"Kamala
Markandaya,
whose Nectar
in a Sieve
(1955) was a
miniature epic
about India's

poor, returns
to the earlier
concerns of
that book in A
Handful of
Rice. Ravi is a
village son
who has left
his desolate,
destitute
home for the
promise of the
city. There he
falls into the

company of
similarly
rootless young
men, presided
over by the
wily city boy,
Damodar, who
appears
fitfully through
the book as a
seducer to
criminal and
get-rich-quick
schemes

which Damodar is clever enough to survive and thrive by. By a chance misdeed, Ravi becomes acquainted with the tailor Apu and his family; Apu's daughter Nalini wins his heart and brings him from the streets into the already crowded household, first as Apu's apprentice, then his son-in-law. The author recreates the life of the respectable poor with moving fidelity as they face the problems of food, illness, unemployment. When Apu dies, the still rebellious but worn Ravi, now a father of three and head of the household, cannot keep his customers. After the death of his son, he reverts to the street, but Damodar now discards him as unfit for dangerous enterprises, and he ends storming the rice supplies with the mob. A portrait in poverty, which is part of the history of our times. It is less compelling than the earlier book as a novel while managing the same concerned compassion."-

 A sparkingly profound novel about the conflict between love and loyalty
 The quiet life of schoolmaster Bill Mor and his wife Nan is disturbed when a young woman, Rain Carter, arrives at the school

to paint the portrait of the headmaster. Mor, hoping to enter politics, becomes aware of new desires. A complex battle develops, involving love, guilt, magic, art, and political ambition. Mor's teenage children and their mother fight discreetly and ruthlessly against the invader. The Head, himself disenchanted, advises Mor to seize the girl and run. The final decision rests with Rain. Can a

The Autobiography of My Mother W. W. Norton & Company
 The *Nowhere Man* is an intricate, perceptive tragedy of alienation centered around the violent racism sparked by Britain's post-war immigration drive. Srinivas, an elderly Brahmin, has been living in south London suburb for 30 years. After the death of his son, and

later his wife, this lonely man is befriended by an Englishwoman in her sixties, whom he takes into his home. The two form a deep and abiding relationship. But the haven they have created for themselves proves to be a fragile one. Racist violence enters their world and Srinivas's life changes irrevocably--as does his dream of England as a country of tolerance and

equality. First published in 1972, *The Nowhere Man* depicts a London convulsed by fear and bitterness. Truly shocking, *The Nowhere Man* is as relevant today as when it was first published almost 50 years ago.

 Step into the world of societal expectations and personal liberation with Henrik Ibsen's groundbreaking play, “*A Doll's House*.”

This poignant narrative follows Nora Helmer, a seemingly content wife, as she grapples with the constraints of her marriage and the roles imposed on her by society. As the story unfolds, Ibsen masterfully reveals the complexities of marriage, gender roles, and individual identity. Nora's journey of self-discovery challenges the traditional notions of femininity and duty, making this play a

timeless exploration of personal freedom and societal norms. But here's the provocative question that will ignite your curiosity: What happens when a woman decides to reclaim her autonomy in a world that expects her to conform? Nora's bold choices lead to dramatic revelations that resonate deeply with audiences, prompting reflection on the nature of love and sacrifice. With

its rich character development and powerful dialogue, "A Doll's House" remains a cornerstone of modern theater. Ibsen's unflinching examination of societal expectations encourages readers to confront their own beliefs about relationships and personal agency. Are you ready to witness Nora's transformative journey as she challenges the confines of her domestic life? This play is essential for

anyone interested in literature that examines social issues and the human condition. Ibsen's compelling storytelling invites audiences to engage with the fundamental questions of identity, duty, and freedom. Don't miss the opportunity to experience this revolutionary work. Purchase "A Doll's House by Henrik Ibsen" today and join the conversation about the

roles we play in our own lives. A Handful of Rice Quartet Books (UK) (© 2011) The Subcommittee on the Catechism, United States Conference of Catholic Bishops, has found that this catechetical high school text is in conformity with the Catechism of the Catholic Church and fulfills the requirements of Core Course III of the Doctrinal Elements of a Curriculum Framework for the

Development of Catechetical Materials for Young People of High School Age. The Paschal Mystery of Christ's Cross and Resurrection is the pinnacle of God's redemptive plan for his people. In Jesus Christ: Source of Our Salvation, students delve deeply into the saving actions of the Lord. This text unpacks the meaning of God's sacred and mysterious plan from creation,

onward to the consequences of the fall and the promise of a Savior, while ultimately focusing on the Life, Passion, Death, and Resurrection of Jesus Christ.

offers a view into parallels between seemingly out-of-this-world ant societies and our own, including cities, an intense work ethic, division of labor, intragroup cooperation combined with genocidal outgroup warfare, even a kind of to-the-death national loyalty. The authors’ scientific rigor is matched by their joy in their subjects.”—The Wall Street Journal Shortlisted for

the 2022 Helen and Kurt Wolff Translator’s Prize This sweeping portrait of the world’s uncontested six-legged conquerors will open your eyes to the secret societies thriving right beneath your feet—and shift your perspective on humanity. The closer you get to ants, the more human they look. Ants build megacities, tend gardens, wage wars, and farm livestock. Ants have

flourished since the age of the dinosaurs. There are one million ants for every one of us. Engineered by nature to fulfill their particular roles, ants flawlessly perform a complex symphony of tasks to sustain their colony—seemingly without a conductor—from fearsome army ants, who stage twelve-hour hunting raids where they devour thousands, to gentle leafcutters

cooperatively gardening in their peaceful underground kingdoms. Acclaimed biologist Susanne Foitzik has traveled the globe to study these master architects of Earth. Joined by journalist Olaf Fritsche, Foitzik invites readers deep into her world in both the field and the lab. Exploring these insects' tiny yet incredible lives will inspire new respect for ants as a global superpower. Publisher's

note: Planet of the Ants was previously published in hardcover as Empire of Ants. *Nectar in a Sieve* Ravenio Books "The Ayurvedic Cookbook" gives a fresh new perspective on this ancient art of self-healing. Over 250 taste-tested recipes are specifically designed to balance each constitution, with an emphasis on simplicity, ease and sound nutrition.

A search for the Beast, a Yeti-like creature within the

heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother,

a magazine reporter for International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is

amazed to discover much more than he could have imagined about the hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery. *India Rajpal & Sons*

Cuisine and Culture presents a multicultural and multiethnic approach that draws connections between major historical events and how and why these events affected and defined the culinary traditions of different societies. Witty and engaging, Civitello shows how history has shaped our diet--and how food has affected history. Prehistoric societies are

explored all the way to present day issues such as genetically modified foods and the rise of celebrity chefs. Civitello's humorous tone and deep knowledge are the perfect antidote to the usual scholarly and academic treatment of this universally important subject. Acclaimed writer Julia Alvarez's beloved first novel gives voice to four sisters as they grow up in two cultures. The García sisters—Carla, Sandra, Yolanda, and Sofía—and their family must flee their home in the Dominican

Republic after their father's role in an attempt to overthrow brutal dictator Rafael Trujillo is discovered. They arrive in New York City in 1960 to a life far removed from their existence in the Caribbean. In the wondrous but not always welcoming U.S.A., their parents try to hold on to their old ways as the girls try to find new lives: by straightening their hair and wearing American fashions, and

by forgetting their Spanish. For them, it is at once liberating and excruciating to be caught between the old world and the new.
