CONOR MATA

Absolution Lila Rose
 Reporter Kevin Price has a knack for tripping over his own feet. And everyone else's. He's in over his head undercover at the Haven, a swanky gay sex club, determined to find out why members of the club keep vanishing. Five minutes inside and he can no longer deny the truth about his sexuality. He turns to the one man he can't get out of his head, the sexy ex-cop handling security. Too bad Kevin doesn't trust cops. Not since the only night he let himself be with another man. Walter Simon doesn't do the club scene anymore. Not since he found love and lost it. That doesn't mean he'll let anyone hurt more innocent gay men. Even if that means going head-to-head with the klutzy, closeted, much-younger reporter. Kevin has information about the disappearances. Better to keep him close. And safe. Neither is at the club to hook up or fall in love. Now they must work together amid their growing passion in order to uncover the truth before more men disappear. Note: How to Save a Life features Walter Simon, a secondary character from MORE, but can be read as a stand-alone story. This book contains explicit sexual content and graphic language.

More Than Hate You Penguin

The biggest case of Eddie's career and nothing's going right. He's

stuck in a stifling courtroom with the air conditioning on the fritz during the worst heat wave in years, and the judge has denied his latest motion. He just wants to spend a quiet night celebrating with his partner, Mike, on their fifteenth anniversary. But Mike has a surprise in mind this year. A surprise that may be more than Eddie imagined possible.

More Than Ever (More Book 3) Sloan Parker Press

Friends and Lovers: Two Short M/M Romances Blueheart Press

He never expected he'd get a second chance with the love of his life. Heartbroken and lonely, Billy's been breaking into his ex-lover's apartment every Friday night for a little solo sex in the bed they used to share. One night he gets caught. Now he has only seconds to decide if he should stay or run from the most meaningful encounter of his life--and maybe a chance at love again. This story includes M/M/M sexual content.

Lex Sloan Parker Press

In Annapolis, Maryland, seventh-grader Wes is a good teammate but this basketball season has been challenging because of his ball hog teammate Dinero, who is determined to steal the spotlight, and Wes's army veteran father who is suffering from PTSD.

With inspiring photos, easy-to-follow instructions, and 17 terrific designs at your fingertips, you're on your way to a great year!

Hawks Mc Dell

Warm Hawaiian sun. Lazy beach days. Flirty texts with her boyfriend back in Seattle. These are the things seventeen-year-old Sloane McIntyre pictured when she imagined the summer she'd be spending at her mom's home in Hawaii with her twin brother, Penn. Instead, after learning an unthinkable secret about her boyfriend, Tyler, and best friend, Mick, all she has is a fractured hand and a completely shattered heart. Once she arrives in Honolulu, though, Sloane hopes that Hawaii might just be the escape she needs. With beach bonfires, old friends, exotic food, and the wonders of a waterproof cast, there's no reason Sloane shouldn't enjoy her summer. And when she meets Finn McAllister, the handsome son of a hotel magnate who doesn't always play by the rules, she knows he's the perfect distraction from everything that's so wrong back home. But it turns out a measly ocean isn't nearly enough to stop all the emails, texts, and voicemails from her ex-boyfriend and ex-best friend, desperate to explain away their betrayal. And as her casual connection with Finn grows deeper, Sloane's carefree summer might not be as easy to come by as she'd hoped. Weighing years of history with Mick and Tyler against their deception, and the delicate possibility of new love, Sloane must decide when to forgive, and when to live for herself.

Richard, Luke, and Matthew return in this sequel to MORE, a Rainbow Award winner for Best Gay Contemporary Romance. Investment manager and always-in-control Richard Marshall has just landed a historic estate he's waited years to acquire. Gone a lot for his work, he's seriously craving his men. Yet it's more than just the sex he's missing. Emotionally-traumatized Luke is still dealing with the aftereffects of his father's attempt to kill him, and Matthew's trying to find his way as part of a menage relationship. When Luke and Matthew come clean with Richard about what they've been feeling, he knows there's only one way to solve all his problems: keep them close by accepting their help to investigate why someone wants to destroy the mansion he's trying to save. When it becomes clear he's put his family in danger, Richard has to choose between giving up control and pushing away the men he loves right when they've started to heal and have rekindled the explosive chemistry that brought them all together. A menage relationship is hard enough. Add in danger, intrigue, a haunted mansion, and three sexually frustrated men, and it's not a typical love story. It's much more. This book contains explicit sexual content, graphic language, and an all-male menage relationship.

Winning on Purpose Penguin

After four years abroad, artist Jonas Davenport has come home to start building his dream of owning his own art studio and gallery. But just as he's ready to put the darkness of his past behind him forever, it comes roaring back with a vengeance. The only thing keeping ex-cop Mace Calhoun from eating his own gun after an unthinkable loss is his role in an underground syndicate that seeks to get justice for the innocent by taking the lives of the guilty. Ending the life of the young artist who committed unspeakable crimes against the most vulnerable of victims should have been the easiest thing in the world. So why can't he

bring himself to pull the trigger? After years of fighting in an endless, soul-sucking war, Navy SEAL Cole Bridgerton has come home to fight another battle - dealing with the discovery that the younger sister who ran away from home eight years earlier is lost to him forever. He needs answers and the only person who can give them to him is a young man struggling to put his life back together. But he never expected to feel something more for the haunted artist. Cole and Mace. One lives by the rules, the other makes his own. One seeks justice through the law while the other seeks it with his gun. Two men, one light, one dark, will find themselves and each other when they're forced to stand side by side to protect Jonas from an unseen evil that will stop at nothing to silence the young artist forever. But each man's scars run deep and even the strength of three may not be enough to save them... Note: Contains m/m/m scenes and is intended for mature audiences Triggers: References to sexual abuse of a child This is book 1 in a series but can be read as standalone...no cliffhangers. 17 Quilts and More for 6 Seasonal Occasions Sloan Parker Press After Wilson Curtis was publicly outed, his restaurant business left in tatters, and dumped by his closeted boyfriend, he goes to Key West alone. There he meets Simon Stanford and Adam Preston. Wil soon learns that love isn't always conventional, and the only thing better than giving your heart to one man, is giving it to two.

Disasterology 101 John Wiley & Sons

Two men, who have every reason in the world to run from what they're feeling, find they cannot deny themselves a chance at a love like this. Lincoln McCaw lost everything after he caused a fatal accident. A year later, he's drowning the guilt and despair in whiskey, but he needs to move on. His sister and her kids are counting on him. Then he meets a man who ignites a passion Lincoln thought he'd never find. Too bad one night is all they can have together. Now he needs to figure out how to turn away from the only person who makes him feel alive before whoever is sending him threats decides Lincoln needs to suffer more than he already has. Jay Miller is surrounded by grief and misery until he finally gives in to all those years of sexual fantasies about being with another guy. Realizing he's ended up in the arms of the man who caused his wife's accident, he tries to pull away. But how can he give up a friendship he needs more than anything—a friendship and a love that could save him? He may not have time to make the choice before someone else destroys it all. Length: 101,781 words. This book contains explicit sexual content and graphic language.

A Savage Place Sloan Parker Press

Kevin Morrison had it all. A house he worked hard for, a loving wife, and three beautiful children. But it wasn't until his marriage ended that he realized what the void he'd felt almost all his life meant. Coming out as a gay man at thirty-six is not an easy feat, but he is determined to be true to his heart. Meeting a man who shares his values, and is good with his children would be a bonus, but when the guy arrives in a uniquely wrapped package, and has very specific handling instructions, Kevin needs to decide if he's up for that kind of love. Obsessed with order and symmetry, and a paralyzing fear of germs, Cedric Haughton-Disley has lived with isolation and loneliness as long as he can remember. Desperate to be normal, he makes some much-needed changes in his life. If he can commit to his treatment, he might very well be able to procure some quality of life... even if that's all he can get, as finding love and having a relationship are only possible in Cedric's wildest dreams. But when a chance encounter leaves Cedric wishing for more, he decides to take a leap of faith, and pursue the guy he wants. Together the two men make an unlikely match. Cedric needs organization, and Kevin represents chaos. In order to stay together they both need to compromise, but will

they be able to deal with Cedric's issues and the potential disaster, or let it break them apart?

The Unbeatable Strategy of Loving Customers Createspace Independent Publishing Platform

Great leaders embrace a higher purpose to win. The Net Promoter System shines as their guiding star. Few management ideas have spread so far and wide as the Net Promoter System (NPS). Since its conception almost two decades ago by customer loyalty guru Fred Reichheld, thousands of companies around the world have adopted it—from industrial titans such as Mercedes-Benz and Cummins to tech giants like Apple and Amazon to digital innovators such as Warby Parker and Peloton. Now, Reichheld has raised the bar yet again. In *Winning on Purpose*, he demonstrates that the primary purpose of a business should be to enrich the lives of its customers. Why? Because when customers feel this love, they come back for more and bring their friends—generating good profits. This is NPS 3.0 and it puts a new take on the age-old Golden Rule—treat customers the way you would want a loved one treated—at the heart of enduring business success. As the compelling examples in this book illustrate, companies with superior NPS consistently deliver higher returns to shareholders across a wide array of industries. But winning on purpose isn't easy. Reichheld also explains why many NPS practitioners achieve just a small fraction of the system's full potential, and he presents the newest thinking and best practices for doing NPS right. He unveils the Earned Growth Rate (EGR): the first reliable, complementary accounting measure that can truly leverage the power of NPS. With keen insight and moving personal stories, Reichheld advances the thinking and practice of NPS. *Winning on Purpose* is your indispensable guide for inspiring customer love within your own teams and using Net Promoter to achieve both personal and business success.

Breathe Sloan Parker Press

The #1 Principle of Sustainable Business Success Is Simpler Than You Think “Do the Right Thing is about how any company can stay true to its soul. Jim Parker’s deep and abiding belief in the power of people and culture in building a business of lasting worth is evident everywhere; so too is his humility and selflessness as a leader—his stories are not about his own achievements, which are many, but those of the people he led, one of the great success stories of our time.” --Sean Moriarty, CEO, Ticketmaster “Do the Right Thing offers insightful views into the culture, leadership, and decisions that build great companies the right way. A must read for my management team. THIS BOOK ROCKS.” --Kent Taylor, Founder and Chairman, Texas Roadhouse Restaurants “The book is a fun read filled with memorable stories that get at the heart of what it takes to lead in a way that simultaneously satisfies employees, customers, and shareholders. Jim Parker plays the role of eloquent detective and ferrets out the interweaving parts that distributed leadership, culture, values, and teamwork play as the underlying layers of a company’s success. This is a book about heroes at all levels and the environment needed to create those heroes. A must-read for today’s leaders.” --Professor Deborah Ancona, Seley Distinguished Professor of Management and Faculty Director of the MIT Leadership Center, Sloan School of Management “You’ll laugh and cry reading Jim’s book, and probably won’t be able to put it down. It will forever change the way you view the employees in your organization.” --Beverly K. Carmichael, Member, Board of Directors, Society for Human Resource Management People matter most. You know that. But most companies would rather slash costs, cut headcount, replace well-paid employees with lower-paid employees or outsourced workers, and reduce customer service. No wonder so many fail—while others focused on doing the right thing remain

profitable and growth oriented for decades. James F. Parker shows why “doing the right thing” isn’t just naïve “feel-goodism:” it’s the most powerful rule for business success. Parker’s stories won’t just convince you: They’ll move you. Naïve? No way. In this book, Southwest Airlines’ former CEO proves why doing what’s right is the #1 rule of business success. James F. Parker tells how after 9/11, Southwest made three pivotal decisions: no layoffs, no pay cuts, and no-hassle refunds for any customer wanting them. The result: Southwest remained profitable and its revenue passenger miles for 4Q01 held steady while the rest of its industry nearly collapsed...and Southwest’s market cap soon exceeded all its major competitors combined. These pivotal decisions grew naturally from Southwest’s culture of mutual respect and trust. Parker offers deeply personal insights into that culture, revealing how those same principles are used by other people and organizations, showing you that it’s really not that hard to Do The Right Thing! Why doing what’s right is the surest way to optimize and sustain value Putting people first...honestly, for real Finding great leaders at every level of the organization Hiring for attitude, training for skills Achieving unprecedented levels of teamwork (and fun!)

Finding Home Sloan Parker Press

Boston PI Spenser takes on a new case in this installment in Robert B. Parker's iconic New York Times bestselling series. Carolina Garcia-Ramirez is a rising star in national politics, taking on the establishment with her progressive agenda. Tough, outspoken, and driven, the young congresswoman has ignited a new conversation in Boston about race, poverty, health care, and the environment. Now facing her second campaign, she finds herself not only fighting a tight primary with an old guard challenger but also contending with numerous death threats coming from hundreds of suspects. When her chief of staff reaches out to Spenser for security and help finding the culprits of what he believes to be the most credible threats, Garcia-Ramirez is less than thrilled. Since her first grassroots run, she’s used to the antipathy and intimidation women of color often face when seeking power. To her, it’s all noise. But it turns out an FBI agent disagrees, warning Spenser that Garcia-Ramirez might be in real danger this time. It doesn’t take long for Spenser to cross paths with an extremist group called The Minutemen, led by a wealthy Harvard grad named Bishop Graves. Although Graves is a social media sensation, pushing an agenda of white supremacy and toxic masculinity, he denies he’s behind the attacks. As the primary nears and threats become a deadly plot, it’s up to Spenser, Hawk, and a surprise trusted ally to ensure the congresswoman is safe. This is Spenser doing what he does best, living by a personal code and moral compass that can’t ever be broken.

No Slam Dunk More Than Ever (More Book 3)

#1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) • Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her

slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Sloan Parker Press

“Handpicked by the Parker estate to be the keeper of the flame for the Spenser franchise, award-winning author Ace Atkins...rises flawlessly to the occasion.”—Kirkus Reviews When fourteen-year-old Mattie Sullivan asks Spenser to look into her mother’s murder, he’s not convinced by her claim that the wrong man was convicted. Mattie is street-smart, wise beyond her years, and now left to care for her younger siblings and an alcoholic grandmother in a dilapidated apartment in South Boston. But her need for closure and her determination to make things right hits Spenser where he lives. As Spenser becomes more involved, he thinks that Mattie may be onto something after all. And he’s going to need the help of his friend Hawk to find peace for Mattie—a job that’s more dangerous than he ever thought.

Robert B. Parker's Bye Bye Baby Little, Brown Books for Young Readers

After a series of explosive encounters with two men, a heartbroken loner breaks all of his rules for love. If you're going to break the rules, might as well break them big. An M/M/M gay romance. For fifteen years Luke Moore has lived by three rules: stay off his father's radar, never spend more than a single night with any man, and never fall in love again. But one night of

explosive sex and two men he can't get out of his head have Luke breaking every one of his rules. Richard and Matthew push him past all his boundaries—both sexually and personally—and now he's no longer hiding from his senator father. He's taking him on. And he isn't just falling for one man. He's falling for two. If you're going to break the rules, might as well break them big. But Luke's father has his reasons for hating how his son lives, and he'll do whatever he can and use all his power to keep Luke away from Richard and Matthew. Can this threesome find a way to make their unconventional relationship last with the world around them trying to pull them apart? And will Luke be able to keep breaking his rules for Richard and Matthew, or will he head back to his old way of life just when his new lovers want to pull him closer? This book contains explicit sexual content, graphic language, and an all-male menage relationship.

Three's Company Philomel Books

Realizing he's ended up in the arms of the man who caused his wife's accident, he tries to pull away. But how can he give up a friendship he needs more than anything—a friendship and a love that could save him? He may not have time to make the choice before someone else destroys it all.

The Immortal Life of Henrietta Lacks Sloan Parker Press

Aspiring television writer Evan Walker has been in love with his best friend since high school, but Kyle doesn't do boyfriends. Never has. Never will. Evan knows it's a bad idea to give in to desire when he wants more than a friend with benefits. He has a new dream job. Now all he needs is the dream partner. Kyle Bennett is a mystery novelist with a severe case of writer's block. He needs a change. He has three days on their cross-country train trip home for the holidays to figure out how to tell Evan he's staying there for good. He also has to write the overdue pages for his editor. Only, he's a little too distracted by the close quarters in their sleeper compartment—and Evan's ass—to get much done. The sparks that fly between them are hotter than ever. Good thing they have a real-life mystery to focus on: why people all around them, including Evan's new boss, want to get their hands on a journal that once belonged to Kyle's grandfather. When a blizzard traps them in the mountains, Kyle and Evan steam up the train's windows and must finally face their true desires. This book contains explicit sexual content and graphic language.
