In this timely new edition, distinguished authors Dukeminier and Johanson build on the success of their phenomenally popular casebook *Wills, Trusts, and Estates* with new coverage of non-traditional family arrangements, living wills, and much more. The authors blend cases selected for human interest as well as teaching value with provocative hypotheticals, cartoons, photographs, and other illustrations to comprehensively cover this area in a very lively, readable manner. Organized logically, The book begins with estate planning and its limitations, moves to wills and will substitutes, progresses to trusts, and concludes with a chapter on taxation. New topic coverage includes: babies inadvertently swapped in hospitals, surrogate mothers, lesbian adoption, and artificial insemination (including children conceived after sperm donor's death) living wills and powers of attorney for health care, including the Cruzan case And The Uniform Health Care Decisions Act a new chapter combining mental capacity and undue influence, which features the Seward Johnson will contest and related preventive lawyering issues shortened, more teachable chapters on future interests and perpetuities latest changes To The Uniform Probate Code a completely revised and reorganized trustee administration chapter Like its predecessors, this book is a lively, flexible, and understandable teaching tool that is accompanied by a detailed and witty Teacher's Manual, which is regarded as the best in the field.

Marital Agreements Simon and Schuster

The world remembers Nuremberg, where a handful of Nazi policymakers were brought to justice, but nearly forgotten are the proceedings at Dachau, where hundreds of Nazi guards, officers, and doctors stood trial for personally taking part in the torture and execution of prisoners inside the Dachau, Mauthausen, Flossenburg, and Buchenwald concentration camps. In *Justice at Dachau*, Joshua M. Greene, maker of the award winning documentary film *Witness: Voices from the Holocaust*, recreates the Dachau trials and reveals the dramatic story of William Denson, a soft-spoken young lawyer from Alabama whisked from teaching law at West Point to leading the prosecution in the largest series of Nazi trials in history. In a makeshift courtroom set up inside Hitler's first concentration camp, Denson was charged with building a team from lawyers who had no background in war crimes and determining charges for crimes that courts had never before confronted. Among the accused were Dr. Klaus Schilling, responsible for hundreds of deaths in his "research" for a cure for malaria; Edwin Katzen-Ellenbogen, a Harvard psychologist turned Gestapo informant; and one of history's most notorious female war criminals, Ilse Koch, "Bitch of Buchenwald," whose penchant for tattooed skins and human bone lamps made headlines worldwide. Denson, just thirty-two years old, with one criminal trial to his name, led a brilliant and successful prosecution, but nearly two years of exposure to such horrors took its toll. His wife divorced him, his weight dropped to 116 pounds, and he collapsed from exhaustion. Worst of all was the pressure from his army superiors to bring the trials to a rapid end when their agenda shifted away from punishing Nazis to

winning the Germans' support in the emerging Cold War. Denson persevered, determined to create a careful record of responsibility for the crimes of the Holocaust. When, in a final shocking twist, the United States used clandestine reversals and commutation of sentences to set free those found guilty at Dachau, Denson risked his army career to try to prevent justice from being undone. So your neighbor's giant sequoia is blocking your view. Who ya gonna call? The search for a 'dispute buster' should end with this helpful new book. *Sunset Magazine* - For anyone with a neighbor problem, [Neighbor Law] is a handy book indeed. It walks the reader through written and common law, tells you what your rights are and how to follow through on a complaint all the way to

court, if necessary.- *Oakland Tribune* - Explains how to use mediation services, research local laws, and present a convincing case in small claims court. - *Reuters* - Surprisingly, this is a fun read. The author includes interesting sidebars and court decisions to clarify her explanations. - *Sacramento Bee* - A Nolo book that gives practical, no-nonsense approaches to handling neighbor disputes. - *Los Angeles Times* - This classic book, which keeps getting better with each new edition, answers virtually all questions regarding fences, trees, boundaries and noise.- *Orlando Sentinel* - Jordan peppers the book with real stories of problems neighbors have with each other. The stories are interesting and, in some cases, hilarious. - *Arizona Republic* - Even if you don't have a serious neighbor problem yet, this well-written and complete book is a fun and educational read. It is extremely thorough and well-documented. 4 stars: excellent. - Robert Bruss, nationally syndicated real-estate columnist

**Domestic Asset Protection Trusts** West Academic Publishing  
In his major work, acclaimed historian and judicial authority Melvin Urofsky examines the great dissents throughout the Court's long history. Constitutional dialogue is one of the ways in which we as a people reinvent and reinvigorate our democratic society. The Supreme Court has interpreted the meaning of the Constitution, acknowledged that the Court's majority opinions have not always been right, and initiated a critical discourse about what a particular decision should mean before fashioning subsequent decisions--largely through the power of dissent. Urofsky shows how the practice grew slowly but steadily, beginning with the infamous and now overturned case of *Dred Scott v. Sandford* (1857) during which Chief Justice Roger Taney's opinion upheld slavery and ending with the present age of incivility, in which reasoned dialogue seems less and less possible. Dissent on the court and off, Urofsky argues in this major work, has been a crucial ingredient in keeping the Constitution alive and must continue to be so.
