power and determination", "Improve your personal and professional relationships" and "Be kind to yourself" etc. Mexica Simon and Schuster The year is 1531. In a small hut on the slopes of the volcano Popocateptl, scholar and poet Alvaro de Sevilla reflects on his extraordinary life. For Alvaro was one of the small army of conquistadors who, some years earlier, set out to conquer an empire...

Hernando Cortes is a man driven by his desire for gold and glory - in the name of his God and his country. Having been proclaimed a reincarnation of the god Quetzacoatl, the Feathered Serpent, shortly after his arrival in the New World, Cortes takes advantage of the hatred for the central state of Mexica - and their superstition - to force his way to the capital city. There he will meet

Montezuma, the Aztec Emperor, who at first welcomes the conquistadors to his city, showering them with gold. But it is an encounter between two civilisations - two worlds - that can only end in chaos, death and destruction.

millions of people In his 95 years, Norman Vincent Peale made a profound difference. The son of a minister in Lynchburg, Ohio, he went on to preach the Lord's word at Manhattan's now-famous Marble Collegiate Church, where he served as pastor for 52 years and oversaw the church's growth from 600 members to more than 5,000. He had a popular radio program for more than

But perhaps his most lasting and powerful contribution was as author of the mega-bestseller The Power of Positive Thinking, the groundbreaking book that provided new guidance and hope and changed countless lives for generations throughout the world. The True Joy of Positive Living is the inspiring true story of a humble man who started out poor in a

small Midwestern town and rose to become one of the most famous and influential American figures of the 20th century—a man of God who was awarded the Presidential Medal of Freedom, the country's highest civilian honor, by President Ronald Reagan in 1984. Together with this wife Ruth, Dr. Peale founded the Peale Center for Christian Living and Guideposts

magazine to ensure that his messages of self-confidence and the power of faith would continue to guide millions around the world even after his death. In his own uplifting words, Dr. Peale shares the story of a remarkable life lived with dignity and purpose. This stirring chronicle of an extraordinary soul—his unwavering service to the Lord and his remarkable development of the principles of

positivity that had a life-altering effect on so many—will be an inspiration to all who read it.
