A slow grin spread across his face and I had to turn away from the wattage. It was like staring at the sun. The handsome sun that was making my core temperature rise and causing a hormone dump in my brain. - Shelby Thompson
Personal trainer Jonah Bodine discovers more than he bargained for with the half-siblings he didn't know he had in small-town West Virginia. Not only is his dead father a person of interest in a cold case disappearance, but the entire town seems way too invested in Jonah's happily ever after potential. His summer of solitude in a lakeside cottage is ruined when his matchmaking sister saddles him with an unwanted roommate. Adorable, snort-laughing nerd Shelby Thompson came to Bootleg Springs looking for answers and ends up getting adopted by the town's nosy elders. Maneuvered into sharing a cottage with the handsome trainer, she makes the best of a sticky situation by offering her perpetually shirtless roommate a strings-free summer fling. Jonah is tempted. Very tempted. But Shelby has secrets. And as the Callie Kendall mystery unravels, Shelby's own past comes back to haunt her. The danger is very real and so are the feelings she's developing for Jonah.
Pleasure Buttons: Small-town. Romantic comedy. Romantic suspense. Summer fling. Roommates to lovers. Rescued puppies. Family series. Mystery.

Happily ever after.
Spirits of Just Men NYU Press
College students crammed into phone booths. Couples dancing until they drop. Daredevils swallowing one live goldfish after another. Streakers dashing naked down the street. Planking and flash mobs and robotic pets. These are just some of the crazy fads that have caught hold in the United States over the last century. Where do these ideas come from and why do they catch people's imagination? Fads reflect the mood and spirit of a particular time, and they offer insight into a nation's culture. The 1950s, for example, was a time of economic prosperity and technological development. Americans expressed their delight in new inventions in many creative ways. One popular craze on college campuses was to stuff as many people as possible into a phone booth. On one campus, twenty-five people managed to squeeze into a single booth! In earlier decades, marked by the Depression and World War II, dance marathon frenzy caught on. Promoters lured couples with promises of fame and monetary prizes for those who could dance for hundreds, sometimes thousands, of hours. And great ideas never die. Almost one hundred years later, dance marathons came back. One creative variation, the flash mob dance, attracts spontaneous performances that range from flash mob wedding dances to "Gangnam Style" K-Pop flash mobs in cities all over the world. Fad Mania! explores a century of American crazes, offering an entertaining and informative look at the major historical events of each decade and the fads that defined them. As you learn more about smiley

buttons and Webkinz, you may just be able to predict this decade's next craze!

So Many Beginnings: A Little

Women Remix Vintage

Bonnie and Clyde may be the most notorious--and celebrated--outlaw couple America has ever known. This is the true story of how they got that way. Bonnie and Clyde: we've been on a first name basis with them for almost a hundred years. Immortalized in movies, songs, and pop culture references, they are remembered mostly for their storied romance and tragic deaths. But what was life really like for Clyde Barrow and Bonnie Parker in the early 1930s? How did two dirt-poor teens from west Texas morph from vicious outlaws to legendary couple? And why? Award-winning author Karen Blumenthal devoted months to tracing the footsteps of Bonnie and Clyde, unearthing new information and debunking many persistent myths. The result is an impeccably researched, breathtaking nonfiction tale of love, car chases, kidnappings, and murder set against the backdrop of the Great Depression.

Last Call Penguin

One of New York Public Library's Best Books of 2020 New York Public Library's "New & Noteworthy" "Powerful in its impact while remaining true to its middle-grade audience, Sumrow's latest is unafraid to fully explore how hate, misplaced anger, and racism can affect the relationship between a boy and his father."--Booklist Thirteen-year-old Rebel Mercer yearns for his father's approval. His dad suffers from PTSD and spends time in their basement communicating with a racist, anti-government militia group called the Flag Bearers. He doesn't agree with his dad's ideology, but he isn't exactly speaking out against it either. Can Rebel find his voice when

it's needed the most? Thirteen-year-old Rebel Mercer lives in west Texas with his dad, Nathan, and his aunt, Birdie. His dad is finally home after serving in the military, and Rebel longs for his approval. But something isn't right. His dad has PTSD, and lately he has been spending his time communicating with a racist, anti-government militia group called the Flag Bearers. Rebel doesn't agree with his dad's newfound ideas, but he turns a blind eye to them. So when his best friend Ajeet beats Rebel at a robotics tournament by using one of Rebel's pieces, Rebel begins to wonder if there's some truth to what his dad has been saying, and he lashes out at Ajeet. Expelled from school, Rebel is taken by his dad to the mountains of Oklahoma, where they meet up with the Flag Bearers. Soon his dad is engulfed in the group and its activities, and they're becoming more and more dangerous. When Rebel gets wind of a planned attack on an African American church, he knows that this group has gone too far and innocent people could get hurt. Can Rebel find his voice and stop the Flag Bearers from carrying out their plans before it's too late? The Inside Battle is a gripping story of family, bravery, and speaking up for what's right from author Melanie Sumrow.

Steve Jobs: The Man Who Thought Different Penguin

From kosher wine to their ties to the liquor trade in Europe, Jews have a longstanding historical relationship with alcohol. But once prohibition hit America, American Jews were forced to choose between abandoning their historical connection to alcohol and remaining outside the American mainstream. In *Jews and Booze*, Marni Davis examines American Jews' long and complicated relationship to alcohol during the late

nineteenth and early twentieth centuries, the years of the national prohibition movement's rise and fall. Bringing to bear an extensive range of archival materials, Davis offers a novel perspective on a previously unstudied area of American Jewish economic activity—the making and selling of liquor, wine, and beer—and reveals that alcohol commerce played a crucial role in Jewish immigrant acculturation and the growth of Jewish communities in the United States. But prohibition's triumph cast a pall on American Jews' history in the alcohol trade, forcing them to revise, clarify, and defend their communal and civic identities, both to their fellow Americans and to themselves.

The Stock Market Crash of 1929; A Wall Street Jour Penguin

Traces the rise and fall of alcoholic beverages and the temperance movement in the United States, Prohibition as a social experiment and its effects, both positive and negative, and Repeal.

Hillary Rodham Clinton Simon and Schuster

The provocative true account of the hanging of four black people by a white lynch mob in 1912--written by the great-granddaughter of the sheriff charged with protecting them.

The Inside Battle University Press of Kentucky

BootlegMurder, Moonshine, and the Lawless Years of Prohibition

More Deadly Than War Flash Point
 Bootleggers and Beer Barons is an accurate, wide-ranging, and entertaining account of the illegal liquor traffic during the Volstead Era (1920 to 1933) of prohibition. Based on FBI files, legal documents, old newspapers and other sources, the author offers a coast-to-coast survey of Volstead crime--

outrageous stories of America's most notorious liquor lords, including those who made headlines during Prohibition but are little remembered today.

Readers will find the lesser known Volstead outlaws to be as fascinating as their more famous counterparts. The riveting tales of Max Hassel, Waxy Gordon, Roy Olmstead, Pat Thomas, George Cassiday, and Max "Boo Boo" Hoff will be new to most readers.

Likewise, the exploits of women bootleggers and flying bootleggers are unknown to most Americans. Books about prohibition crimes and criminals usually note that Canadian liquor exporters abetted the U.S. bootleggers, but they fail to go into detail.

Bootleggers and Beer Barons examines the major cross-border routes for smuggling liquor from Canada into the U.S.: Quebec to Vermont and New York, Ontario to Michigan, Saskatchewan to Montana, and British Columbia to the State of Washington.

Bonnie and Clyde Penguin

A riveting biography of the groundbreaking innovator who was a giant in the worlds of computing, music, filmmaking, design, smart phones, and more. A finalist for the YALSA Excellence in Nonfiction Award! "Your time is limited. . . . have the courage to follow your heart and intuition." —Steve Jobs
 From the start, his path was never predictable. Steve Jobs was given up for adoption at birth, dropped out of college after one semester, and at the age of twenty, created Apple in his parents' garage with his friend Steve Wozniack. Then came the core and hallmark of his genius—his exacting moderation for perfection, his counterculture life approach, and his level of taste and style that pushed all boundaries. A devoted husband, father, and Buddhist, he

battled cancer for over a decade, became the ultimate CEO, and made the world want every product he touched, from the Macintosh to the iPhone, from iTunes and the iPod to the Macbook. Critically acclaimed author Karen Blumenthal takes us to the core of this complicated and legendary man while simultaneously exploring the evolution of computers. Framed by Jobs' inspirational Stanford commencement speech and illustrated throughout with black and white photos, this is the story of the man who changed our world. Read more thrilling nonfiction by Karen Blumenthal: *Hillary Rodham Clinton: A Woman Living History* (A YALSA Excellence in Nonfiction Award Finalist) *Bootleg: Murder, Moonshine, and the Lawless Years of Prohibition* *Tommy: The Gun That Changed America* Praise for *Steve Jobs: The Man Who Thought Different: A Biography*: "This is a smart book about a smart subject by a smart writer." —Booklist, starred review "Students who know Steve Jobs only through Apple's iTunes, iPhones, and iPads will have their eyes opened by this accessible and well-written biography." —VOYA "An engaging and intimate portrait. Few biographies for young readers feel as relevant and current as this one does." —The Horn Book Magazine "A perceptive, well-wrought picture of an iconic figure." —Kirkus Reviews "Blumenthal crafts an insightful, balanced portrait." —Publishers Weekly *Gentlemen Bootleggers* Houghton Mifflin Harcourt

A centennial tribute to the beloved ballpark shares the behind-the-scenes story of its tumultuous origins and first year, sharing coverage of such topics as the unorthodox blueprint that belies the park's notorious quirks, the construction contributions of local citizens and the

history-making World Series battle between the Red Sox and the Giants. 25,000 first printing.

Adolescent Girls Write About Their Search for Self Simon and Schuster

Prohibition in the United States For thirteen years, from 1920 to 1933, the transportation and sale of alcoholic beverages were prohibited in America. This "Noble Experiment" was undertaken because its supporters believed that alcohol was the single major cause of both crime and poverty. They believed that prohibiting alcohol would lead to the end of poverty and slum housing in the United States and that prisons and jails would no longer be needed. However, the precise opposite proved to be true. Prohibition led directly to rising crime rates, widespread illegal behavior among ordinary Americans, and a loss of respect for laws, law enforcement, and for the apparatus of government. How could something based on such good intentions go so disastrously wrong? Inside you will read about... ✓ Alcohol in Colonial America ✓ Prohibition Propaganda ✓ The Noble Experiment ✓ Life under Prohibition ✓ Organized Crime and Corruption ✓ Repeal Day And much more! This book tells the story of the temperance movement in America, of its rise over a period of one hundred years to encompass the growing women's movement, and how it eventually attained its goal in 1920. It tells the story of Prohibition itself, of how people exploited loopholes in the law to continue drinking legally, and of how they simply ignored the law and drank illegally. It tells the story of the bootleggers and corrupt officials who made fortunes from Prohibition and the politicians who supported and attacked it. This is the story of a bold experiment undertaken for the very best of reasons

which led to the worst of outcomes. [The Life and Crimes of George Remus, Prohibition's Evil Genius](#) Flash Point Presents an assortment of facts about the qualifications and characteristics of U.S. presidents, from George Washington to Barack H. Obama.

A Biography Skyhorse Publishing Inc. "An excellent and honest book."—The New York Times Book Review

Prohibition Madness Square Fish Four young Black sisters come of age during the American Civil War in *So Many Beginnings*, a warm and powerful YA remix of the classic novel *Little Women*, by national bestselling author Bethany C. Morrow. North Carolina, 1863. As the American Civil War rages on, the Freedpeople's Colony of Roanoke Island is blossoming, a haven for the recently emancipated. Black people have begun building a community of their own, a refuge from the shadow of the "old life." It is where the March family has finally been able to safely put down roots with four young daughters: Meg, a teacher who longs to find love and start a family of her own. Jo, a writer whose words are too powerful to be contained. Beth, a talented seamstress searching for a higher purpose. Amy, a dancer eager to explore life outside her family's home. As the four March sisters come into their own as independent young women, they will face first love, health struggles, heartbreak, and new horizons. But they will face it all together. Praise for *So Many Beginnings*: A *Little Women* Remix "Morrow's ability to take the lingering stain of slavery on American history and use it as a catalyst for unbreakable love and resilience is flawless. That she has remixed a canonical text to do so only further illuminates the need to critically question who holds the pen in telling our

nation's story." —Booklist, starred review "Bethany C. Morrow's prose is a sharpened blade in a practiced hand, cutting to the core of our nation's history. ... A devastatingly precise reimagining and a joyful celebration of sisterhood. A narrative about four young women who unreservedly deserve the world, and a balm for wounds to Black lives and liberty." —Tracy Deonn, New York Times bestselling author of *Legendborn* "A tender and beautiful retelling that will make you fall in love with the foursome all over again."

—Tiffany D. Jackson, New York Times bestselling author of *White Smoke* and *Grown*

Killers of the Flower Moon McFarland Explores the history, struggle, and passage of Title IX, the law that allowed girls the freedom to pursue sports of their choosing, and the effects this law has had on society since its inception, such as the increased enrollment of women in law schools and the development of one of the best soccer teams in the world today.

Ophelia Speaks Henry Holt Books For Young Readers

A boy discovers his Native American heritage in this Depression-era tale of identity and friendship by the author of *Code Talker* It's 1932, and twelve-year-old Cal Black and his Pop have been riding the rails for years after losing their farm in the Great Depression. Cal likes being a "knight of the road" with Pop, even if they're broke. But then Pop has to go to Washington, DC--some of his fellow veterans are marching for their government checks, and Pop wants to make sure he gets his due--and Cal can't go with him. So Pop tells Cal something he never knew before: Pop is actually a Creek Indian, which means Cal is too. And Pop has decided to send Cal to a

government boarding school for Native Americans in Oklahoma called the Challagi School. At school, the other Creek boys quickly take Cal under their wings. Even in the harsh, miserable conditions of the Bureau of Indian Affairs boarding school, he begins to learn about his people's history and heritage. He learns their language and customs. And most of all, he learns how to find strength in a group of friends who have nothing beyond each other.

Gin Fling University of Illinois Press

As a young girl, Hillary Diane Rodham's parents told her she could be whatever she wanted--as long as she was willing to work for it. Hillary took those words and ran. In a life on the front row of modern American history, she has always stood out--whether she was a teen campaigning for the 1964 Republican presidential candidate, winning recognition in *Life* magazine for her pointed words as the first student commencement speaker at Wellesley College, or working on the Richard Nixon impeachment case as a newly minted lawyer. For all her accomplishments, scrutiny and scandal have followed this complex woman since she stepped into the public eye—from her role as First Lady of Arkansas to First Lady of the United States to becoming the first female U.S. senator from New York to U.S. secretary of state. Despite intense criticism, Hillary has remained committed to public service and dedicated to health-care reform, children's issues, and women's rights. Now, she aspires to a bigger role: her nation's first woman president. In *Hillary Rodham Clinton: A Woman Living History*, critically acclaimed author Karen Blumenthal gives us an intimate and unflinching look at the public and personal life of Hillary Rodham Clinton.

Illustrated throughout with black-and-white photographs and political cartoons, this is a must-have biography about a woman who has fascinated--and divided--the public, who continues to push boundaries, and who isn't afraid to reach for one more goal. "After decades in the public eye, Hillary Rodham Clinton is still an enigma, as Blumenthal (Tommy: The Gun That Changed America) emphasizes in this compelling portrait of the former U.S. Senator and Secretary of State's journey from budding activist to presidential aspirant."

—Publishers Weekly, starred review

America's War in Vietnam Blackstone Publishing

Over six terrifying, desperate days in October 1929, the fabulous fortune that Americans had built in stocks plunged with a fervor never seen before. At first, the drop seemed like a mistake, a mere glitch in the system. But as the decline gathered steam, so did the destruction. Over twenty-five billion dollars in individual wealth was lost, vanished, gone. People watched their dreams fade before their very eyes. Investing in the stock market would never be the same. Here, *Wall Street Journal* bureau chief Karen Blumenthal chronicles the six-day period that brought the country to its knees, from fascinating tales of key stock-market players, like Michael J. Meehan, an immigrant who started his career hustling cigars outside theaters and helped convince thousands to gamble their hard-earned money as never before, to riveting accounts of the power struggles between Wall Street and Washington, to poignant stories from those who lost their savings—and more—to the allure of stocks and the power of greed. For young readers living in an era of stock-market fascination, this engrossing account explains stock-

market fundamentals while bringing to life the darkest days of the mammoth crash of 1929.

Moonshine Kiss That's What She Said During Prohibition, while Al Capone was rising to worldwide prominence as Public Enemy Number One, the townspeople of Templeton, Iowa—population just 418—were busy with a bootlegging empire of their own. Led by the whip-smart and gregarious Joe Irlbeck, an outfit of farmers, small merchants, and even the church Monsignor together created a whiskey so excellent it was ordered by name: “Templeton rye.” However, a prohibition agent from the adjacent county named Benjamin Franklin Wilson was ardent in his fight against alcohol, and he chased Irlbeck for over a decade. But Irlbeck was not Capone, and Templeton would not be ruled by violence like Chicago. *Gentlemen Bootleggers* tells a never-

before-told tale of ingenuity, bootstrapping, and perseverance, showcasing a group of criminals who embraced the American ideals of self-reliance, dynamism, and democratic justice. It relies on previously classified Prohibition Bureau investigation files, federal court case files, extensive newspaper archive research, and a recently disclosed interview with kingpin Joe Irlbeck. Unlike other Prohibition-era tales of big-city gangsters, it provides an important reminder that bootlegging wasn't only about glory and riches, but could be in the service of a higher goal: producing the best whiskey money could buy. Bryce T. Bauer is a Hearst Award-winning journalist who has written for *Saveur*, the *Daily Iowan*, the *Cedar Rapids Gazette*, and other publications. He is coproducing and cowriting *West Iowa Whiskey Cookers*, a documentary on Prohibition-era bootlegging. He lives in New York City.
