Mid-2016 DOL regulations make millions more white-collar employees eligible for overtime pay, by greatly increasing the salary threshold for the white-collar exemption. Updates on the PATH Act (Protecting Americans From Tax Hikes; Pub. L. No. 114-113. The DOL published the fiduciary rule in final form in April 2016, with full compliance scheduled for January 1, 2018. The rule makes it clear that brokers who are paid to offer guidance on retirement accounts and Individual Retirement Arrangements (IRAs) are fiduciaries. In early 2016, the Equal Employment Opportunity Commission (EEOC) announced it would allow charging parties to request copies of the employer's position statement in response to the charge. The Supreme Court ruled that, in constructive discharge timing requirements run from the date the employee gives notice of his or her resignation not the effective date of the resignation. Certiorari was granted to determine if the Federal Arbitration Act (FAA) preempts consideration of severing provisions for unconscionability. "

Futanari Fantasies

Piko was her nickname, and the only name she ever knew since the death of her mother nine years ago. With her small village on the far edge of civilization, lodged between a vast swamp on one side and endless rice paddies and peat bogs, it was far from the majority of bandit raids, but not far enough, nor was it defended. The raiders would come nearly every fall it seemed, raiding, pillaging and burning, causing hardships, pain and loss of life due to starvation. Growing up on the edge of the world where one had to defend themselves, she was a tough young woman who knew full well how to fight hard and work hard, but with the advent of the iron armor clad bandits, it was getting too much even for this spry young tomboy and all around ruffian! Finally, at age fourteen, the spry and spunky redhead had had enough. She made an offering to the gods pleading for protection. And boy did they answer her plea! When the angel finally appeared, it was right at the time of the end of the fall rice harvest when the raiders were preparing to make their best haul of the year. The angel passed judgment on the bandits in a most brutal manner. Not a one of them made it out alive. Fear spread throughout the land and the bandits decided to avoid the village, which made life much easier for one and all. But just when it seemed things were heading toward a happy ending, the angel declares that Piko must leave her happy home and go on a great inquest, and she won't even tell the girl why, only saying she may never see her beloved home again. Follow the young sake seller and her personal angel as she learns about the world, life and love 'angel style' as she battles villains, discovers her true past, her true identity and her true destiny decreed from the of time.
