Written by

well-respected authors, the suite provides a comprehensive, structured resource which covers the full Cambridge Secondary 1 framework and seamlessly progresses into the next stage. This engaging course supports teaching of the Science framework both theoretically and practically, with full coverage of the Scientific Enquiry framework

integrated throughout the series. This Coursebook for Stage 9 gives a thorough introduction to the concepts, and offers a wealth of ideas for hands-on activities to make the subject matter come to life. Integrated review of topics from Stages 7 and 8 as well as full coverage of the Stage 9 content provides preparation for the Cambridge Checkpoint Science test

and a solid foundation for progression into the Cambridge IGCSE Sciences. **Cambridge Checkpoint Lower Secondary English Student's Book 8** Hodder Education The Primary Checkpoints series is designed to provide ready-made stimulating activities. Familiarises students with a variety of assessment formats, such as, NAPLAN* Thematic units of work

covering areas of the curriculum such as reading; language conventions and numeracy to provide students with solid and relevant practice towards assessment tasks at the appropriate Primary level. Each unit of work contains:

- a text type, based on a theme that is relevant to the age and ability level of the student
- reading comprehension
- language convention
- numeracy

including mental arithmetic questions and problem solving. Each of the units also includes motivation or encouragement pages in which students complete tasks related to other curriculum areas such as:

- science
- geography
- history
- health
- nutrition and fitness
- social issues

Four Checkpoint Units to be completed in a 'test-like' or as a self-assessment activity. A

removable answers insert.
