I don't know who to

this place is full of lies and

The coven has sent Vlad the vampire to Sea Breeze to investigate Remington's possession by the man that Agatha has loved her entire life. Meanwhile, Agatha is hired to do her very own

investigation. When body parts at the local morgue go missing, the morgue attendant asks Agatha to solve the mystery of the murdered man. The mystery takes her to the local farm where chickens wear pedometers to prove that they're free range and the farm's owner has a meditation habit and a vicious temper. Suspects pile up, but Agatha is forced to focus on Vlad and his threats to send John away into oblivion. Can Agatha and her aunts thwart Vlad and the coven so that Agatha can have

her happy ending? Can Agatha solve the mystery before the murderer kills again? And can John and Agatha ever consummate their love? *Beast of Eden* is the Fourth book in the Agatha Bright Mysteries. Agatha Bright Mysteries... Agatha Bright has a delicious recipe for murder. Agatha Bright Mysteries are funny small-town mysteries with a dose of witchcraft. *Shades of Lovers* Bethany House  
Here is the dramatic story of Scandinavia - from its earliest Germanic origins

and Viking sea raids to its battles for independence and its involvement in World War II. Denmark, Finland, Norway, and Sweden, writes award-winning historian Ewan Butler writes, struggled through unions and separations, with both outsiders and each other, developing their own personalities and languages yet retaining their ancient connections. *The Secrets He Kept* Hocus Pocus Publishing, Inc.  
“This book underscores what we have long

known—Gurganus stands among the best writers of our time.” —Ann Patchett  
Through memorable language and bawdy humor, Gurganus returns to his mythological Falls, North Carolina, home of *Widow*. This first work in a decade offers three novellas mirroring today’s face-lifted South, a zone revolutionized around freer sexuality, looser family ties, and superior telecommunications, yet it celebrates those locals who have chosen to stay local. In doing so, *Local Souls* uncovers certain old

habits—adultery, incest, obsession—still very much alive in our New South, a "Winesburg, Ohio" with high-speed Internet. Wells Tower says of Gurganus, "No living writer knows more about how humans matter to each other." Such ties of love produce hilarious, if wrenching, complications: "Fear Not" gives us a banker's daughter seeking the child she was forced to surrender when barely fifteen, only to find an adult rescuer she might have invented. In "Saints Have Mothers," a beloved

high school valedictorian disappears during a trip to Africa, granting her ambitious mother a postponed fame that turns against her. And in a dramatic "Decoy," the doctor-patient friendship between two married men breaks toward desire just as a biblical flood shatters their neighborhood and rearranges their fates. Gurganus finds fresh pathos in ancient tensions: between marriage and Eros, parenthood and personal fulfillment. He writes about erotic hunger and

social embarrassment with Twain's knife-edged glee. By loving Falls, Gurganus dramatizes the passing of Hawthorne's small-town nation into those Twitter-nourished lives we now expect and relish. Four decades ago, John Cheever pronounced Allan Gurganus "the most technically gifted and morally responsive writer of his generation." Local Souls confirms Cheever's prescient faith. It deepens the luster of Gurganus's reputation for compassion and laughter. His black comedy leaves us with

lasting affection for his characters and the aching aftermath of human consequences. Here is a universal work about a village.

 “This heartfelt, witty addition to women’s fiction will appeal to fans of Elizabeth Berg and Anna Quindlen.” (Booklist)  
 Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It’s only when Ben suddenly drops dead from a massive coronary while training for the New York

City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning

to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they

plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, *The Widow Waltz* explores in a profound way the bonds between mothers and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?" *Return Billionaire to Sender* J.S. Cooper Finn Knightly a.k.a. Finn Conrad wants to know why his recently deceased father left his nurse fifty

thousand dollars after knowing her a mere six weeks. So he travels to Bramble House B&B in Marietta, Montana to find answers. But Willa Knightly is not the conniving woman he expects to find. And that's before he finds out Scout's secret and the real reason this Christmas is so important. *A grumpy hero-opposites attract standalone romantic comedy* S. E. Lund
