You will get lost in the story of romance and mystery surrounding the Beale Treasure and two missing people.

Based in the Blue Ridge Mountains of Virginia, Treasure Lust captures the scenery and legends that surround the infamous treasure. Damon has to outsmart unforeseen enemies and answer unanswerable questions while

courting his lifelong crush Lora. The outrageous characters and their hidden secrets come to light as investigators dig into the personal history of several influential city figures. This digging leads to murder, tragic accidents, broken relationships and romance. *Treasure Lust* follows in the footsteps of my other two books; *MANA: A loved ones Bi-polar Mania* and *REDRUM: Murder in DC*; by combining my experiences with fiction to create a story of adventure and mystery. My life has given me great insight into people and how they react in many circumstances. I was a police officer and detective with three police departments in

Virginia. One of my daughters was a police detective and my son is now a police officer. I served in the U. S. Army from 1963 to 1966 during the Vietnam Conflict. As a Vietnam veteran, I have experienced human behavior at its worst and its best. As a police officer I have an inside knowledge of the working of not only the police department, but also the criminal mind.

Knights of Columbus

Lulu Press, Inc

A humiliating childhood incident made Lady Amelia Bainbridge vow to avoid Lord Ryder Stanbury. Yet, years later, Ryder comes to her rescue. Shocked to recognize her ring, he realizes she's connected somehow to the Templar treasure he and fellow knights

brought back to England-riches that not only bring him and Amelia a second chance at love but perilous secrets.

A compelling argument that connects the lost treasure of the Knights Templar to the mysterious money pit on Oak Island, Nova Scotia, that has baffled treasure hunters for two centuries •

Fascinating occult detective work linking the Cathars, the Scottish Masons, and Renne-le-Chateau to the elusive treasure pit on Oak Island • Draws on new evidence recently unearthed in Italy, France, and Scotland to provide a compelling solution to one of the world's most

enduring mysteries
When the Order of Knights Templar was ruthlessly dissolved in 1307 by King Philip the Fair of France it possessed immense wealth and political power, yet none of the treasure the Templars amassed has ever been found. Their treasure is rumored to contain artifacts of spiritual significance retrieved by the order during the Crusades, including the genealogies of David and Jesus and documents that trace these bloodlines into the royal bloodlines of Merovingian France. Placing a Scottish presence in the New World a century before Columbus, Steven Sora paints a credible scenario that has the Sinclair clan of Scotland transporting

the wealth of the Templars--entrusted to them as the Masonic heirs of the order--to a remote island off the shores of present-day Nova Scotia. The mysterious money pit there is commonly believed to have been built before 1497 and has guarded its secret contents tenaciously despite two centuries of determined efforts to unearth it. All of these efforts (one even financed by American president Franklin Delano Roosevelt) have failed, thanks to an elaborate system of booby traps, false beaches, hidden drains, and other hazards of remarkable ingenuity and technological complexity.

Watch out young ladies, he's a hottie!

We've also raised the questions on how music can change your personality, and how to build your brand by being you!

The Black Knight Trine Day

In the magical kingdom of Evergreen, beautiful Princess Elena is suddenly whisked away by an old woman. Undefeated champion Gallant and shy bookworm Earnest go on a quest to find “the greatest treasure in the land” so one of them can save and marry the princess. Along the way, Earnest and Gallant realize “the greatest treasure in the land” is not what they expected. This is a 28-page, full-color, illustrated children's adventure picture book with a same-sex marriage.

Mike the Knight
Be careful what you wish for. Your dream might come true. This is a humorous story about Chad Smith who had his greatest hope fulfilled but with results he could never have imagined. His ambition was to play ball in the Major League. Only one thing held him back from playing professional baseball in the majors. Through a freak accident this shortcoming is removed but the transformation leads to an unorthodox style of play. His success arouses a number of emotions in the other players, team managers and owners of the baseball teams. He is swept away into a beehive of controversy.

The Templar Treasure
Simon and Schuster

Following author Tobias Wabbel's research and investigation throughout Europe, this book solves the mystery of the treasure of the Knights Templar. The most up-to-date archeological and historical information is discussed, from the history of the Knights Templar and the history of the Israelites and the Ark of the Covenant, to medieval literature and Gothic cathedral architecture. Disproving common theories—the Knights Templar never guarded the pilgrimage ways in Palestine, there is no Priory of Sion, there is no bloodline from Jesus to the present day, and there is no authentic Shroud of Turin—the book also proves the existence of the sacred Ark of the Covenant,

also known as the treasure of the Knights Templar, which is still hidden in France. Wabbel researched iconography in the architecture of cathedrals and chapels, and found more evidence in texts and inscriptions that led to his theory on the location of the Templar treasure. Both a travel guide to the secrets of the treasure of the Knights Templar and a fascinating read, this book will shake commonly held beliefs on this interconnected history and renew the interest in it.

The Lost Treasure of the Knights Templar
Forever

Love the Knights Templar? Are you fascinated with the freemasons, Christian Crusades or Oak Island treasure? This cross

keepsake is great for anyone who loves history, artifacts, The Deus Vult Templar Cross, the Order of Solomons Temple or The Holy Grail. Say you love the Knights Templar with this Medieval souvenir. Indiana Jones, Clive Cussler or Dan Brown's Robert Langdon novels, you will love this series ...

Doxology Simon and Schuster
"Who are we?" Ms. Johansson asks her class of fifth graders. Her perplexed students soon discover the lesson she wants them to learn. While studying the founding of their country, the class is challenged to understand the melting pot that makes up the American people-both past and present. With the help of a genealogist, students learn to navigate websites that introduce them to written records that have documented their families' histories. Because the class is comprised of students with roots to many nationalities and ethnic

groups, including African American, Native American, Mexican, Cuban, Irish, Italian, Polish, Scandinavian, Lebanese, and Japanese immigrants, the diversity in their own class becomes apparent. To assist in their research, the teacher gives the students an assignment of interviewing their parents and grandparents, to learn more about the members of their families. One by one, the young people hear family stories connecting them to America's earliest immigrants and settlers. The students also learn about historical events their ancestors witnessed or experienced, including the early settlement of

Virginia, the American Revolution, the Underground Railroad, the Trail of Tears, the Lewis and Clark Expedition, early immigration processing at Ellis Island, the Tuskegee Airmen, and the Holocaust. As the story unfolds, some personal conflicts occur among the students, long-standing family tensions surface, and intergenerational relationships evolve. Complex issues such as privacy, adoption, diversity, immigration, slavery, and antisemitism are addressed in an age-appropriate manner. Excited by what they have discovered, the students plan a program to share their findings with their families. Working together in small groups, they create a

slide presentation of vintage photographs, a fashion show demonstrating various ethnic attire, music and food from different cultures, and visual displays showcasing military medals, artifacts, musical instruments, and family heirlooms. Their family history project further inspires the students to want to do something more to honor past generations. With the help of a cemetery preservationist, they plan a clean-up day at a local graveyard in need of attention. Parents, grandparents, brothers, and sisters join the class on a Saturday to help restore the final resting place of those who came before them. As a result of their research project, the

students not only discover personal connections to the past but also, in some cases, to each other.

With this book of Mike The Knight, children can push buttons, lift the flaps, to learn new words! The 5 sound buttons, using sound effects or spoken words, match images in the book for lots of interactive fun! Book includes 5 story spreads and 3 AG-13 button cell batteries.

#4 Treasures of the Knights Templars: Sam 'n Me(TM) Adventure Books Albert Whitman

This book is a paean of the glory of God: a doxology, containing many of C.J.S.

Hayward's recent works of Eastern Orthodox Christian theology. The works

are varied, but illuminated by common themes, chief among them the Sermon on the Mount and the Bible and Philokalia and their practical and poignant in spirituality in hard times and global economic (and political) crisis. ABOUT THE AUTHOR: C.J.S.

(Jonathan) Hayward wears many hats: author, philosopher, theologian, artist, poet, wayfarer, philologist, inventor, web guru, teacher. He is an Eastern Orthodox Christian, has lived in the U.S., Malaysia, England, and France, and holds master's degrees bridging math and computers (UIUC), and philosophy and theology (Cambridge). He has websites at JonathansCorner.com and CJSHayward.com. Forever

Some brides don't have all the luck. Adela Macleod has been kidnapped, held hostage (Lady's Choice), and on the eve of her wedding, watches her ancient husband, Ardelve, collapse during their wedding feast. Seeking escape from all her would-be comforters in the pitch-blackness of a fog-shrouded night, she meets a stranger with a soothing voice who will not even tell her his name. Sir Robert Logan is a serving knight who has long since left his family. No sooner does Rob meet the sorrowful but determined Lady Adela than he finds himself forced to take up his family duties again. Rob inherits his father's title and estates as the third baron Lestalric. But

with rumours flying that the two of them clearly conspired to murder the second baron and his heir, as well as Ardelve, Rob and Adela become partners in the fight against common enemies. And as they work together to discover the truth, Rob and Adela realise that sometimes the best relationships aren't about luck. Sometimes it's about love.

Wal now, like I've been
tellin ya we're treasure
hunters 'n there's three
of us now. If ya've
been trackin us ya
know we found a third
treasure that near
yanked our eyeballs
right outa our heads
lookin at it. Now we're
on the trail of another
treasure that was hid

centuries ago. It's the treasures of the Knights Templar. They was the Christian army defendin the church, 'n fightin in the name of it, fer nearly two hunder't years. This was way back when the church was the most powerful force on earth. Big Mike found a book describin a monastery on the Limpopo River in South Africa that was founded by the Poor Fellows-Soldiers of Christ. They was the ones that later turned into the Knights Templar. They'd been servin the church since the time of King Solomon 'n was mighty proud of their heritage. Durin all the time they was fightin the crusades 'n such, they was pillagin everthin they could lay their hands on that looked

valuable. They gave a great deal of what they took 't the church but the church wanted 'em 't hide a bunch of it too. Sam 'n Big Mike believed the Knights Templar had hidden away an enormous amount of wealth nobody but the Knights Templar themselves knew bout. After a couple of hunder't years of servin the church, the church turned on 'em 'n even killed some of the Knights Templars off. The secret 't where all that loot they hid had been lost fer centuries. Sam figured there might be some kind of link between them monastery treasures we found 'n the Knights Templar. That's what set us off 't see if we could find the monastery down there by the Limpopo River.

Yer gonna be surprised at what we found. I hope ya got yer legs pard cause yer gonna need 'em. Gramps Richard Knight's Treasure! Simon and Schuster

Secret Diaries, Coded Maps, and the Knights of the Golden Circle Lyrical Press

Have you ever wondered how the Knights Templar's were

created Why they frightened the Church so much with their secrets Or why they were destroyed and evolved into modern day Freemasonry Well this is a completely revised and readable account of the history of the founding of the Knights Templar. Why they were founded. What the treasure was that they found and why it frightened the church so much. It was NOT THE POPULAR MYTHS of holy grail etc. How they were destroyed and who conspired to destroy them and how they formed into the present day Freemasons. Written by a Freemason who has tried to understand all the Masonic Orders and their ceremonies that he has joined. The interpretations of

which gives a very enlightening insight into politics and religion of the last 3000 years. The hypothesis on the treasure is something that is not currently in the public domain except for the first edition of the book and is entirely new. The book is also a myth buster and conspiracy debunker.

Join Kaye, Reggie, and Beau as they search for hidden clues, secret passages, a lost castle treasure, and their place in the world in this fast-paced adventure.

Knights Templar Since 1099 Deus Vult Inner Traditions

Explores the legacy of a Civil War-era secret society, the Knights of the Golden Circle, and describes efforts to crack the society's system of codes and symbols to identify hidden treasure sites across the American south and west.

Sir Gawain and the Green Knight

Createspace
Independent Pub
An investigation into the lost treasures of Jesse James and the Freemasons and their connections to the Templars, Rosicrucians, and the Founding Fathers • Explains how Jesse James used techniques involving sacred geometry, gematria, and esoteric symbols to hide his treasures and encode maps • Provides instructions for using the encoding template employed by Jesse James and the Freemasons to hide and recover treasure and sacred relics • Shows how the encoding template confirms the existence of treasures on Oak Island and Victorio Peak and can be traced

to a 16th-century book containing a secret map of the New World and the "hooked X" of the Knights Templar. Jesse James left behind secret diaries and coded treasure maps. Working to decrypt these maps, Daniel J. Duke--the great-great grandson of Jesse James--reveals hidden treasures yet to be recovered as well as connections between the infamous train robber and Freemasonry, the Knights Templar, the Founding Fathers, and Jewish mysticism. The author explains how Jesse James faked his death and lived out his final years under the name James L. Courtney. He uncovers James' affiliation with the Knights of the Golden Circle, a secret society that buried

Confederate gold across the United States, and shows how the hidden treasures coded into James' maps were not affiliated with the KGC but with the Freemasons, the Knights Templar, and the treasure of the Temple Mount. Using sacred geometry, gematria, and the Kabbalistic Tree of Life symbol, the author explains the encoded map technique used by the Freemasons to hide and later recover treasures, an esoteric template known as the "Veil". He shows how the Veil template confirms the locations of Jesse James' recovered treasures in Texas as well as other suspected treasure locations, such as the Oak Island Money Pit and Victorio Peak in

New Mexico. Tracing knowledge of the Veil template back through the centuries, the author reveals the Veil hidden on the cover of a 16th-century book that contains a secret map of the New World and the “hooked X” symbol of the Knights Templar. He shows how the template was used not only to hide treasures but also sacred knowledge and relics, such as within the Bruton Vault, which originally contained

secrets tied to Francis Bacon, the Freemasons, the Rosicrucians, and the founding of the United States. Applying the Veil template alongside the esoteric secrets of Poussin’s famous painting, Et In Arcadia Ego, and Cassini’s Celestial Globe, Duke shows how the template reveals other Templar and Freemason treasure sites scattered throughout America and around the world.
