 Imagine ... between the visible and the unseen is a guiding force that some call Spirit, the Holy Will, the Divine, the Field, or Consciousness. Using this card deck by Colette Baron-Reid will connect you to that larger Consciousness and guide you as you travel along on the journey of your life. The themes of these 54 cards represent some of the places you'll visit, the conditions you may encounter, and the allies and challengers you'll meet as you navigate a metaphoric map of your life's journey. The enclosed guidebook will help you ask the right questions and interpret the messages in your readings.

 Owl Medicine is a narrative non-fiction adventure of self-discovery, inter-personal struggle, and intrigue. The story opens with the author's discovery of a dead owl swinging upside down from a tree. Believing her discovery to be a message that shouldn't be ignored, she seeks insight from a clairvoyant metaphysical 'teacher' with whom she, her husband Karl, and a small group of friends have been studying. The teacher responds with surprisingly little insight and the author strikes out on her own to discover the message of the owl. Owl Medicine is unique because it introduces readers to valuable tools (Runes/Medicine Cards/dream exploration) for spiritual growth, while indulging the simple joy of getting lost in a good story. The single most unique feature of Owl Medicine, however, is its emphasis on the dynamics of Lisa and Karl's spiritual growth as a couple and the crucial role that communication plays in their success. Owl Medicine is not so much a "how-to" book as it is a "See, this-really-can-be-lived!" affirmation. "Medicine Cards" is a trademark registered to David Carson and Jamie Sams.

Birds were once considered to be messengers from the Gods to humankind, and the Tarot was once called "...the game of Gods and Birds." Ancient societies all over the World set great store by their Augurs, who were experts at divination by analysis of birds. These magical magician-priests had the skills to interpret the flight patterns and behavior of birds in order to translate the desires of their Deities. Every bird in this beautifully illustrated 78-card deck has been carefully chosen for its relationship to each Tarot card, and uses mythology, folklore, and legend, as well as the natural characteristics of each bird, to underline that connection. We invite you to fly into the world of magic as you learn the secret language of birds. Includes cards and book.

The Starseed Dialogues is a clear and concise compilation of questions Patricia Cori has received from readers, which she then turned over to the Speakers of the Sirian High Council for answers. Cori is among many who predict that life on Earth will change dramatically after December 2012, as we ascend into a fourth dimension beyond spacetime. What will happen to us as we approach the point of ascension? Does ascending in the light body hurt? This book answers these questions and many others about the direct link between our evolving DNA; the inner world of Agharta; the current earth changes and our shift in consciousness; and the significance of visiting sacred sites such as Stonehenge to receive celestial messages. As always, the Speakers' message rings clear: do not fear what lies ahead, for we are about to experience a glorious transformation of consciousness—and although the prophets speak of doom and destruction, the darkest hours are already upon us. What awaits us is a brilliant new age of truth, light, and beauty.

Teachings from the Sirian High Council to help humanity as we merge into the 4th dimension • Shares empowering insights and revelations from six-dimensional Sirian Light Emissaries to help us understand the darkness and focus on light for all humanity and the earth • Explains what we are undergoing right now around the globe, including the rush to merge the human mind with artificial intelligence, ET disclosure, and the dark forces that are losing their grip on our planet and humanity • Offers Sirian guidance for surviving our imminent collective ascension and awakening en masse to new levels of conscious awareness In 1996, while visiting the Julia Set crop circle in England, Patricia Cori experienced a galactic out-of-body journey—a transformational awakening that attuned her to a group of interdimensional light beings known to her as the Sirian High Council. Serving as their scribe now for more than 25 years, she shares the insights and teachings of these six-dimensional Sirian Light Emissaries to help humanity as we merge into the fourth dimension and face our collective karma—the source of so much of the dramatic events now unfolding around the world. Sharing new revelations that affirm the veracity of past prophecies as well as transmitting new visions for the human race, Cori's messages from higher realms empower readers to peer fearlessly into the darkness, to understand it, and to focus on the light for all humankind and the earth. She explains how the Sirians hold us to our responsibility as guardians of this planet, with sound direction and advice for how to survive our imminent collective ascension and global awakening to new levels of conscious awareness. The Sirians' discussions explain what we are undergoing right now and delve into many of the most crucial issues of our time, including the rush to merge the human mind with artificial intelligence, ET disclosure, cloning, the slipping of time, and the dark forces that are losing their grip on our planet and humanity. As the struggle between darkness and light is being fought at every level, Cori reminds us to take comfort in the fact that the Sirian High Council foresaw and told us how this

time of immense upheaval would be the last phase of our passage out of the darkness and into illuminated states of consciousness and the light of planetary renewal.
