the Philippines, Thailand, and beyond, the ministry that started with Jackie and her friends taking people in to live and care for them has continued and developed to form the present St. Stephen's Society. Readers will be inspired by this tale of trust and loving like Jesus.
