Drake and the rest of the Dragon Masters are back for another adventure! This series is part of Scholastic's early chapter book line called Branches, which is aimed at newly independent readers. With easy-to-read text, high-interest content, fast-paced plots, and illustrations on every page, these books will boost reading confidence and stamina.

Branches books help readers grow! In this third book in the series, someone is trying to steal the Dragon Stone. Drake soon discovers that the thief is his friend and fellow Dragon Master, Bo! Could the dark wizard somehow be behind this? The Dragon Masters must find a way to protect the Dragon Stone-and keep Bo's family out of danger. Will the secret to solving their problems lie with Bo's

dragon, Shu? Drake is about to find out!

Nature

The must-have guide for all artists who draw the human figure!

In *Morpho: Joint Forms and Muscular Functions*, artist and teacher Michel Lauricella presents a mechanical view of the human body. In the same way that paleontologists work, we can deduce the body's muscular functions by studying the shapes

of the bones. Starting with the joints, which are reduced to simple shapes such as pulleys and spheres, Lauricella teaches you their connections and correspondences with the muscular system, which is necessary for understanding movement.

Geared toward artists of all levels, from beginners through professionals, this handy, pocket-sized book will facilitate your practice of imaginative drawing and

will enrich your drawing from observation. Whether your interest is in figure drawing, fine arts, fashion design, game design, or creating comic book or manga art, you will find this helpful book filled with actionable insights.

(Publisher's Note: This book features an "exposed" binding style. This is intentional as it is designed to help the book lay flat as you draw.)

Digital Art Masters Routledge Discover how to paint classic fantasy, imaginative sci-fi, and comic art, with advice on how to tell visual stories, make inspired illustrations, and create strong characters using digital

techniques. A core skills section offers basic training on topics such as using custom brushes and rendering realistic materials like cloth, rock, silk, fun, and shiny metal. Artist Henning Ludvigsen presents 20 tips to better fantasy paintings including color, texture, and light. **Artists' Master Series: Color & Light** OTexts Brush up on the latest digital painting

techniques with the sixth volume in this essential series for any digital artist. *Digital Painting Techniques* Fox Chapel Publishing How do you tailor education to the learning needs of adults? Do they learn differently from children? How does their life experience inform their learning processes? These were the questions at the heart of Malcolm Knowles' pioneering

theory of andragogy which transformed education theory in the 1970s. The resulting principles of a self-directed, experiential, problem-centred approach to learning have been hugely influential and are still the basis of the learning practices we use today. Understanding these principles is the cornerstone of increasing motivation and enabling adult learners to achieve.

The 9th edition of *The Adult Learner* has been revised to include: Updates to the book to reflect the very latest advancements in the field. The addition of two new chapters on diversity and inclusion in adult learning, and andragogy and the online adult learner. An updated supporting website. This website for the 9th edition of *The Adult Learner* will provide basic instructor aids including a PowerPoint

<p>presentation for each chapter. Revisions throughout to make it more readable and relevant to your practices. If you are a researcher, practitioner, or student in education, an adult learning practitioner, training manager, or involved in human</p>	<p>resource development, this is the definitive book in adult learning you should not be without. <i>Fabric of a Nation</i> 3dtotal Publishing The evil wizard Maldred has stolen the gold and silver keys which will allow him to release the Naga, the</p>	<p>powerful earthquake dragon at the center of the earth--so Drake and several of the other Dragon Masters travel to the Naga's Temple in the Dragon Islands, to try and stop Maldred, and prevent him and the earthquake dragon from destroying the kingdom.</p>
