Part 2. Learning. The myriad influences of performance assessments on teaching are complemented by their influences on student learning (see Exhibit 7-3). The impact of performance assessments on students is due as much to the content of performance-based assignments as it is to the process of assessment itself. Principals, teachers,

students, and parents spoke primarily about the influence of performance assessments on students' motivation to learn and on their writing and ...CHAPTER 7 Part 2: Assessment of Student Performance April 1997 Chapter 7: COLLEGIATE LEARNING ASSESSMENT (CLA) Who takes it? A sample of approximately 100 first-year students and seniors. First-year students are randomly sampled. Those seniors who take the CLA do so as their senior test. The disciplines requiring the CLA are: Communication Disorders, English, Interdisciplinary Studies, Linguistics, Philosophy Chapter 7: COLLEGIATE LEARNING ASSESSMENT (CLA) documenting what students are learning and how they are progressing toward meeting stated outcomes is a critical responsibility of the teacher. This chapter will examine key issues related to assessment, with the aim of presenting some information that will help you in assessing student progress and work in physical education. A Case for Assessment Chapter 7- Strategies for Assessing Student Work This video includes supplemental

materials, links, and interviews with instructional leaders who are implementing principles from Chapter 7 of Taking Initiative on Writing: Chapter 7 Assessing Student Learning handbook for assessing student learning in the classroom. Assessment of student learning is one of the major challenges facing vocational education teachers. This handbook is designed to improve your ability to plan and implement assessments that go beyond reporting of student achievement in terms of letter grades at year or term.
