producers searched the musical eras from the 1920s to the 1980s for songs in Italian, Spanish and French. Bocelli also added some of his favorite international pop songs, including the Italian classics "L'Appuntamento" and "Quando M'Innamoro," the Latin American hit "Besame Mucho," and the French standard "Les Feuilles Mortes," which has become the much-loved English

standard "Autumn Leaves." "Solamente Una Vez" (a hit as "You Belong to My Heart" for stars including Elvis Presley and Bing Crosby) and "Somos Novios" (famously an English-language hit as "It's Impossible" for Perry Como) are also highlights of the album. The end result is Bocelli's amazingly beautiful interpretation of classics made popular by legendary vocalists from

Edith Piaf and Luis Miguel to Elvis Presley and Frank Sinatra. This folio includes all 14 tracks arranged for piano and voice with guitar chord frames.

Just the Way You Are Sheet Music Hal Leonard Corporation The first inside story of one of TV's most popular and beloved dramas, Grey's Anatomy. More than fifteen years after its premiere, Grey's
--	--	--

Anatomy remains one of the most beloved dramas on television and ABC's most important property. It typically wins its time slot and has ranked in the Top 20 most-watched shows in primetime for most of its seventeen-season run. It currently averages more than eight million viewers each week. Beyond that, it's been a cultural touchstone. It introduced the unique voice and vision of

Shonda Rhimes; it made Ellen Pompeo, Sandra Oh and T.R. Knight household names; and injected words and phrases into the cultural lexicon, such as "McDreamy," "seriously," and "you're my person." And the behind-the-scenes drama has always been just as juicy as what was happening in front of the camera, from the controversial departure of

Isaiah Washington to Katherine Heigl's fall from grace and Patrick Dempsey's shocking death episode. The show continued to hemorrhage key players, but the beloved hospital series never skipped a beat. Lynette Rice's *How to Save A Life* takes a totally unauthorized deep dive into the show's humble start, while offering exclusive intel on the behind-the-scenes culture, the most

heartbreaking departures and the more polarizing plotlines. This exhaustively enthusiastic book is one that no Grey's Anatomy fan should be without.
