 Penton Media
 Dave Richardson bought his first motorcycle at 14. He wasn't much of a racer but wanted motorcycles to be his life. After a few odd jobs, he became a partner in newly-forming Moto International, and in no time, was thrust into running it. "It's a motorcycle shop.

How hard can it be?" How hard indeed? Dave thought the hard part would be attracting customers. He never dreamed of the unexpected challenges. In these pages, the author of Guzziology tells the surprising story of dealing with banks, motorcycle manufacturers and distributors, defense contractors, finance companies, the public, and the EPA. He tells of fixing problems ignored by manufacturers, advocating for improvements in bikes, and trying to get distributors to fix customer's bikes. His career in motorcycle shops spanned 34 years, representing at various times Aprilia, Cagiva, Ducati, Husqvarna, Hyosung, KTM, Laverda, MuZ, and Ural. But always, Moto Guzzi.

Each Haynes manual provides specific and detailed instructions for performing everything from basic maintenance and troubleshooting to a complete overhaul of the machine, in this case the Honda CBR1000RR Fireblade, model years 2004 through 2007. Do-it-yourselfers will find this service and repair manual more comprehensive than the factory manual, making it an indispensable part of their tool box. A typical Haynes manual covers: general information; troubleshooting; lubrication and routine maintenance; engine top end; engine lower end; primary drive, clutch and external shift mechanism; transmission and internal shift mechanism; engine management system; electrical system; wheels, tires and drivebelt; front suspension and steering; rear suspension; brakes; body, and color wiring diagrams. An index makes the manual easy to navigate.

From the bestselling authors of Tryin' to

Sleep in the Bed You Made comes a

heartwarming tale of how true friendship

can overcome life's obstacles. Gayle

Saunders and Patricia Reid have been

lifelong friends, as close as sisters. When

they were teens their dreams led them down separate paths and away from each other. But they reunited as adults, drawn back together by a bond of friendship that stood the test of time. Now Pat and Gayle co-own the Ell & Me Company, a business they founded based on a character Gayle created years ago for her daughter. Things are going well, but real-life dramas ensue as each must face issues from the past in order to protect the future. Pat and Marcus look like the perfect twenty-first-century couple -- smart, talented, each at the helm of a high-profile enterprise and at the top of their game. But behind closed doors their marriage is challenged by the stresses of a two-entrepreneur household. Will their professional pursuits leave them time for each other and a family, or carry them into the arms of others? Will a paternity claim prove to be too much of an obstacle to overcome? Gayle faces her own family drama and struggles to maintain control of her life. Despite dating other men, has she ever really gotten over her ex-husband, Ramsey, the gambler who left her and their daughter, Vanessa, in financial ruin? Gayle bends over backward to provide a stable, comfortable home for Vanessa, and support her dream of becoming a dancer. And Vanessa, a rebellious and hurtful teen, seems just as devoted to making Gayle pay for every mistake she has ever made. And what ever happened to Ramsey? In *Gotta Keep on Tryin'*, Virginia DeBerry and Donna Grant bring us heroines who remind you, for better and worse, of women everywhere -- women who know that true friendship keeps us grounded. And when things get rough the bond between women can be stronger than any trials we face.

Suzuki Haynes Manuals N. America, Incorporated
The improbable story of Luis Tiant--a living link to the earliest days of Fidel Castro's regime, a Boston Red Sox legend, and the most qualified 20th Century pitcher not

yet enshrined in the Baseball Hall of Fame Luis Tiant is one of the most charismatic and accomplished players in the history of the Boston Red Sox and all of Major League Baseball--a cigar-chomping maestro who was the heart and soul of Boston's title-contending teams in the 1970s. In his white polyester uniform, with a barrel-chested physique and a Fu Manchu mustache, Tiant may not have looked like the lean, sculpted aces he usually faced off against, but nobody was a tougher competitor on the diamond, and few were as successful. There may be no more qualified 20th-century pitcher not yet enshrined in the National Baseball Hall of Fame. His big-league dreams came at a steep price--racism in the Deep South and the Boston suburbs, and nearly fifteen years separated from a family held captive in Castro's Cuba. But baseball also delivered World Series stardom and a heroic return to his island home after close to a half-century of forced exile. The man whose name--El Tiante--became a Fenway Park battle cry has never fully shared his tale in his own words, until now. In *Son of Havana*, Tiant puts his huge heart on his sleeve and describes his road from fields strewn with rocks and rubbish in Havana to the pristine lawns of major league ballparks. Teammates, opponents, family, and media also weigh-in--including a foreword by fellow Red Sox legend Carl Yastrzemski and the first in-depth interview ever with Hall of Fame catcher Carlton Fisk on the magic behind these Boston batterymates. Readers will share Tiant's pride when appeals by a pair of U.S. senators to baseball-fanatic Castro secure freedom for Luis's parents to fly to Boston and witness the 1975 World Series glory of their child. And readers will join the big-league ballplayers for their spring 2016 exhibition game in Havana, when Tiant--a living link to the earliest, scariest days of the Castro regime--threw out the first pitch.
