HAMMOND BRUNO

Unbroken Cambridge University Press
 Just as Africa and the West have traditionally fit into binaries of Darkness/Enlightenment, Savage/Modern, Ugly/Beautiful, and Ritual/Art, among others, much of Western cultural production rests upon the archetypal binary of Trickster/Epic, with trickster aesthetics and commensurate cultural forms characterizing Africa. Challenging this binary and the exceptionalism that underlies anti-hegemonic efforts even today, this book begins with the scholarly foundations that mapped out African trickster continuities in the United States and excavated the aesthetics of traditional African epic performances. Rutledge locates trickster-like capacities within the epic hero archetype (the "epic trickster" paradigm) and constructs an Homeric Diaspora, which is to say that the modern Homeric performance foundation lies at an absolute time and distance away from the ancient storytelling performance needed to understand the cautionary aesthetic inseparable from epic potential. As traditional epic performances demonstrate, unchecked epic trickster dynamism anticipates not only brutal imperialism and creative diversity, but the greatest threat to everyone, an eco-apocalypse. Relying upon the preeminent scholarship on African-American trickster-heroes, traditional African heroic performances, and cultural studies approaches to Greco-Roman epics, Rutledge traces the epic trickster aesthetic through three seminal African-American novels keenly attuned to the American Homeric Diaspora: Charles Chesnut's *The Marrow of Tradition*, Richard Wright's *Native Son*, and Toni Morrison's *Beloved*.
Black Elk Speaks Penguin
 In this stand-alone sequel to the New York Times–bestselling *Clockwork Angels*, a woman embarks on adventures to discover her own epic life story. Some lives can be summed up in a sentence or two. Other lives are epics. In *Clockwork Angels*, number-one best-selling author Kevin J. Anderson and legendary Rush drummer and lyricist Neil Peart created a fabulous, adventurous steampunk world in a novel to accompany the smash Rush concept album of the same name. With *Clockwork Lives*, Anderson and Peart have returned to their colorful creation to explore the places and the characters that still have a hold on their imaginations. Marinda Peake is a woman with a quiet, perfect life in a small village; she long ago gave up on her dreams and ambitions to take care of her ailing father, an alchemist and an inventor. When he dies, he gives Marinda a mysterious inheritance: a blank book that she must fill with other people's stories—and ultimately her own. *Clockwork Lives* is a steampunk

Canterbury Tales and much more, as Marinda strives to change her life from a mere "sentence or two" to a true epic. Praise for *Clockwork Angels*: "Stands on its own merits as a grand adventure tale woven with threads of various themes enough to keep it fresh, exciting and engaging. Ultimately, *Clockwork Angels* is one of the most human of stories." —Book Reporter "Firmly planted in the steampunk genre, an epic-scale story . . . with beautiful illustrations . . . a fine piece of dystopian fiction, and it will appeal to readers young and old." —Booklist
Slow Violence and the Environmentalism of the Poor WordFire +ORM
 #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE • Look for special features inside. Join the Random House Reader's Circle for author chats and more. In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. Appearing in paperback for the first time—with twenty arresting new photos and an extensive Q&A with the author—*Unbroken* is an unforgettable testament to the resilience of the human mind, body, and spirit, brought vividly to life by Seabiscuit author Laura Hillenbrand. Hailed as the top nonfiction book of the year by Time magazine • Winner of the Los Angeles Times Book Prize for biography and the Indies Choice Adult Nonfiction Book of the Year award "Extraordinarily moving . . . a powerfully drawn survival epic."—The Wall Street Journal "[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring."—New York "Staggering . . . mesmerizing . . . Hillenbrand's writing is so ferociously cinematic, the events she describes so incredible, you don't dare take your eyes off the page."—People "A meticulous, soaring and beautifully written account of an extraordinary life."—The Washington Post "Ambitious and powerful . . . a startling narrative and an inspirational book."—The New York Times Book Review "Magnificent . . . incredible . . . [Hillenbrand] has crafted another masterful blend of sports, history and overcoming terrific odds;

this is biography taken to the nth degree, a chronicle of a remarkable life lived through extraordinary times."—The Dallas Morning News "An astonishing testament to the superhuman power of tenacity."—Entertainment Weekly "A tale of triumph and redemption . . . astonishingly detailed."—O: The Oprah Magazine "[A] masterfully told true story . . . nothing less than a marvel."—Washingtonian "[Hillenbrand tells this] story with cool elegance but at a thrilling sprinter's pace."—Time "Hillenbrand [is] one of our best writers of narrative history. You don't have to be a sports fan or a war-history buff to devour this book—you just have to love great storytelling."—Rebecca Skloot, author of *The Immortal Life of Henrietta Lacks*
Welcome to Welton Simon and Schuster
 The Great Platte River Road through Nebraska and Wyoming was the grand corridor of America's westward expansion. A number of famous trails converged in the broad valley of the Platte, forming a kind of primitive superhighway for the great covered wagon migration from 1841 to 1866. From jumping-off places along the Missouri River—notably the Omaha-Council Bluffs, St. Joseph, and Kansas City areas—the emigrant throngs came together at Fort Kearny, Nebraska. Although they continued on to South Pass, Wyoming, and beyond, this book focuses on the feeder routes and the more than three hundred miles between Fort Kearny and Fort Laramie. The Great Platte River Road looks at border towns, trail routes, river crossings, stage stations, military posts, and such landmarks as Chimney Rock and Scott's Bluff. It goes far beyond geography and Indian encounters in revealing cultural aspects of the great migration: food, dress, equipment, organization, camping, traffic patterns, sex ratios, morals, manners, religion, crime, accidents, disease, death, and burial customs.
The Field Guide to the North American Teenager HarperCollins
 Chronicles the competition between three contending groups for the Collegiate A Cappella championship, evaluating how their achievements reflect a rising surge in the music form's popularity, as well as the diversity that has shaped its expression.
Products and Priorities Univ of Wisconsin Press
 Between A.D. 700 and 1100 Native Americans built more effigy mounds in Wisconsin than anywhere else in North America, with an estimated 1,300 mounds—including the world's largest known bird effigy—at the center of effigy-building culture in and around Madison, Wisconsin. These huge earthworks, sculpted in the shape of birds, mammals, and other figures, have aroused curiosity for generations and together comprise a vast effigy mound ceremonial landscape. Farming and industrialization destroyed most of these mounds, leaving the mysteries of who built them and why they were made. The remaining mounds are protected today and many can be visited. *explores the cultural, historical, and ceremonial meanings of the mounds in an*

informative, abundantly illustrated book and guide. Finalist, Social Science, Midwest Book Awards

Library Literature UM Libraries

Based on the classic 1989 film, Westerberg High is ruled by a shoulder-padded, scrunchie-wearing junta: Heather, Heather and Heather, the hottest and cruelest girls in all of Ohio. But misfit Veronica Sawyer rejects their evil regime for a new boyfriend, the dark and sexy stranger J.D., who plans to put the Heathers in their place - six feet under.

Clockwork Lives Routledge

The violence wrought by climate change, toxic drift, deforestation, oil spills, and the environmental aftermath of war takes place gradually and often invisibly. Using the innovative concept of "slow violence" to describe these threats, Rob Nixon focuses on the inattention we have paid to the attritional lethality of many environmental crises, in contrast with the sensational, spectacle-driven messaging that impels public activism today. Slow violence, because it is so readily ignored by a hard-charging capitalism, exacerbates the vulnerability of ecosystems and of people who are poor, disempowered, and often involuntarily displaced, while fueling social conflicts that arise from desperation as life-sustaining conditions erode. In a book of extraordinary scope, Nixon examines a cluster of writer-activists affiliated with the environmentalism of the poor in the global South. By approaching environmental justice literature from this transnational perspective, he exposes the limitations of the national and local frames that dominate environmental writing. And by skillfully illuminating the strategies these writer-activists deploy to give dramatic visibility to environmental emergencies, Nixon invites his readers to engage with some of the most pressing challenges of our time.

Billboard Univ of Wisconsin Press

This atlas with digital cartography details North America, including city vicinity maps, national park maps, and an adventure travel section to help you plan vacations.

The Poetics of Power in Augustan Rome Langenscheidt Publishing Group

"Explores the architectural and cultural history of Princeton University from 1750 to the present. Includes 150 historical illustrations"--Provided by publisher.

American Society W. W. Norton

In this prequel to the urban fantasy novel *Lies and Prophecy*, Kim is ready for her freshman year at college—but her challenges include more than just choosing courses and learning to live with a roommate. Welton University has welcomed a new student, one of the strange and powerful wilders. If Julian Fiain is going to fit in among his fellow psychics, he's going to need friends.

Pitch Perfect U of Nebraska Press

CMJ New Music Report is the primary source for exclusive charts of non-commercial and college radio airplay and independent and trend-forward retail sales. CMJ's trade publication, compiles playlists for college and non-commercial stations; often a prelude to larger success.

Congressional Record Book View Cafe

William C. Morris YA Debut Award Winner! A hilarious YA contemporary realistic novel about a witty Black French Canadian teen who moves to Austin, Texas, and experiences the joys, clichés, and awkward humiliations of the American high school

experience—including falling in love. Perfect for fans of Nicola Yoon, *When Dimple Met Rishi*, and John Green. Norris Kaplan is clever, cynical, and quite possibly too smart for his own good. A Black French Canadian, he knows from watching American sitcoms that those three things don't bode well when you are moving to Austin, Texas. Plunked into a new high school and sweating a ridiculous amount from the oppressive Texas heat, Norris finds himself cataloging everyone he meets: the Cheerleaders, the Jocks, the Loners, and even the Manic Pixie Dream Girl. Making a ton of friends has never been a priority for him, and this way he can at least amuse himself until it's time to go back to Canada, where he belongs. Yet against all odds, those labels soon become actual people to Norris...like loner Liam, who makes it his mission to befriend Norris, or Madison the beta cheerleader, who is so nice that it has to be a trap. Not to mention Aarti the Manic Pixie Dream Girl, who might, in fact, be a real love interest in the making. But the night of the prom, Norris screws everything up royally. As he tries to pick up the pieces, he realizes it might be time to stop hiding behind his snarky opinions and start living his life—along with the people who have found their way into his heart.

Great Fortune Penguin

The definitive critical introduction to American society.

New International Encyclopedia Houghton Mifflin Harcourt

"A lively introduction to the rich and complex tradition of Latin literature from colonial Spanish America, and to its best known author, the poet Rafael Landivar. Rafael Landivar is the best known of all the poets from the Americas to write in Latin. In the 15 books of his *Rusticatio Mexicana* (1782), he described - in vivid epic verse - the lakes, volcanoes, and wildlife of Mexico and his native Guatemala, as well as the livelihoods and recreations of the people of the region. This panorama of nature, culture and production in colonial New Spain took classical didactic poetry into a new world of political conflict. But Landivar also writes with a strongly personal voice: elegiac and pastoral modes convey the pathos of displacement and the poet's overwhelming nostalgia for his American homeland. Andrew Laird's introduction provides information about Landivar's life and exile to Italy, explains his diverse intellectual heritage, and collects his shorter works (translated into English here for the first time). A 1948 text of the *Rusticatio Mexicana*, with a translation by Graydon W. Regenos, is included in this volume."--Provided by publisher.

The Bicentennial of the United States of America Harvard University Press

Reveals the life of Lakota healer Nicholas Black Elk as he led his tribe's battle against white settlers who threatened their homes and buffalo herds, and describes the victories and tragedies at Little Bighorn and Wounded Knee. Reprint.
