The History Press
From highwaymen to healing waters and
from brewerys to bridges, not to mention
lots of castles, cathedrals, abbeys, towers,
passage tombs and priories, this collection
of fascinating stories, which started as a
regular series in the 'Kilkenny People',
details the lore and landmarks of County
Kilkenny from top to bottom. Read the
fascinating stories of the thatched villages
of South Kilkenny, of Ballyspellan Spa, of

the trio of treasures at Kilree, of Dunmore
Cave and, in the city itself, of Rothe House
and the Bishop's Palace. You can also
learn all about Cushendale Woollen Mills,
Fiddown Nature Reserve and the burial
place of King Heremon. Locals and visitors
alike will find plenty of interest in this
quirky collection.

Voices Of Ireland Running Press Book Publishers

This book explores the impact of the Lesson Books of the National Board of Education in Ireland in the nineteenth century. The author contextualizes the books used in national schools as well as across the wider British Empire: in doing so, he highlights the influence of the religious, social, political and cultural realms of the time. Firmly grounding the volume in its historical context, the author goes on to explore the contemporary moral climate and social influences, including imperialism, morality, rote-learning and socialization. Through meticulous analysis of each Lesson Book, the author traces the evolution of education in Ireland as a reflection of contemporary society, as it changes and transforms in line with cultural, religious and social changes. This pioneering and comprehensive volume will be of interest and value to students and scholars of education in Ireland as well as education in the British Empire more widely.

The Rogue Narrative and Irish Fiction, 1660-1790 London : Scott, [18--]

Describes the Ireland of the 19th-century tenant farmer.

Outlaws and Highwaymen Rowman & Littlefield

With characteristic lawlessness and connection to the common man, the figure of the rogue commanded the world of Irish fiction from 1660 to 1790. During this period of development for the Irish novel, this archetypal figure appears over and over again. Early Irish fiction combined the picaresque genre, focusing on a cunning, witty trickster or pícaro, with the escapades of real and notorious criminals. On the one hand, such rogue tales exemplified the English stereotypes of an unruly Ireland, but on the other, they also personified Irish patriotism. Existing between the dual publishing spheres of London and Dublin, the rogue narrative explored the complexities of Anglo-Irish relations. In this volume, Lines investigates why writers during the long eighteenth-century so often turned to the rogue narrative to discuss Ireland.

Alongside recognized works of Irish fiction, such as those by William Chaigneau, Richard Head, and Charles Johnston, Lines presents lesser-known and even

anonymous popular texts. With consideration for themes of conflict, migration, religion, and gender, Lines offers up a compelling connection between the rogues themselves, marked by persistence and adaptability, and the ever-popular rogue narrative in this early period of Irish writing.

Stories from Carleton Springer

This highly acclaimed book is being published for the first time in paperback. The author studies the cheap printed literature which was read in eighteenth and nineteenth century Ireland and the cultures of its audience. It takes an interdisciplinary approach to a little-known topic, pursuing comparisons with other regions such as Brittany and Scotland. By addressing questions such as the language shift and the unique social configuration of Ireland in this period, it adds a new dimension to the growing body of studies of popular culture in Europe.

Born in Dublin into the Anglo-Irish gentry, Anna Maria Hall moved to London when she was fifteen where she became famous for her books, plays and travel writing. It was her book, *Sketches of Irish Character* (1829) which made her a household name. This modern critical edition is based on Hall's third, revised edition of 1844.

Brokering Culture in Britain's Empire and

the Historical Novel examines the relationship between the historical sensibilities of nineteenth-century British and American "romancers" and the conceptual frameworks that eighteenth-century imperial interlocutors used to imagine and critique their own experiences of Britain's diffused, tenuous, and often accidental authority. Salyer argues that this cultural experience, more than what Lukács had in mind when he wrote of a mass historical consciousness after Napoleon, gave rise to the Romantic historiographical approach of writers such as Walter Scott, James Fenimore Cooper, Charles Brockden Brown and Frederick Marryat. This book traces the conversion of the eighteenth-century imperial speaker into the nineteenth-century "romance" hero through a number of proto-novelistic responses to the problem of Imperial history, including Edmund Burke in the *Annual Register* and the celebrated court case of James Annesley, among others. The author argues that popular Romantic novels such as Scott's *Waverley* and Cooper's *The Pioneers* convert the problem of narrating the political geographies of eighteenth-century Empire

into a discourse of history, placing the historical realities of negotiating Imperial authority at the heart of a nineteenth-century project that fictionalized the possibilities and limits of political historical agency in the modern nation state.

Life & Adventures of James Freney

County Kilkenny abounds in folk tales, myths and legends and a selection of the best, drawn from historical sources and newly recorded local reminiscence, have been brought to life here by local storyteller Anne Farrell. Kilkenny is the place where, legend has it, St Evin and St Molin once had to have their dispute settled by a shoal of fish; where the infamous Countess of Ormond brought fear and terror to the people of Grannagh; and where an imprudent local man decided to find out if the supposedly bottomless 'Kerry holes' would live up to their reputation. It is also said to be the home of a plethora of strange and magical creatures and stories abound of encounters with fairies, ghosts, banshees, shape-shifters and an army of cats who fought an epic battle near Dunmore Caves. From age-old legends and fantastical myths, to amusing anecdotes

and cautionary tales, this collection is a heady mix of bloodthirsty, funny, passionate and moving stories. It will take you into a remarkable world where you can let your imagination run wild.
