Vraestel 1, Graad 12 Cengage Learning

The 21ST CENTURY BUSINESS SERIES is an innovative instructional program providing instructors with the greatest flexibility to deliver business content using a modular format. Instructors can create their own business courses by combining several Learner Guides in the Series to form one-semester or two-semester courses. The individual Learner Guides can also be used as enhancements to more traditional business courses or to tailor new courses to meet emerging needs. The design and content of each Learner Guide in the 21ST CENTURY BUSINESS SERIES is engaging yet easy for students to use. The content focuses on providing opportunities for applying 21st skills while enabling innovative learning methods that integrate the use of supportive technology and creative problem solving approaches in today's business world. The Introduction to Business Learner Guide covers today's most relevant business topics such as how business has been affected by the global economic crisis and recovery as well as global environmental issues. The roles of marketing and human resources management are also incorporated into this Learner Guide. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

franchise opportunities handbook WIPO

Written specifically to help lawyers and non-lawyers brush up on franchise law, this respected publication - now in its fourth edition - is charged with useful definitions, practical tips, and expert advice from experienced franchise law practitioners. This practical guide examines franchise law from a wide-range of experiences and viewpoints. Each chapter is written by two experienced practitioners to provide a well-rounded guide to the fundamentals of franchise law and key issues in the practice, including trademark law; structuring the franchise relationship; disclosure issues; registration; franchise relationship laws; antitrust law; counseling franchisees; and more.

Since 1991, Shawndell Pullam and Ryan Whitfield have been best friends and partners. From playing

basketball as teenagers, to running multiple business together, they have always shared a passion for entrepreneurship. After high school, they started their first business designing graphic t-shirts. In 2016, they opened their first Smoothie King location. Today, they are the successful owners of six Smoothie King franchises across the DC-Metro area.

Take Your Business from Average to Extraordinary The Wealthy Franchisee pulls concepts from cognitive behavioral therapy, brain science, interviews, and Scott Greenberg's firsthand experience as a franchisee to help readers replicate the mental habits, tactics, and financial results of high-performing franchisees. As a franchising consultant, Scott Greenberg has helped franchise owners and franchisees improve their performance. Readers will learn how to: Explore their own mental responses and become more self-aware Bring out the best in employees and build superstar teams Dazzle customers and increase sales with emotionally satisfying experiences Optimize the human elements of their operation so they can grow into a next-level enterprise and become wealthy
Franchise Opportunities Handbook UNC Press Books

Introduction to Business covers the scope and sequence of most introductory business courses. The book provides detailed explanations in the context of core themes such as customer satisfaction, ethics, entrepreneurship, global business, and managing change. Introduction to Business includes hundreds of current business examples from a range of industries and geographic locations, which feature a variety of individuals. The outcome is a balanced approach to the theory and application of business concepts, with attention to the knowledge and skills necessary for student success in this course and beyond.

The Franchise Annual Pearson South Africa

Using a series of case studies from five industries, Dicke analyzes franchising, a marketing system that combines large and small firms into a single administrative unit, strengthening both in the process. He studies the franchise industry from the 1840s to the 1980s, closely examining the rights and obligations of both the parent company and the franchise owner. Originally published in 1992. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

21st Century Business: Intro to Business

This book provides the essentials to write a successful business plan. The represented methods and best practices have been approved over many years in practice with many management consulting engagements. The book is beautifully structured, it has a pragmatic emphasis and an autodidactic approach. The reader gets acquainted with the skills and competencies as well as tools, required for the planning and development of the business plan project.
