Start Your Journey to Master the Bible. The problem most of us have with the Bible is that we started out studying the details without ever getting the big picture. It's no wonder we're confused! In the Colorado Rockies, there are so many mountain peaks, nobody could climb them all. But there are 53 peaks that are over 14,000 feet. And many hikers try to climb all 53 fourteeners. That's what Max Anders does in this Bible study. You'll look at only the fourteeners - a manageable amount of information. In 30 days, you'll have a complete understanding of the story of the Bible and the core teachings or doctrines that Christians have held onto throughout the centuries, presented in bite-sized pieces. After you have mastered the fourteeners, you will have the basic information you need for hiking the smaller peaks. Anders' simple-to-use, straightforward guide has been recommended by Bible teachers and pastors for thirty years, and now he can join your Bible study and launch you on a journey of mastering the Bible so well that the Bible masters you. Sessions include: An Overview of the Bible The Early History of Israel (Patriarch-Kingdom Eras) The Later History of Israel (Exile-Silence Eras) The History of the Church (Gospel-Missions Eras) The Great Doctrines: the Bible, God, Christ, the Holy Spirit, and Angels The Great Doctrines: Man, Sin, Salvation, the Church, and Future Things Designed for use with 30 Days to Understanding the Bible Video Study (9780310112181), sold separately. While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. Many Christian books written to women claim to present God's good instructions for their lives. Some expound on the value of marriage and children. Many extol the virtues of the Proverbs 31 wife. A good number teach the value of love, submission, and respect in Christian marriages. Though this book deals with these topics, *The Gospel-Centered Woman* addresses women from an entirely different perspective. The most important part of the Bible's instructions to women center around the gospel. Jesus' life, death, and resurrection brought about a seismic shift in our understanding of Scripture. After His resurrection, His disciples understood words written thousands of years before with a clarity they never had previously. The good news of Christ illuminates all other Scripture, including instructions to women.
