JOCELYN TAPIA

The Beautiful Ones Simon and Schuster

From the Emmy-winning creator and writer of *All My Children* and *One Life to Live*, a memoir of her trailblazing rise to the top of the television industry, including behind-the-scenes stories from some of the most beloved soaps of all time. Before there was Erica Kane, Adam Chandler, or Victoria Lord, there was Agnes Nixon, a young girl who dreamed up stories for paper dolls. Those tales she imagined—ones filled with ambitions, rivalries, and romances—would soon parallel her own path to success. In a memoir filled with as much drama as the soaps she penned, Nixon shares her journey from Nashville to New York City, as she overcomes the loss of her fiancé in World War II, a father intent on crushing her writing dreams, and the jealousy of her male colleagues on her way to becoming one of the most successful names in television. While fans will delight in Nixon's own incredible life, they will also love her behind-the-scenes insight into her most popular shows. Inside, she shares the inspiration for Erica Kane and how she cast Susan Lucci in the role; an excerpt from the never-before-seen *All My Children* story bible; entertaining anecdotes about her shows' beloved casts and special guests, including Carol Burnett, Kelly Ripa, Oprah Winfrey, and Warren Buffett; and more. But *My Life to Live* is also a portrait of a pioneer. Driven to use her ratings power for good, Nixon fought and broke network taboos by wrestling with controversial social issues ranging from women's health, interracial relationships, and the Vietnam War to drug addiction, LGBT rights, and AIDS. By infusing her characters with sensitivity, humor, and humanity, she enabled millions to examine an opposite point of view. And long before Shonda Rhimes launched a golden age of female showrunners, Agnes Nixon positioned ABC to become the media giant it is today. She is a true television legend, and her candid and inspiring glimpse behind the curtain of the television industry will charm soap fans and story lovers alike.

How Poetry Saved My Life Little, Brown

Witty, warm, and poignant, food blogger Sasha Martin's memoir about cooking her way to happiness and self-acceptance is a culinary journey like no other. Over the course of 195 weeks, food writer and blogger Sasha Martin set out to cook—and eat—a meal from every country in the world. As cooking unlocked the memories of her rough-and-tumble childhood and the loss and heartbreak that came with it, Martin became more determined than ever to find peace and elevate her life through the prism of food and world cultures. From the tiny, makeshift kitchen of her eccentric, creative mother, to a string of foster homes, to the house from which she launched her own cooking adventure, Martin's heartfelt, brutally honest memoir reveals the power of cooking to bond, to empower, and to heal—and celebrates the simple truth that happiness is created from within. "This beautifully written book is both poignant and uplifting. Not to mention delicious. It's an amazing family tale that reminds me of *The Glass Castle*, but with more food. And not just any food: We're talking cinnamon raisin pizza." —A.J. Jacobs, author of *The Year of Living Biblically* "Life From Scratch is an unconventional love story. This beautiful book begins with the quest of cooking a meal from every country—a noble feat of its own!—but then turns it into something far beyond a kitchen adventure. Be prepared to be changed as you experience Sasha's journey for yourself." —Chris Guillebeau, author of *The Happiness Pursuit*

Your Story Matters National Geographic Books

A brave teen recounts her debilitating struggle with obsessive-compulsive disorder—and brings readers through every painful step as she finds her way to the other side—in this powerful and inspiring memoir. Until sophomore year of high school, fifteen-year-old Allison Britz lived a comfortable life in an idyllic town. She was a dedicated student with tons of extracurricular activities, friends, and loving parents at home. But after awakening from a vivid nightmare in which she was diagnosed with brain cancer, she was convinced the dream had been a warning. Allison believed that she must do something to stop the cancer in her dream from becoming a reality. It started with avoiding sidewalk cracks and quickly grew to counting steps as loudly as possible. Over the following weeks, her brain listed more

dangers and fixes. She had to avoid hair dryers, calculators, cell phones, computers, anything green, bananas, oatmeal, and most of her own clothing. Unable to act "normal," the once-popular Allison became an outcast. Her parents questioned her behavior, leading to explosive fights. When notebook paper, pencils, and most schoolbooks were declared dangerous to her health, her GPA imploded, along with her plans for the future. Finally, she allowed herself to ask for help and was diagnosed with obsessive-compulsive disorder. This brave memoir tracks Allison's descent and ultimately hopeful climb out of the depths.

How to Murder Your Life New Directions Publishing

A profoundly moving memoir of caregiving, mourning, and love between a mother and her son—and about the joy of reading, and the ways that joy is multiplied when we share it with others. "A graceful, affecting testament to a mother and a life well lived." —Entertainment Weekly, Grade A During her treatment for cancer, Mary Anne Schwalbe and her son Will spent many hours sitting in waiting rooms together. To pass the time, they would talk about the books they were reading. Once, by chance, they read the same book at the same time—and an informal book club of two was born. Through their wide-ranging reading, Will and Mary Anne—and we, their fellow readers—are reminded how books can be comforting, astonishing, and illuminating, changing the way that we feel about and interact with the world around us.

All My Life Penguin

A gorgeous debut about family, friendship, first romance, and how to be true to one person you love without betraying another The Garretts are everything the Reeds are not. Loud, numerous, messy, affectionate. And every day from her balcony perch, seventeen-year-old Samantha Reed wishes she was one of them. . . until one summer evening, Jase Garrett climbs her terrace and changes everything. As the two fall fiercely in love, Jase's family makes Samantha one of their own. Then in an instant, the bottom drops out of her world and she is suddenly faced with an impossible decision. Which perfect family will save her? Or is it time she saved herself? A dreamy summer read, full of characters who stay with you long after the story is over. "A summer romance with depth." —The Boston Sunday Globe "Fitzpatrick's

excellent first novel movingly captures the intensity of first love." —Publishers Weekly, starred review "An almost perfect summer romance." —Kirkus Reviews "On par with authors such as Sarah Dessen and Deb Caletti." —SLJ

The Unwinding of the Miracle arsenal pulp press
NEW YORK TIMES BESTSELLER "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times From a former marine and Yale Law School graduate, a powerful account of growing up in a poor Rust Belt town that offers a broader, probing look at the struggles of America's white working class *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The decline of this group, a demographic of our country that has been slowly disintegrating over forty years, has been reported on with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually their grandchild (the author) would graduate from Yale Law School, a conventional marker of their success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that this is only the short, superficial version. Vance's grandparents, aunt, uncle, sister, and, most of all, his mother, struggled profoundly with the demands of their new middle-class life, and were never able to fully escape the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. Vance piercingly shows how he himself still carries around the demons of their chaotic family history. A deeply moving memoir with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Based on a True Story NavPress

"For twenty-eight years, Pamela Paul has been keeping a diary that records the books she reads, rather than the life she leads. Or does it? Over time, it's become clear that this Book of Books, or Bob, as she calls him, tells a much bigger story. For Paul, as for

many readers, books reflect her inner life--her fantasies and hopes, her dreams and ideas. And her life, in turn, influences which books she chooses, whether for solace or escape, diversion or self-reflection, information or entertainment. *My Life with Bob* isn't about what's in those books; it's about the relationship between books and readers"--

The End of Your Life Book Club Simon and Schuster

The instant #1 New York Times bestseller! "It's the best memoir I've ever read." —Oprah Winfrey "Will Smith isn't holding back in his bravely inspiring new memoir . . . An ultimately heartwarming read, Will provides a humane glimpse of the man behind the actor, producer and musician, as he bares all his insecurities and trauma." —USA Today One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a West Philadelphia kid to one of the biggest rap stars of his era, and then one of the biggest movie stars in Hollywood history, is an epic tale—but it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller *The Subtle Art of Not Giving a F*ck*, Will is the story of how one person mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

All But My Life Penguin

The wife and sons of baseball great Mickey Mantle tell the story of their private lives with a husband and father who was always in the public eye and almost never home, discussing their battles with alcoholism and sharing details of the closeness they were finally able to attain in Mickey's final years.

With 200 thought-provoking and lighthearted writing prompts and exercises organized into chapters based on life stages, *My Life Story* gets you started on your life's memoir and allows you to create a fully realized record of your adventures.

All the Young Men Random House

Your Story Matters presents a dynamic and spiritually formative process for understanding and redeeming the past in order to live well in the present and into the future. Leslie Leyland Fields has used and taught this practical and inspiring writing process for decades, helping people from all walks of life to access memory and sift through the truth of their stories. This is not just a book for writers. Each one of us has a story, and understanding God's work in our stories is a vital part of our faith. Through the spiritual practice of writing, we can "remember" his acts among us, "declare his glory among the nations," and pass on to others what we have witnessed of God in this life: the mysterious, the tragic, the miraculous, the ordinary. With a companion video curriculum from RightNow Media, this is a "why not" book as opposed to a "how to" book. Leslie asks each of us an important question: "Why not learn to tell your story, in the context of the grander story of God?"

Songs in the Key of My Life Grand Central Publishing

When Susan Lucci and *All My Children* were introduced to the world in 1970, American television changed forever. Susan's character, the beautiful, spirited, and mercurial Erica Kane, was an original—the first vixen viewers loved to hate. But while millions have enjoyed getting to know Erica's many sides, the woman who played her has remained a mystery. In her long-awaited memoir, this very private actress, wife, mother, daughter, grandmother, sister, friend, and entrepreneur pulls back the curtain to reveal her story. As charming, down-to-earth, and compelling as the woman whose story it tells, *All My Life* shines a spotlight on one of our most popular stars and reminds us of the power of dreams and how we can find the courage and

tenacity to make them come true. This edition contains a new chapter about the landmark final season of *All My Children*.

Haben Random House

A literary master's story about the aggravations and great joys of cats, from "a most sophisticated novelist, with a gusting humor and a hushed tenderness of detail" (Julian Barnes) In the autumn of 1965, flush with the unexpected success of his first published books, the Czech author Bohumil Hrabal bought a cottage in Kersko. From then until his death in 1997, he divided his time between Prague and his country retreat, where he wrote and tended to a community of feral cats. Over the years, his relationship to cats grew deeper and more complex, becoming a measure of the pressures, both private and public, that impinged on his life as a writer. *All My Cats*, written in 1983 after a serious car accident, is a confessional memoir, the chronicle of an author who becomes overwhelmed. As he is driven to the brink of madness by the dilemmas created by his indulgent love for the animals, there are episodes of intense brutality as he controls the feline population. Yet in the end, *All My Cats* is a book about Hrabal's relationship to nature, about the unlikely sources of redemption that come to him unbidden, like a gift from the cosmos—and about love.

A Hero All His Life Grove Press

The incredible life story of Haben Girma, the first Deafblind graduate of Harvard Law School, and her amazing journey from isolation to the world stage. Haben grew up spending summers with her family in the enchanting Eritrean city of Asmara. There, she discovered courage as she faced off against a bull she couldn't see, and found in herself an abiding strength as she absorbed her parents' harrowing experiences during Eritrea's thirty-year war with Ethiopia. Their refugee story inspired her to embark on a quest for knowledge, traveling the world in search of the secret to belonging. She explored numerous fascinating places, including Mali, where she helped build a school under the scorching Saharan sun. Her many adventures over the years range from the hair-raising to the hilarious. Haben defines disability as an opportunity for innovation. She learned non-visual techniques for everything from dancing salsa to handling an electric saw. She developed a text-to-braille communication system that created an exciting new way to connect with people. Haben pioneered her way through obstacles, graduated from

Harvard Law, and now uses her talents to advocate for people with disabilities. Haben takes readers through a thrilling game of blind hide-and-seek in Louisiana, a treacherous climb up an iceberg in Alaska, and a magical moment with President Obama at The White House. Warm, funny, thoughtful, and uplifting, this captivating memoir is a testament to one woman's determination to find the keys to connection. "This autobiography by a millennial Helen Keller teems with grace and grit." -- *O Magazine* "A profoundly important memoir." -- *The Times* ** As featured in *The Wall Street Journal*, *People*, and on *The TODAY Show* ** A *New York Times* "New & Noteworthy" Pick ** An *O Magazine* "Book of the Month" Pick ** A *Publishers Weekly* Bestseller **

The Secrets of My Life Simon & Schuster

Named one of the 100 greatest film books of all time by *The Hollywood Reporter*, this singular, warm-hearted, inspiring look at life itself is "the best thing Mr. Ebert has ever written" (Janet Maslin, *New York Times*). "To make ourselves unhappy is where all crime starts. We must try to contribute joy to the world. That is true no matter what our problems, our health, our circumstances. We must try. I didn't always know this, and am happy I lived long enough to find it out." Roger Ebert was the best-known film critic of his time. He began reviewing films for the *Chicago Sun-Times* in 1967, and was the first film critic ever to win a Pulitzer Prize. He appeared on television for four decades. In 2006, complications from thyroid cancer treatment resulted in the loss of his ability to eat, drink, or speak. But with the loss of his voice, Ebert became a more prolific and influential writer. And in *Life Itself* he told the full, dramatic story of his life and career. In this candid, personal history, Ebert chronicled it all: his loves, losses, and obsessions; his struggle and recovery from alcoholism; his marriage; his politics; and his spiritual beliefs. He wrote about his years at the *Sun-Times*, his colorful newspaper friends, and his life-changing collaboration with Gene Siskel. He shared his insights into movie stars and directors like John Wayne and Martin Scorsese. This is a story that only Roger Ebert could tell, filled with the same deep insight, dry wit, and sharp observations that his readers have long cherished,

Hold Still Vintage

A compassionate act drives a young single mother in Arkansas to the forefront of America's fight against AIDS in this "powerful" memoir (*Library Journal*). In 1986, twenty-six-year-old Ruth visits

a friend at the hospital when she notices that the door to one of the hospital rooms is painted red. She witnesses nurses drawing straws to see who would tend to the patient inside, all of them reluctant to enter the room. Out of impulse, Ruth herself enters the quarantined space and immediately begins to care for the young man who cries for his mother in the last moments of his life. Before she can even process what she's done, word spreads in the community that Ruth is the only person willing to help these young men afflicted by AIDS, and is called upon to nurse them. As she forges deep friendships with the men she helps, she works tirelessly to find them housing and jobs, even searching for funeral homes willing to take their bodies—often in the middle of the night. She cooks meals for tens of people out of discarded food found in the dumpsters behind supermarkets, stores rare medications for her most urgent patients, teaches sex-ed to drag queens after hours at secret bars, and becomes a beacon of hope to an otherwise spurned group of ailing gay men on the fringes of a deeply conservative state. Throughout the years, Ruth defies local pastors and nurses to help the men she cares for: Paul and Billy, Angel, Chip, Todd and Luke. Emboldened by the weight of their collective pain, she fervently advocates for their safety and visibility, ultimately advising Governor Bill Clinton on the national HIV-AIDS crisis. This deeply moving and elegiac memoir honors the extraordinary life of Ruth Coker Burks and the beloved men who fought valiantly for their lives with AIDS during a most hostile and misinformed time in America. Praise for *All the Young Men* A Finalist for the Lambda Literary Award One of *Library Journal's* Best Biographies and Memoirs of 2020 "Burks's spirited, straightforward prose balances the heartbreak of her story with just enough humor and toughness. A must-read for anyone interested in narratives of front-line responses to the early AIDS crisis as well as personal accounts of kindness and determination." —*Library Journal* (starred review) "Burks' vivid memories of 'my guys' and the trials she endured fighting against prejudice offer a portrait of courageous compassion that is both rare and inspiring . . . [A] deeply moving, meaningful book." —*Kirkus Reviews* "Anecdotes of small-town gay bars and drag queen rivalries add levity to tales of hardship and sacrifice—crosses set ablaze on her lawn, her young daughter ostracized at school. . . . This worthy account offers as much bitter as sweet." —*Publishers Weekly*

All My Cats National Geographic Books

#1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince’s early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince’s evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book’s fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince’s self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring’s riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he’d so carefully cultivated—and annotations that provide context to the book’s images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince’s ideas and vision, his voice and image—his undying gift to the world.

This Is Not My Life Chartwell

NEW YORK TIMES BESTSELLER • A deeply affecting coming-of-age memoir about family, love, loss, basketball—and life itself—by the beloved author of *The Prince of Tides* and *The Great Santini* During one unforgettable season as a Citadel cadet, Pat Conroy becomes part of a basketball team that is ultimately destined to fail. And yet for a military kid who grew up on the move, the Bulldogs provide a sanctuary from the cold, abrasive father who dominates his life—and a crucible for becoming his own man. With all the drama and incandescence of his bestselling fiction, Conroy re-creates his pivotal senior year as captain of the Citadel Bulldogs. He chronicles the highs and lows of that fateful 1966–67 season, his tough disciplinarian coach, the joys of winning, and the hard-won lessons of losing. Most of all, he recounts how a group of boys came together as a team, playing a sport that would become a metaphor for a man whose spirit could never be defeated. Praise for *My Losing Season* “A superb accomplishment, maybe the finest book Pat Conroy has written.”—The Washington Post Book World “A wonderfully rich memoir that you don’t have to be a sports fan to love.”—Houston Chronicle “A memoir with all the Conroy trademarks . . . Here’s ample proof that losers always tell the best stories.”—Newsweek “In *My Losing Season*, Conroy opens his arms wide to embrace his difficult past and almost everyone in it.”—New York Daily News “Haunting, bittersweet and as compelling as his bestselling fiction.”—Boston Herald Life From Scratch Little, Brown

Where Have I Been All My Life? is a compelling memoir recounting one woman’s journey through grief and a profound feeling of unworthiness to wholeness and healing. It begins with the chillingly sudden death of Rice’s mother, and is followed by her foray into the center of mourning. With wisdom, grace, and humor, Rice recounts the grief games she plays in an effort to resurrect her mother; her efforts to get her therapist, who she falls desperately in love with, to run away with her; and the transformation of her husband from fantasy man to ordinary guy to superhero. In the process, she experiences aching revelations about her family and her past—and realizes what she must leave behind, and what she can carry forward with her. *Your Life Is a Book - And It's Time to Write It!* Penguin

NEW YORK TIMES BESTSELLER • Read with Jenna Book Club Pick as Featured on Today • As a young mother facing a terminal diagnosis, Julie Yip-Williams began to write her story, a story like no other. What began as the chronicle of an imminent and early death became something much more—a powerful exhortation to the living. “An exquisitely moving portrait of the daily stuff of life.”—The New York Times Book Review (Editors’ Choice) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • Real Simple • Good Housekeeping That Julie Yip-Williams survived infancy was a miracle. Born blind in Vietnam, she narrowly escaped euthanasia at the hands of her grandmother, only to flee with her family the political upheaval of her country in the late 1970s. Loaded into a rickety boat with three hundred other refugees, Julie made it to Hong Kong and, ultimately, America, where a surgeon at UCLA gave her partial sight. She would go on to become a Harvard-educated lawyer, with a husband, a family, and a life she had once assumed would be impossible. Then, at age thirty-seven, with two little girls at home, Julie was diagnosed with terminal metastatic colon cancer, and a different journey began. *The Unwinding of the Miracle* is the story of a vigorous life refracted through the prism of imminent death. When she was first diagnosed, Julie Yip-Williams sought clarity and guidance through the experience and, finding none, began to write her way through it—a chronicle that grew beyond her imagining. Motherhood, marriage, the immigrant experience, ambition, love, wanderlust, tennis, fortune-tellers, grief, reincarnation, jealousy, comfort, pain, the marvel of the body in full rebellion—this book is as sprawling and majestic as the life it records. It is inspiring and instructive, delightful and shattering. It is a book of indelible moments, seared deep—an incomparable guide to living vividly by facing hard truths consciously. With humor, bracing honesty, and the cleansing power of well-deployed anger, Julie Yip-Williams set the stage for her lasting legacy and one final miracle: the story of her life. Praise for *The Unwinding of the Miracle* “Everything worth understanding and holding on to is in this book. . . . A miracle indeed.”—Kelly Corrigan, New York Times bestselling author “A beautifully written, moving, and compassionate chronicle that deserves to be read and absorbed widely.”—Siddhartha Mukherjee, Pulitzer Prize-winning author of *The Emperor of All Maladies*
