 Versions higher than 4.0.1 probably won't be uploaded until Hellfrost got updated for SWADE. If I ind some free time I'll do a fix for the bugs mentioned above though. The folder will contain character sheets for Land of Fire once I updated them for SWADE and got the permission from Wiggy. Ally sheets are scheduled.

 The hardest thing to do is adjust to what SWADE does better than 5e, which is action. Don't let your players look at their character sheets to figure out there next move. Just ask them what's the coolest thing their character can do right now, and adjust the rules to do that. There's always a way to do it in Savage Worlds.
