MANNING GIDEON

Scottish Witchcraft Farrar, Straus and Giroux

A guide to practicing and performing simple candle rituals collected from around the world, providing detailed instructions for preparation, and including rituals to break up a love affair, to overcome a bad habit, to protect against evil, to conquer fear, to arouse jealousy, and more.

Book #1 of the Practical Magic Series Oxford University Press, USA

This amazingly visual book connects the past with the present, illustrating not just the long history of witches and witch trials, but also their subculture and fascination today. Whether she's an old crone stirring a bubbling cauldron or a teenager discovering her magic for the first time, witches have been a part of our stories since humans began writing stories—even before! We'll tell you all about the history of the witch, including the infamous trials in Europe and Salem, and introduce you to some of the craft's most famous faces like Voodoo Queen Marie Laveau. Learn about how the witch became a feminist symbol and check out some spellbinding vacation spots. We'll explore representations of the witch in lore and pop culture, from The Odyssey's witch-goddess Circe to Harry Potter's Hermione Granger. Find out how The Wizard of Oz changed the perception of the spell-casters, and get the scoop on The Witches remake starring Anne Hathaway. Practicing witches let you know how to get in touch with your inner

witch and let you in on what really goes on in contemporary covens. There's even a primer on spellwork—no cauldron required!

The Path of Solitary Witchcraft Citadel Press

"Witches are gathering." When most people hear the word "witches," they think of horror films and Halloween, but to the nearly one million Americans who practice Paganism today, it's a nature-worshipping, polytheistic, and very real religion. So Alex Mar discovers when she sets out to film a documentary and finds herself drawn deep into the world of present-day witchcraft. *Witches of America* follows Mar on her immersive five-year trip into the occult, charting modern Paganism from its roots in 1950s England to its current American mecca in the San Francisco Bay Area; from a gathering of more than a thousand witches in the Illinois woods to the New Orleans branch of one of the world's most influential magical societies. Along the way she takes part in dozens of rituals and becomes involved with a wild array of characters: a government employee who founds a California priesthood dedicated to a Celtic goddess of war; American disciples of Aleister Crowley, whose elaborate ceremonies turn the Catholic mass on its head; second-wave feminist Wiccans who practice a radical separatist witchcraft; a growing "mystery cult" whose initiates trace their rites back to a blind shaman in rural Oregon. This sprawling magical community compels Mar to confront what she believes is possible-or hopes might be. With keen intelligence and wit, Mar illuminates the world of witchcraft while grappling in fresh and unexpected ways with the question underlying all faiths: Why do we choose to believe in anything at all? Whether evangelical, Pagan priestess, or atheist, each of us craves a system of meaning to give structure to our lives. Sometimes we just find it in unexpected places.

[The Virago Book Of Witches](#) Llewellyn Worldwide

The Ultimate Book of Shadows for the New Generation This book has everything a teen Witch could want and need between two covers: a magical cookbook, encyclopedia, dictionary, and grimoire. It relates specifically to today's young adults and their concerns, yet is grounded in the magical work of centuries past. Information is arranged alphabetically and divided into five distinct categories: (1) Shadows of Religion and Mystery, (2) Shadows of Objects, (3) Shadows of Expertise and Proficiency, (4) Shadows of Magick and Enchantment, and (5) Shadows of Daily Life. It is organized so readers can skip over the parts they already know, or read each section in alphabetical order. Features By the author of the best-selling Teen Witch and mother of four teen Witches A jam-packed learning and resource guide for serious young Witches All categories are discussed in modern terms and their associated historical roots Includes endnotes and footnotes that cite sources or add clarification A training companion to Teen Witch and To Ride a Silver Broomstick

Buckland's Book of Saxon Witchcraft Penguin

The word Witchcraft has been misunderstood for centuries. In the past 500 years, millions of people have faced persecution, torture, and even death after being accused of practicing Witchcraft. For many people the word "Witch" still conjures up images of secret spells and diabolical midnight rituals. So what exactly is Witchcraft (also called Wica or Wicca), and how did it evolve into one of today's fastest-growing religions? Witchcraft From the Inside presents the history of Witchcraft?from its roots in ancient fertility religions, to the madness of the Malleus Maleficarum and the European Witch trials, to the growth of modern Wicca in Britain and the United States. Essays contributed by leading Wiccan authorities explore the present state of Wicca and provide a glimpse into the future of this peaceful nature religion. Author Ray Buckland studied Witchcraft under Gerald Gardner, the man largely credited for the revival of Witchcraft and the establishment of Wicca as a modern religion. Mr. Buckland was instrumental in bringing Gardnerian Witchcraft from England to the United States and is considered to be one of the leading American authorities on Witchcraft. In the following excerpt, Mr. Buckland explains the mundane truths behind the seemingly horrific ingredients of the legendary "witches' brews". We know, from Shakespeare and other sources, that the Witches threw into their pots the most gruesome ingredients, right? There were things like the tongue of a snake, bloody fingers, catgut, donkey's eyes, frog's foot, goat's beard, a Jew's ear, mouse tail, snake head, swine snout, wolf's foot, and so on. Pretty disgusting by the sound of it?if you take them at face value! In fact these were all the most innocuous of ingredients: normal plants and herbs. Today all plants have a Latin name, so that they may be distinct and positively identified. Yet years ago they were known only by common, local names. A plant or herb might be known by one name in one part of the country and a quite different name in another part of the country. And these names were colorful ones, frequently given to the plant because of its looks, color, or other attributes. In the above list, adder's tongue was a name given to the dogtooth violet (*Erythronium americanum*); bloody fingers was the foxglove (*Digitalis purpurea*); catgut was the hoary pea (*Tephrosia virginiana*); donkey's eyes were the seeds of the cowage plant (*Mucuna pruriens*); frog's foot was the bulbous buttercup (*Ranunculus bulbosus*); goat's beard was the vegetable oyster (*Tragopogon porrofolius*); Jew's ear was a fungus that grew on elder trees and elm trees (*Peziza auricula*); mouse tail was common stoncrop (*Sedum acre*); snake head was balmony (*Chelone glabra*); swine snout was the dandelion (*Taraxacum dens leonis*); and wolf's foot was bugle weed (*Lycopus virginicus*). So the seemingly fearsome concoctions that the Witches mixed up in their cauldrons were nothing more than simple herbs going into a cookpot!

This book is a real breakthrough in the field of witchcraft where secrecy is the general rule. Here the author withholds no secrets so that anyone can practice.

Witchcraft Revealed Penguin

In the Old Testament, the Bible makes a very bold and firm statement regarding witches or sorcerers. It reads in Exodus 22:18; Thou shalt not suffer a witch to live. This was Gods attitude regarding the practice of witchcraft-it was regarded as an abomination and God was out to destroy this wicked spirit amongst His people. We are the New Testament Church and God's attitude towards witchcraft has not changed. We however know and understand that we are now fighting not against flesh and blood, but against the spiritual forces of the devil- in this case witchcraft. I believe God wants you to deal violently and address the powers behind your problem. I have never seen anyone win this battle in the flesh. God fights our battles, but we need to engage in spiritual warfare prayerfully and strategically so that we can have victory. Therefore, get ready to stand your ground in the spirit and let's destroy the spirit of witchcraft in Jesus name. The Lord will reveal many things in this season and all you need to stand on is His word....

WITCHCRAFT SPIRIT MUST DIE! Black Dog & Leventhal

A decadent collection of magical dishes and feasts created by the herbalist, witch, chef and co-owner of Catland Books, Melissa Madara. The feast is a meeting place between family and friends, between humans and gods. This decadent collection of enchanting dishes is an indispensable companion to kitchen witchcraft, revealing the storied history and seductive art of magical cooking. With witch, herbalist and chef Melissa Jayne Madara as your guide, explore five facets of the occult through food: traditional recipes, the wheel of the zodiac, devotional meals to the planets, seasonal feasts to celebrate solstices and equinoxes, and practical spellwork. Recreate a pagan feast of lamb roasted with milk and honey, with cheesecake baked in fig leaves for dessert. Celebrate a Gemini birthday with herbed fondue, followed by lemongrass pavlova. Align with the poetic pleasures of Venus with edible flower dumplings, or commune with Saturn over blackberry pulled pork sandwiches. Enjoy the vibrancy of the spring equinox with herb and allium quiche with a potato crust, radish salad with cherry blossom vinaigrette and jasmine tea shortbread. Share an evening of storytelling over mugwort and catnip divination tea, or embody an otherworldly spirit with ritual bread masks. Packed with ancient knowledge, practical advice and witchcraft expertise, this book will help you develop your craft through culinary creativity. Gather, share, and rediscover the most fundamental of human rituals: the divine indulgence of the senses and the soul.

The Witch's Feast QUEEN VICTORIA PRESS

From Parks and Recreation star Aubrey Plaza and creative partner Dan Murphy comes the long lost tale of the Christmas Witch, Santa Claus's much misunderstood twin sister. The perfect gift for the holiday season and beyond! Gather 'round the fire to hear a Christmas legend that has never been told before...until now. Each year a mysterious figure sweeps into town, leaving behind strange gifts in the night. No, not Santa Claus, but his sister... The Christmas Witch. Her story begins many, many years ago when her brother was torn away from her as a child. Raised alone by a witch of the woods, Kristtorn's powers of magic grew, as did her temper. Determined to find her long lost twin, she set out on a perilous journey across oceans to find him. But what she found instead was a deep-seated fear of her powers and a confrontation that would leave the fate of Christmas hanging in the balance. From award-winning producer and actress Aubrey Plaza and her creative partner Dan Murphy comes a holiday story unlike any told before. With all the richness of classic folklore, they've woven a tale of bravery, love and magic. Whatever you thought you knew about Christmas...think again.

The Witch's Book of Self-Care Summersdale Publishers LTD - ROW

From the World's No. 1 Storyteller, *The Witches* is a children's classic that has captured young reader's imaginations for generations. This is not a fairy tale. This is about real witches. Grandmamma loves to tell about witches. Real witches are the most dangerous of all living creatures on earth. There's nothing they hate so much as children, and they work all kinds of terrifying spells to get rid of them. Her grandson listens closely to Grandmamma's stories—but nothing can prepare him for the day he comes face-to-face with The Grand High Witch herself! Now a major motion picture!

True Encounters with Wicca, Covens, and Magick Llewellyn Worldwide

Buckland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaries around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasured classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A masterwork by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of *Magical Rites from the Crystal Well* "I read Buckland's Complete Book of Witchcraft with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic . . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of *The Mists of Avalon* "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's Complete Book of Witchcraft."—Dorothy Morrison,

author of *The Craft*

A Guide for the Solitary Practitioner Llewellyn Worldwide

From the ancient misty Highlands of Scotland to modern-day America come the secrets of solitary Witchcraft practice. Scottish Witchcraft explores "PectiWita," or the craft of the Picts, the mysterious early Keltic people. The Scottish PectiWita tradition differs in many ways from the Wicca of England—there is little emphasis on the worship of the gods (though it is there), but more on the living & blending of magick into everyday life. Many people attracted to modern-day Wicca are unable to contact or join a coven. PectiWita is a path for the solitary Witch; & here, for the first time, are full details of this solitary branch of the Old Ways. Learn the history of the Picts, their origins & beliefs. Learn how to make simple tools & use them to work magic. Through step-by-step instructions you are brought into touch & then into complete harmony with all of nature. Explore their celebrations, talismans, song & dance, herbal lore, runes & glyphs, & recipes. Learn how to practice the religion in the city & with groups. Ray Buckland's contact with the late Aidan Breac, a descendent of th

Magical Ways to Pamper, Soothe, and Care for Your Body and Spirit Penguin

Drawing on real historical documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen's writing is known, *Everyone Knows Your Mother Is a Witch* is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It's enough to make anyone jealous, and Katherina has done herself no favors by being out and about and in everyone's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the threat of financial ruin, torture, and even execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive widower imperiled by his own secrets. Provocative and entertaining, Galchen's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history.
