*A Letter to the Rev. E.B. Pusey, in Reference to His Letter to the Lord Bishop of Oxford* Wm. B. Eerdmans Publishing  
In this fast-moving modern world, an overwhelming number of fathers are missing from their families. Many of those who remain either do not understand their responsibilities or they simply ignore them. This is no small matter. Sons and daughters rely on dads to be the character-builders of the family, the ones who anchor the family and teach how to be individuals of integrity. Geared for youth, young adults, and parents, this guidebook provides practical knowledge that will help the reader confront the challenges of relationships and work while remaining devoted to Biblical principles. This guidebook helps young men and women discover family values. It also helps parents who want to

share these values with their children. God gave mothers inherent abilities to nurture their babies. These abilities, combined with their wonderful gift of life, create mother and child relationships that exceed normal understanding. Girls, you have this very special gift; learn how to protect it and not abuse or diminish it. Worthy insights deliver valuable lessons about life, work, and faith. You will gain a positive perspective on how to confront important issues such as developing a character for success, understanding Biblical principles, re-establishing moral values, building family and other important relationships, preparing for and landing a good job, establishing a career, starting a business, understanding the free enterprise system, and securing financial freedom. Word for Word: Writing for Self-Discovery, Spiritual Renewal and Community Building Zondervan

Many pastors—just like the rest of the population--lack a basic understanding of financial and administrative matters. Most of us feel unprepared in matters of personal budgeting, health insurance, retirement savings and taxes. Finance and administration are often considered tedious, un-compelling, even 'vile' tasks. But pastors are required to offer leadership around these issues in a congregation. And so, since their pastors are poorly equipped in this area, many congregations struggle

with budgeting, accounting, staff management, employee benefits, tax and basic legal matters. Author Nate Berneking, attorney and MDiv., manages the finance and administration of a large denominational organization, and offers his expert counsel and practical advice here. *Vile Practices* provides theological language to equip pastors and other leaders to translate these matters for themselves, so that they can effectively lead their congregations. The first part of the book explores several personal matters for pastors, from budgeting to taxes. The second part demonstrates how to lead congregations in their own financial and administrative matters. *The Vile Practices of Church Leadership* B&H Publishing Group

Join beloved Bible teacher Margaret Feinberg as you learn how to move from simply reading Scripture to entering stories that can be touched, tasted, smelled, and savored. The Bible is full of clever plots and compelling stories, laced with historic insights and literary beauty. But despite its richness and depth, many of us struggle to close the gap

between the ancient world and our own. What does it mean to know that Jesus is the Good Shepherd when the only place you've encountered sheep is at a petting zoo? How can you understand the promise of a land overflowing with honey when you buy yours in a bear-shaped bottle? Can you truly grasp the urgency of Jesus' invitation to abide in the vine when you shop for grapes at a local grocery store? In *Scouting the Divine*, Margaret invites you to accompany her on the adventure of a lifetime across the nation to herd sheep in Oregon, harvest fields with a Nebraska farmer, prune vines in California, and explore hives with a veteran beekeeper in Colorado. Along the way, you'll explore how ancient livelihoods illuminate meaningful truths that apply to life today. With Margaret's trademark humor and vulnerability, you'll: Learn the secret of how to live like you have a shepherd Unlock the sweetest promises of God Discover the gift of divine timing *Scouting the Divine* will revolutionize the way you understand the Bible--and leave you wonderstruck by the magnificence of God.

The India Commentary on the New Testament (ICNT) series aims to give a well-informed exposition of the meaning of the text and relevant reflections in everyday language from a contemporary Indian context. The intended audience is the theological seminary or bible college, both students and faculty. The commentaries are also ideal for pastors and lay people with an interest in theology or responsibilities for preaching in the local congregation. The commentaries are culturally rooted, and the various applications relating to culture, society, and religious life will help those involved with cross-cultural evangelism and mission work. There is no direct equivalent to the ICNT,

and hence, this is the first Indian commentary serving India, the entire subcontinent--India, Nepal, Bangladesh, and Sri Lanka--and the world. The ICNT is an affordable evangelical commentary series written by respected academics in everyday language, providing a well-informed meaning of the New Testament and practical reflections for modern India.

obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

In this commentary G. Walter Hansen offers rich exposition of the text of Philippians as well as wisdom and maturity in its application. In so doing he emphasizes partnership--the social and corporate dimensions of community--in the progress of the gospel. After a select bibliography, Hansen's introduction sets forth the historical setting of the church in Philippi, the nature and occasion of the letter, and a preview of two key themes--the gospel of Christ and the community in Christ. The commentary itself discusses Philippians in light of these themes, considering Paul's greetings, reports of gospel ministry, imperatives for citizens worthy of the gospel, recommendations of two Christ-like servants, and disclosures of his personal experience. Hansen's

treatment as a whole is distinctive for the way it draws out and highlights the themes of partnership, citizenship, and friendship in Paul's Philippian letter. "With themes and emotions so varied, the letter to the Philippians needs a commentator with a sure grasp and a warm heart. . . Hansen writes with admirable clarity and simplicity, even when he is unpacking notoriously complex matters." -- D. A. Carson (from the preface)

*Letter from the Secretary of the Treasury, Transmitting His Annual Report on the State of the Finances* B&H Publishing Group

In America, as in Britain, the Victorian era enjoyed a long life, stretching from the 1830s to the 1910s. It marked the transition from a pre-modern to a modern way of life. Ellen Harmon White's life (1827-1915) spanned those years and then some, but the last three months of a single year, 1844, served as the pivot for everything else. When the Lord failed to return on October 22, as she and

other followers of William Miller had predicted, White did not lose heart. Fired by a vision she experienced, White played the principal role in transforming a remnant minority of Millerites into the sturdy sect that soon came to be known as the Seventh-day Adventists. She and a small group of fellow believers emphasized a Saturday Sabbath and an imminent Advent. Today that flourishing denomination posts eighteen million adherents globally and one of the largest education, hospital, publishing, and missionary outreach programs in the world. Over the course of her life White generated 70,000 manuscript pages and letters, and produced 40 books that have enjoyed extremely wide circulation. She ranks as one of the most gifted and influential religious leaders in American history and this volume tells her story in a new and remarkably informative way. Some of the contributors identify with the Adventist tradition, some with other Christian denominations, and some with no religious tradition at all. Their essays call for White to be seen as a significant

figure in American religious history and for her to be understood within the context of her times.

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis  
This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who

are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally.

Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

 Power through Testimony documents how survivors are remembering and reframing our understanding of residential schools in the wake of the 2007 Indian Residential Schools Settlement Agreement and the Truth and Reconciliation Commission (TRC), a forum for survivors, families, and communities to share their memories and stories with the Canadian public. The commission closed and reported in 2015, and this timely volume reveals what happened on the ground. Drawing on field research during the commission and in local

communities, the contributors document how residential schools have been understood and represented by various groups and individuals over time; how survivors are undermining colonial narratives about residential schools; and how the churches and former school staff are receiving or resisting the "new" residential school story. Ultimately, Power through Testimony questions the power of the TRC to unsettle dominant colonial narratives about residential schools and transform the relationship between Indigenous people and Canadian society.
