**Fellow Heirs** Createspace Independent Publishing Platform

It was only supposed to be a short visit. It turned into a love affair. Melanie White is in trouble. Young, unmarried, with no resources to speak of, she's forced to flee home and hide out with her aunt on a ranch in a western mining town. She's just passing through on her way farther West, and it's a good thing, too: she can't stand the ranch owner. He's rowdy, immature...and undeniably attractive. David Tanner has his life just the way he likes it: he does what he wants, when he wants, and nobody can tell him any different--least of all, his former nanny's niece Melanie, who likes books more than people. But when a family emergency forces Melanie and David to work together, she discovers that there's more to him than meets the eye. And he finds out that life as a bachelor may not be what he likes after all. Contains mild language and sensual content within marriage.

Rise of the Dibor Createspace Independent Publishing Platform

Three young children, Mal, Ari and Martha, have been "touched" and are in possession of enormous talents, bestowed on them by a chance encounter with the Young Master. Now Ari, Mal and Martha find themselves in the wrong place and time because Ari has done the unthinkable, resulting in a perpetual red dawn. But that is the least of their worries! Ari is on the run, while

Mal and Martha attempt to keep their enemy at bay. The Strange Man is back and he's got even more sinister tricks up his sleeve ...

Coincidences in the Bible and in Biblical Hebrew Society for Promoting Christian Knowledge

Offers an introduction to the geography, history, and people of the Bible.

*A Greek-English Lexicon of the Septuagint* Baker Academic

This complete lexicon supercedes its two earlier editions (1993; 2002). The entire Septuagint, including the apocrypha, is covered. For the books of Samuel, Kings, Chronicles, and Judges the so-called Antiochene edition is fully covered in addition to the data as found in the standard edition by Rahlfs. Also fully covered are the two versions of Tobit, Esther, and Daniel. Based on the critically established Gottingen edition where it is available. If not, Rahlfs's edition is used. For close to 60% of a total of 9,550 headwords all the passages occurring in the LXX are either quoted or mentioned. A fully fledged lexicon, not a glossary merely listing translation equivalents in English.

Senses defined. Important lexicographical data such as synonyms, antonyms, idiomatic expressions, distinction between literal and figurative, combinations with prepositions, noun cases, syntagmatic information such as what kind of direct or indirect objects a given verb takes, what kind of nouns a given adjective is used with, and much more information abundantly presented and illustrated with quotes, mostly translated. High-frequency lexemes such as prepositions and conjunctions fully analysed. Data on contemporary Koine and Jewish Greek including the New Testament taken into account. Morphological information provided:

various tenses of verbs, genitive forms of nouns etc. Substantive references to the current scientific literature. An indispensable tool for students of the Septuagint, the New Testament, Hellenistic Judaism, and the Greek language.

DESCRIPTION: Read the story that turned children into warriors, and warriors into legends. The Dairne-Reih haven't been seen in Dionia for generations-their kind and their king, Morgui, banished long ago from haunting paradise. But when creation shows signs of deterioration, the kings of the seven realms converge in the sacred Gvindollion gathering to arrive at one inexplicable conclusion: Morgui has returned. In the hopes of entrusting Dionia's brave history and perilous future to a generation that has never known war, the kings decide to raise up their young sons as an elite group of warriors, known only as the Dibor. Gorn, legendary hero of the First Battle, is commissioned to teach the Dibor the art of war, leading them on a four-year adventure on the Isle of Kirstell. It is Luik, son of Lair, who soon emerges as the warband's spirited front man. But he

is not the only one of his peers to grow in power; his dear friend Fane discovers hidden abilities among the Mosfar under the mentorship of Li-Saide of Ot, while Princess Anorra finds that her lifelong tutor knows as much about combat as he does about etiquette. There is little time for the Dibor to enjoy the satisfaction of graduation, however, as a sinister plot is discovered to dethrone Dionia's kings and flatten the capital city of Adriel. The Dibor are summoned to war, along with the rest of Dionia's fighting men. It is before the gates of Adriel Palace that Luik and his army face Morgui's prince, Valdenil, as well as the unending ranks of the Dairne-Reih.

*Jews and Gentiles Together in the Family of God* The First Hebrew Primer for AdultsBiblical and Prayerbook Hebrew  
What's the best way to learn a new language? By approaching it not as a series of facts to memorize but as something alive, with a personality you can get to know and tendencies you can sometimes predict. Designed for long-term retention, *Learning Biblical Hebrew* focuses on helping students understand how the Hebrew language works and providing a solid grounding in Hebrew through extensive reading in the biblical text. Introduces advanced concepts in a form accessible to beginning students.

Focuses on historic patterns and changes that minimize memorization. Focuses on how the language works for long-term retention. Encourages mastery of paradigms from a handful of representative forms. Includes extensive translation from the third week of class. Prepares students for translation of unedited biblical texts by the end of first semester. Emphasizes reading comprehension rather than decoding. Promotes a strong oral component to enhance language competence. Written for first-year and second-year Hebrew students, grammar is laid out to present comprehensive concepts to first-year students and then to aid in review and deeper understanding for second-year students. Though written for Hebrew competency, Learning Biblical Hebrew is also well-suited for students with different learning styles and objectives.

*Half-Shell Prophecies* Eks Publishing

A noted authority on biblical Hebrew grammar uses the best of both deductive and inductive approaches with a view toward aiding exegesis.

Is your child not remembering those aleph bais letter sounds? Will you do anything to help them stick? This coloring book, part of the program "Aleph Bais Letter Sounds That Stick", is the answer to helping your toddler, preschooler, kindergartener, or grade-school child really remember the aleph bais letter sounds in a visual, hands-on, personalized, creative way, while enhancing both Phonological Awareness and Quick Naming. This is not just a coloring book. It is created by a Reading Specialist and Special Educator just for you. It comes with a bonus parent/teacher memo explaining how each character connects with its sound and mouth position, and a glossary

explaining the concepts of "sound" twins and cousins. Every letter picture is remembered through the character that matches the shape of the letter, the type of sound that is shown through the character of the letter, and the way the mouth looks when saying that sound connected to that same character. Each letter sound page has "twin letters", which have the same sound as the connected character, and "cousin" letters that have the same mouth motion, but which have a sound that is different in the sense of being loud or quiet when feeling your voice box. With character names that are easily retrieved, Your child will love this personalized approach to remembering their letter sounds, and best of all, they just won't come off! This is for typical learners, and for those children who are having trouble learning their letter names and sounds. It's full-proof. It has never not worked yet since its inception into schools and programs. Look out for the Character book of "Aleph Bais Letter Sounds That Stick" for detailed explanations for parents and teachers, flashcards, colored characters, and poems that show how to act out each letter. Your child or student will find their niche here. As my child said to me when seeing the pictures on the computer, "That's MY aleph bais!"

*Aleph Isn't Tough* Routledge

The Routledge Introductory Course in Biblical Hebrew provides a comprehensive introduction to Biblical Hebrew language and texts. Combining a fresh and innovative approach with an in-depth treatment of the language, it

presents the essentials of biblical grammar and vocabulary in an engaging and systematic way. Unlike other Biblical Hebrew courses, it is structured around a series of vibrant and memorable stories, with each story reinforced by grammar explanations, supportive exercises, and a concluding genuine biblical text. This coherent focus encourages students to engage with the text actively and facilitate their mastery of the language to the full. Features include: Forty units covering all the topics expected in a first-year Biblical Hebrew course, including the Hebrew writing system, pointing rules, nouns and adjectives, parsing, mastery of strong and weak verb paradigms and full attention to syntax Clear and detailed grammar explanations supported by plentiful examples An extensive assortment of varied and stimulating exercises designed to reinforce new grammar and develop students' ability to use Biblical Hebrew actively Incorporation of a wide range of genuine biblical texts to familiarise students with the main biblical narrative cycles and to equip them with the ability to read authentic material from the earliest stages of learning A free companion website ([www.routledge.com/cw/kahn](http://www.routledge.com/cw/kahn)) offering a wealth of additional instructor and student resources, including many extra exercises and biblical texts, flashcards to test knowledge, a vocabulary guide listing words by part of speech, a full answer key, translations of all the stories and biblical texts, a sample syllabus, coursework assignments covering the entire contents of the course and audio recordings of the stories and biblical texts Coherent chapter organisation to consolidate and reinforce learning consistently at each step of the course Grammar summary, two-way glossary

and subject index presented at the back of the book for easy access A user-friendly text design with original illustrations and clear presentation of the Hebrew script Written by an experienced instructor and extensively trialled at UCL, The Routledge Introductory Course in Biblical Hebrew will be an essential resource for all students beginning to learn Biblical Hebrew.

**Living Language Hebrew** OUP Oxford  
This author's works have been praised by numerous celebrities, the most notable being Nelson Mandela who described two of his African stories as 'Wonderful', the late Princess Diana who used to read two of his books to the Princes William and Harry when they were aged 9 and 7 years, and a former Chief Inspector of Schools for The Office for Standards in Education, Children's Services and Skills (OFSTED), who described the author's writing to the press as being of 'High quality literature.' The Kilkeny Cat has been written as a trilogy. Book One deals with the theme of 'truth', Book Two with 'justice', and Book Three on the theme of 'freedom'. All three books seek to show that truth, justice or freedom cannot exist in isolation, and that the only way one can experience any one of them is when one is able to experience all three. Book Three is set in the English North and has as its backdrop, the riots that embraced this area from the 1990s onwards. Recent riots all around the country merely reflect how deeply rooted the 'gang culture' of Great Britain has since become. The trilogy is designed to show that every country on the face of the Earth exercises discrimination against some of its citizens. The nature of discrimination may subtly change and vary from one country and situation to another in both shape and form, but it

will always be present in some degree for those of us who care to look. Particular forms of discrimination looked at in this trilogy include the issues of colour, race, religion, age, culture, sexism, disability, homophobia, gypsies, asylum seekers, refugees and economic migrants. These issues are looked at through the eyes of travelling cats, whose experiences mirror those of human society. Overarching all the themes of this trilogy is the issue of 'Good' versus 'Evil', where the terms 'God' and 'Satan' are used to denote opposing values, qualities and lifestyles. The speech of the cat characters who come from Jamaica is distinguished from the speech used by non-Jamaican cats by changing the word 'you' to 'ya' and its linguistic associates, and no attempt has been made to replicate the patois more commonly used by many Jamaican citizens. The Kilkeny Cat Trilogy is an allegorical story of all manner of discrimination practised throughout the world; and particularly in Ireland, Jamaica and England. Told through the eyes and experiences of travelling gypsy cats, it is a must for all cat lovers and students of the discrimination, the 'Northern Riots', Ireland, Jamaica and Northern England and 'Good v Evil.' It is suitable for reading by teenagers and adults.

This Supplement is intended to provide a diverse and extensive range of additional practice material for use in

mastering the grammatical content of *Introducing Biblical Hebrew* by Allen P. Ross (Grand Rapids: Baker Academic, 2001). It is based upon the writing system, vocabulary, morphology and syntax of Biblical Hebrew as these are presented in *Introducing Biblical Hebrew*, running parallel to the first 41 chapters of that volume. Chapters 1-6 deal progressively with the introductory issues of writing and pronouncing Hebrew, with practice based upon Genesis 1-2. Three types of exercise accompany the study of vocabulary, morphology and syntax: parsing of isolated forms, with emphasis upon the verb (chapters 10-41); two sections of sentences composed in Hebrew, the first focussed upon the material of the current chapter and the second containing longer sentences drawn from all the material encountered up to that point (chapters 3-41, with isolated phrases initially); and three sections of passages drawn directly from the Hebrew Bible (chapters 9-41) - isolated verses containing salient features of the grammar studied at that point, longer prose passages (Gen 1:1-2:4, 22:1-19, Deut 8-11, Ruth 1-4, Gen 37:12-36), and short poetic passages from the Psalms (Ps 1, 121, 133, 100, 103, 19, 113, 27, 91, 34, 8). Unfamiliar forms and syntax in the OT passages are footnoted, making it possible to read them without recourse to additional language tools. David M. Clemens (PhD, University of Chicago) is a lecturer in Hebrew at Regent College.

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying

clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.

*An Introduction to Hebrew for Adults* Urj Press

Developed by leading Hebrew-language educators, this text/audio program is great for self-study or group instruction. Four 60-minute audiocassettes and 30 text units help students speak, read, and understand modern Hebrew.

Introducing Biblical Hebrew Behrman House, Inc

Over the years, Outreach Israel Ministries and Messianic Apologetics have had to field the question, Do you believe that the New Testament was originally written in Hebrew? many, many times. Given the complicated spiritual and theological dynamics present within the Messianic movement-one has to really have some courage to say, No, we do not believe that the New Testament was originally written in Hebrew. There is, to be sure, no Hebrew New Testament document or fragment of any kind from the broad Biblical period. This stands in stark contrast to the fact that the Greek New Testament, and fragments of the Greek New Testament, are the most widely attested and accessible work of antiquity-even more so than the classical works of Greece and Rome. The claim that the Gospel of Matthew was originally written in Hebrew, has actually been disregarded by many in Biblical Studies. The idea that there are hundreds, if not thousands, of colloquial Hebrew expressions or Hebraisms contained in

the New Testament, so-called proof of a written Hebrew original, can be contested. Ultimately, because of much of the Messianic movement's leaders' lack of homework-there are many ideas circulating about a presumed "Hebrew New Testament" which cannot be substantiated. Sorting through this, sifting through data and noise, and evaluating what is fact and what is fiction-is by no means something easy. While seeking to maintain the inspiration, integrity, and reliability of the Greek Apostolic Scriptures-no one wants to be perceived as somehow trying to discount the veracity of the Hebrew Tanach, Hebrew language studies, or even studies in Judaism as somehow illegitimate. Yet, there are ideological questions to be asked about the existence of the Greek Apostolic Scriptures, historical questions to be asked about the logic of Hebrew New Testament proponents, and other significant side-issues to be evaluated. As we seek some resolution to these issues, we should each be asked to prayerfully and thoughtfully consider the following statement from Proverbs 18:17: "The one who first states a case seems right, until the other comes and cross-examines" (NRSV). Many of you are likely to have heard some teachings or statements on the origin of the Apostolic Scriptures or Messianic Writings-which have made some presumed "sense" to you. It may be time for you to perhaps consider another opinion as it involves the origins of the New Testament. This publication offers you some information, which you are going to have to weigh into your evaluations, as we consider some of the documented facts regarding the origin of the New Testament or Apostolic Scriptures.

Biblical Fiction Baker Academic  
 Unexplainable coincidences abound in the Bible and in biblical Hebrew. For example, the Hebrew words for ear and balance are derived from the same philological root. But it was only toward the end of the nineteenth century that scientists discovered that the human body's balancing mechanism resides in the ear. Coincidences in the Bible and in biblical Hebrew details scores of such incidents, including: Words in Hebrew that show intent to convey a message  
 Coincidences in the Hebrew language that show intent to convey hidden information, and occasionally information that could not be expected

to be known in biblical times Passages in the Bible that convey or assume information or knowledge unlikely to have been known in biblical times Other coincidences from Jewish tradition or Jewish history In this second edition, author Haim Shore discusses two types of coincidences-those that can be considered just that, and others that are subject to rigorous statistical analysis. Altogether, nineteen analyses have been conducted with highly significant results. Simple plots that accompany the analyses clarify their meanings and implications so that no prior statistical know-how is required. Genesis creation story is statistically analyzed."
