Learn moreUSA - BASFUltramid ® Deep Gloss – The polyamide for high gloss in automotive interiors. Ultramid ® Deep Gloss is BASF’s new specialty polyamide for high-glossy components in automotive interiors. It shows a balanced property profile for components which are high gloss and yet at the same time resistant without any coating: high gloss levelUltramid® Deep GlossThe BASF Grow Smart™ University can help expand your knowledge outside of the fields and keep you informed throughout the entire season – from planning and planting to managing and harvesting. Read MoreCustom Seed Gloss 661 - agriculture.basf.usUltramid ® Deep Gloss is a new specialty polyamide suitable for components which are high-gloss. It reproduces structures true to detail. Thus, the material enables an interplay of light and shadow high in contrast. This provides designers with new opportunities to combine unusual textures with new levels of emotion.Performance Polymers - plastics-rubber.basf.comFrom indoor greenhouses to outdoor nurseries, BASF has the expertise and the product portfolio ornamental growers need to meet the intense demands of their operations. Our herbicides, fungicides, and biological controls help manage disease, weeds and insects while increasing plant health.BASF Ornamentals | HomeFor information on requesting a reasonable accommodation in the application process, visit the Company career page.BASF Jobs - Jobs in ColoradoBASF Ornamentals provides innovative solutions to help ornamentals managers and horticulturists ensure healthy, beautiful plants and sound profits. To do this, BASF offers a strong, diverse portfolio of crop protection products to meet the complex needs for today’s greenhouse and nursery growers.BASF Turf and Ornamentals | HomeMasterKure CC 300SB is a transparent, 30% solids, solvent-based, modified acrylic curing membrane. Apply it to damp or dry surfaces to provide a high-gloss finish. It complies with ASTM C 1315, Type 1, Class A. Recommended uses: Offices. Warehouses. Commercial buildings. Interior and exterior.MasterKure CC 300SB - master-builders-solutions.basf.usI agree with BASF User Agreements.* The data supplied voluntarily by you will be stored and processed by BASF SE using IT systems.
