As human beings, we are created with desires. We all long for meaningful relationships, lives that reflect goodness, engagements with beauty, and the freedom to pursue our lives with integrity. But where can our restless hearts find fulfillment for these universal longings? Philosopher and apologist Greg Ganssle argues that our widely shared human aspirations are best understood and explained in the light of the Christian story. With grace and insight, Ganssle explains how the good news of Jesus Christ makes sense of—and fulfills—our deepest desires. It is only in the particular claims of the Christian faith, he argues, that our universal human aspirations can find fulfillment and our restless hearts will be at peace.

For fans of *The Paris Wife*, a sparkling glimpse into the life of Edith Wharton and the scandalous love affair that threatened her closest friendship. They say that behind every great man is a great woman. Behind Edith Wharton, there was Anna Bahlmann—her governess turned literary secretary and confidante. At the age of forty-five, despite her growing fame, Edith remains unfulfilled in a lonely, sexless marriage. Against all the rules of Gilded Age society, she falls in love with Morton Fullerton, a dashing young journalist. But their scandalous affair threatens everything in Edith's life—especially her abiding ties to Anna. At a moment of regained popularity for Wharton, Jennie Fields brilliantly interweaves Wharton's real letters and diary entries with her fascinating, untold love story. Told through the points of view of both Edith and Anna, *The Age of Desire* transports readers to the golden days of Wharton's turn-of-the-century world and—like the recent bestseller *The Chaperone*—effortlessly re-creates the life of an unforgettable woman.

In this bewitching debut novel, a sensitive teen, newly arrived in Alabama, falls in love, questions his faith, and navigates a strange power. While his German parents don't know what to make of a South pining for the past, shy Max thrives in the thick heat. Taken in by the football team, he learns how to catch a spiraling ball, how to point a gun, and how to hide his innermost secrets. Max already expects some of the raucous behavior of his new, American friends—like their insatiable hunger for the fried and cheesy, and their locker room talk about girls. But he doesn't expect the comradery—or how quickly he would be welcomed into their world of basement beer drinking. In his new canvas pants and thickening muscles, Max feels like he's "playing dress-up." That is until he meets Pan, the school "witch," in Physics class: "Pan in his all black. Pan with his goth choker and the gel that made his hair go straight up." Suddenly, Max feels seen, and the pair embarks on a consuming relationship: Max tells Pan about his supernatural powers, and Pan tells Max about the snake poison initiations of the local church. The boys, however, aren't sure whose past is darker, and what is more frightening—their true selves, or staying true in Alabama. Writing in verdant and visceral prose that builds to a shocking conclusion, Genevieve Hudson "brilliantly reinvents the Southern Gothic, mapping queer love in a land where God, guns, and football are king" (Leni Zumas, author of *Red Clocks*). *Boys of Alabama* becomes a nuanced portrait of masculinity, religion, immigration, and the adolescent pressures that require total conformity.

In his groundbreaking book, *The Journey of Desire*, John Eldredge invites readers to: Rediscover their God-given desire. Abandon resignation. Search again for the life they once dreamed of. Sometimes it seems we just can't get what we want. Circumstances thwart our best-laid plans. We struggle to live a heartfelt life. Worst of all, says Eldredge, the modern church mistakenly teaches its people to kill desire (calling it sin) and replace it with duty or obligation (calling it sanctification). As a result, at best Christians tend to live safe, boring lives of resignation. At worst, their desire eventually breaks out in destructive ways such as substance abuse, affairs, and pornography addictions.

Have you ever found yourself thinking: "This isn't a big deal. I'm naturally wired this way. All guys struggle with this kind of thing." But at the same time feeling: "I hope she never finds out. I can't be authentic with people I care about the most. I always have something to hide." Such is the nature of the trap of sexual struggles, pornography, and addiction. Research shows that a majority of men struggle with sexual purity. They are slaves to their hormones and desires. As Nick shares his journey, you will discover how God shows up in unexpected ways and places to bring true and lasting freedom. This isn't just another how-to book on trying to control your behavior. This is the story of redemption-how God redeems what has been broken and recreates something awesome in a man's heart.

Faith is joy is love is hope in this novel of exquisite power and everyday miracles, reminiscent of Barbara Kingsolver's *THE POISONWOOD BIBLE*. Thomas can see things no one else can see. Tropical fish swimming in the canals. The magic of Mrs. Van Amersfoort, the Beethoven-loving witch next door. The fierce beauty of Eliza with her artificial leg. And the Lord Jesus, who tells him, "Just call me Jesus." Thomas records these visions in his "Book of Everything." They comfort him when his father beats him, when the angels weep for his mother's black eyes. And they give him the strength to finally confront his father and become what he wants to be when he grows up: "Happy."

In *A Map of Desire* Daniel Bergner takes us on a journey into human passion suffered, endured, and celebrated.
