Child Guidance

YWAM Publishing

A mighty ruler
discovers someone in
his kingdom has more
power than himself.
But when the king sets
out to destroy this
fearsome enemy, a
humble magician, the

tables are turned, and
an unexpected journey
begins. In this
beautifully illustrated
story with a timeless
message, a feared and
cruel king learns of a
wise magician in his
kingdom who is
rumored to be even
more powerful than
himself. The magician
can predict the future,
and even worse, he is

more popular than the fearsome king. Jealous and insecure, the enraged king plots to destroy this “enemy.” But, being a magician, he has a trick up his sleeve that saves his own life and the king’s. With help from an unexpected friend, the king transforms from a feared and brutal monarch to a beloved leader. Enduring messages about the power of wisdom and compassion are conveyed in a classic storytelling style and outstanding, original artwork.

The Power of Prayer in a Believer's Life

Random House
Heritage Edition—Over
100 illustrations of a
century ago.
Unabridged, original
text consisting of
inspiring and profound
lessons from the

stories and parables
which Jesus told. Christ
the Great Teacher
gave much of His
instruction as He
walked with His
disciples through the
hills and valleys of
Palestine or rested by
the lake or river. In His
parable teaching He
linked divine truth with
common things and
incidents, as may be
found in the
experiences of the
shepherd, the builder,
the tiller of the soil, the
traveler, and the
homemaker. Familiar
objects were
associated with
thoughts true and
beautiful—thoughts of
God’s loving interest in
us, of the grateful
homage that is His
due, and of the care
we should have one for
another. Thus lessons
of divine wisdom and
practical truth were

made forcible and impressive. The Scripture says, "All these things spake Jesus unto the multitude in parables; . . . that it might be fulfilled which was spoken by the prophet, saying, I will open My mouth in parables; I will utter things which have been kept secret from the foundation of the world." Matt. 13:34, 35. Natural things were the medium for the spiritual; the things of nature and the life-experience of His hearers were connected with the truths of the written word. Leading thus from the natural to the spiritual kingdom, Christ's parables are links in the chain of truth that unites man with God, and earth with heaven. In this

volume the parables are grouped according to their subjects, and their lessons are developed and illustrated. The book is full of gems of truth, and to many readers it will give a richer meaning to the common surroundings of everyday life. *Enchanted Love Del Nuevo Extremo* Mindfulness is considered the heart of Buddhist meditation. But its essence is universal and of deep practical benefit to everyone. In *Mindfulness Meditation for Everyday Life*, Jon Kabat-Zinn maps out a simple path for cultivating mindfulness in our lives, and awakening us to the unique beauty and possibilities of each present moment. He shows us how this

simple meditation technique can enable us to be truly in touch with where we already are, so that we can be fully aware at all times.

The Circuit Macmillan + ORM

Do you ever sit down to pray and struggle to find the right words? You want to spend time with God, but you don't know where to begin? *365 Days of Prayer for Women* is a beautiful book of topically arranged, guided prayers and complementary Scriptures that will enhance your prayer life and offer you peace, joy, and strength every day. God hears your voice when you direct it to him. He will step into every struggle and be your very present help in trouble. He will give you the words to say

even when you find yourself lacking. "He is able also to save forever those who draw near to God through Him, since He always lives to make intercession for them."

Hebrews 7:25 NASB

Las alergias no existen Upper West Side Philosophers Incorporated
Pablo Neruda is one of the world's most popular poets, and *The Book of Questions* is Copper Canyon's all-time best-seller. This updated bilingual edition is entirely re-designed and features a new cover, new interior, and an introduction by translator. In *The Book of Questions*, Neruda refuses to be corralled by the rational mind. Composed of 316 unanswerable questions, these

poems integrate the wonder of a child with the experiences of an adult. By turns Orphic, comic, surreal, and poignant, Neruda's questions lead the reader beyond reason into realms of intuition and pure imagination. Tell me, is the rose naked or is that her only dress? Why do trees conceal the splendor of their roots? Is there anything in the world sadder than a train standing in the rain? When Neruda died in 1973, *The Book of Questions* was one of eight unpublished poetry manuscripts that lay on his desk. In it, Neruda achieves a deeper vulnerability and vision than in his earlier work-and this unique book is a testament to everything that made Neruda an artist.

"Neruda's questions evoke pictures that make sense on a visual level before the reader can grasp them on a literal one. The effect is mildly dazzling [and] O'Daly's translations achieve a tone that is both meditative and spontaneous." - Publishers Weekly

Pablo Neruda, born in southern Chile, led a life charged with poetic and political activity. He was the recipient of the Nobel Prize in Literature, the International Peace Prize, and served as Chile's ambassador to several countries, including Burma, France, and Argentina. He died in 1973. II. Tell me, is the rose naked or is that her only dress? Why do trees conceal the splendor of their roots? Who hears the regrets of the

thieving automobile? Is there anything in the world sadder than a train standing in the rain? XIV. And what did the rubies say standing before the juice of pomegranates? Why doesn't Thursday talk itself into coming after Friday? Who shouted with glee when the color blue was born? Why doe

Walking the Bones

Penguin

Beseched by his dying mother to locate his father, Pedro Paramo, whom they fled from years ago, Juan Preciado sets out for Comala. Comala is a town alive with whispers and shadows—a place seemingly populated only by memory and hallucinations. 49 photos.

From the #1 New York Times bestselling author of *The Da Vinci Code*, *Angels & Demons*, and *Inferno* and the “master of smart thrills” (People) comes a “rocket-fast thriller” (Vince Flynn) about an astonishing NASA discovery that unravels a deadly conspiracy that leads all the way to the White House. When a NASA satellite spots evidence of an astoundingly rare object buried deep in the Arctic ice, the floundering space agency proclaims a much-needed victory—one that could have profound implications for US space policy and the impending presidential election. With his reelection hanging in the balance, the President sends White House

Intelligence analyst Rachel Sexton to the Milne Ice Shelf to verify the authenticity of the find. Accompanied by a team of experts, including the charismatic academic Michael Tolland, Rachel uncovers the unthinkable: evidence of scientific trickery. Before she can contact the President, she and Michael are attacked by a deadly team of assassins controlled by a mysterious power broker who will stop at nothing to hide the truth. Fleeing for their lives in an environment as desolate as it is lethal, their only hope for survival is to find out who is behind this masterful play. The truth, they will learn, is the most shocking deception of all in this "taut, fast-paced, barn-burner of a book" (St.

Petersburg Times).
Let Me Tell You a Story Penguin
 THE INVISIBLE FORCE
 Dr. Wayne W. Dyer has put together this little book in order to convey the fact that intention is a field of energy that flows invisibly beyond the reach of our normal, everyday habitual patterns. It's a force that we all have within us, and we have the power to draw it into our lives by being the energy we want to attract. U...

Pedro Páramo Henry Holt and Company (BYR)

Long before the megachurch, nearly 6,000 people crowded every service to hear Charles Spurgeon. Discover why his masterful preaching astonished his era! Considered by his

peers then and now as "The Prince of Preachers", Charles Spurgeon built London's Metropolitan Tabernacle into the world's largest independent congregation during the nineteenth century. While many factors have been highlighted that help explain the effectiveness of Spurgeon's preaching, the foremost secret that empowered Charles Spurgeon was his devotion to prayer. When people would walk through the Metropolitan Tabernacle, Spurgeon would take them to the basement prayer room where people were always on their knees interceding for the church. Then Spurgeon would declare, "Here is the powerhouse of this church. That statement

is backed by the amazing number of sermons that Spurgeon preached on prayer. Spurgeon was a great believer and teacher in passionate, Holy Spirit-directed prayer. His word pictures of the majestic throne of grace that God calls believers to be privileged to come before is well worth the price of the book alone. You will be inspired and challenged in your prayer life, especially if you experience struggles in prayer. *The Key to Personal Peace* Digital Inspiration Three of Marianne Williamson's previous bestsellers -- *A Return to Love*, *A Woman's Worth*, and *Illuminata* - - explored the issue of relationships. Now, in this deeply personal collection of essays,

prayers, and self-reflection, she turns to romantic love. In *Illuminata*, Williamson wrote that "we experience God to the extent to which we love, forgive, and focus on the good in others and ourselves." Now, in *Enchanted Love*, she writes that "enchanted partnership begins with the conscious understanding, on the part of two people, that the purpose of their relationship is not so much material as spiritual, and the internal skills demanded by it are prodigious." High romance, she says, "is not about past or future. It is not about practicality. It is not about society or worldly routines. It is an audacious ride to the center of what is, at the heart of every

person. It is a bold and masterful inquiry into what two people really are and how we might become, while still on earth, the angels who reside within us."

 One of *The Daily Beast's* Best Summer Beach Reads of 2019, one of *Lit Hub* and *The Millions's* Most Anticipated Books of 2019, one of *Buzzfeed* and *Tor.com's* Books to Read This Spring, and one of the *Chicago Review of Books'* Best New Books of May A

parallel universe. South Texas. A third border wall might be erected between the United States and Mexico, narcotics are legal and there's a new contraband on the market: filtered animals—species of animals brought back from extinction to amuse the very wealthy. Esteban Bellacosa has lived in the border town of MacArthur long enough to know to keep quiet and avoid the dangerous syndicates who make their money through trafficking. But his simple life gets complicated after a swashbuckling journalist invites him to an underground dinner at which filtered animals are served. Bellacosa soon finds himself in the middle of an increasingly

perilous and surreal journey, in the course of which he encounters legends of the long-disappeared Aranaña Indian tribe and their object of worship: the mysterious Trufflepig, said to possess strange powers. Written with infectious verve, bold imagination, and oddball humor, Fernando A. Flores's *Tears of the Trufflepig* is an absurdist take on life along the border, an ode to the myths of Mexican culture, and an introduction to a staggeringly smart new voice in American fiction.

NEW YORK TIMES
BESTSELLER • The pioneering experts behind *The Whole-Brain Child* and *The Yes Brain* tackle the

ultimate parenting challenge: discipline. “A lot of fascinating insights . . . an eye-opener worth reading.”—Parents Highlighting the fascinating link between a child’s neurological development and the way a parent reacts to misbehavior, *No-Drama Discipline* provides an effective, compassionate road map for dealing with tantrums, tensions, and tears—without causing a scene. Defining the true meaning of the “d” word (to instruct, not to shout or reprimand), the authors explain how to reach your child, redirect emotions, and turn a meltdown into an opportunity for growth. By doing so, the cycle of negative behavior

(and punishment) is essentially brought to a halt, as problem solving becomes a win/win situation. Inside this sanity-saving guide you’ll discover • strategies that help parents identify their own discipline philosophy—and master the best methods to communicate the lessons they are trying to impart • facts on child brain development—and what kind of discipline is most appropriate and constructive at all ages and stages • the way to calmly and lovingly connect with a child—no matter how extreme the behavior—while still setting clear and consistent limits • tips for navigating your child through a

tantrum to achieve insight, empathy, and repair • twenty discipline mistakes even the best parents make—and how to stay focused on the principles of whole-brain parenting and discipline techniques Complete with candid stories and playful illustrations that bring the authors' suggestions to life, *No-Drama Discipline* shows you how to work with your child's developing mind, peacefully resolve conflicts, and inspire happiness and strengthen resilience in everyone in the family. Praise for *No-Drama Discipline* "With lucid, engaging prose accompanied by cartoon illustrations, Siegel and Bryson help parents teach and communicate more

effectively."—*Publisher's Weekly* "Wow! This book grabbed me from the very first page and did not let go."—Lawrence J.  What can we say to a child who has just lost

a parent, a sibling, or other loved one? How can we be sure to say and do the right things without adding to the child's confusion and grief? And what if we are grieving, too? Grief in children may be expressed differently than in adults. In clear, concise language, Dr. William Kroen offers comfort, compassion, and sound advice to any adult who is helping a child cope with death. Incorporating insights and information from the respected Good Grief Program at the Judge Baker Children's Center in Boston, Massachusetts, and weaving in anecdotes about real children and their families, he explains how children from infancy through age 18 perceive and react to death. He

offers suggestions on how we can respond to children at different ages and stages, and describes specific strategies we can use to guide and support them through the grieving process—from the first devastating days through commemorating the loved one and eventually moving on with life. Includes a list of recommended organizations and additional readings.

The Invisible Force

Bantam

A collection of stories about the life of a migrant family.

On Life after Death,

revised Thomas Nelson

People are seeking the answer to the confusion, the moral sickness, the spiritual emptiness that oppresses the world. We are all crying out

for guidance. For comfort. For peace. Is there a way out of our dilemma? Can we really find personal peace with God? Yes! But only if we look in the right place. The Key to Personal Peace not only includes trusted Biblical insights from renowned evangelist Dr. Billy Graham, but also includes the full gospel of John, making the book a perfect gift for evangelism or outreach. The Key to Personal Peace offers a look into how to live life in the fullness of God. Sections include: The Great Quest Our Dilemma What is God Like What Did Jesus Do for Us? Finding the Way Back Peace at Last Heaven, Our Hope Note: Must be ordered in multiples of 50.

Power Words Rayo

A sixth-generation North Carolinian, highly-acclaimed author John Ehle grew up on former Cherokee hunting grounds. His experience as an accomplished novelist, combined with his extensive, meticulous research, culminates in this moving tragedy rich with historical detail. The Cherokee are a proud, ancient civilization. For hundreds of years they believed themselves to be the "Principle People" residing at the center of the earth. But by the 18th century, some of their leaders believed it was necessary to adapt to European ways in order to survive. Those chiefs sealed the fate of their tribes in 1875 when they signed a treaty relinquishing their land east of the Mississippi

in return for promises of wealth and better land. The U.S. government used the treaty to justify the eviction of the Cherokee nation in an exodus that the Cherokee will forever remember as the "trail where they cried." The heroism and nobility of the Cherokee shine through this intricate story of American politics, ambition, and greed. B & W photographs
The Wheel of Life
Anchor
World-renowned therapist Dr. Jorge Bucay's wisdom is finally available in America, helping to change lives in the United States, in the same powerful manner he has done so for countless people throughout the world. In an easy-to-read

format, with engaging stories and thoughtful anecdotes drawn from a multitude of sources -- folktales, the Bible, eastern philosophy, and the Talmud -- The Power of Self-Dependence leads us beyond our commonplace notion of independence to the more profound concept of self-dependence. Dr. Jorge Bucay, taking on the role of Life-Coach, proposes that in order for us all to attain balance in our lives and to achieve inner peace, we must acknowledge our dependence on those around us -- whether they are friends, family, or even coworkers. We can't, Bucay firmly establishes, go it alone. With his unique blend of spirituality and practical wisdom,

Bucay explains why independence proves to be an illusion and demonstrates how understanding this allows us to transform ourselves into healthy, enlightened individuals. Without ignoring our own need for independence, Bucay shows us that as people, we are social creatures who must learn to trust and embrace one another. Before we can seek happiness, says Bucay, we must first learn to be self-dependent -- on our own instincts and of those closest to us. Once we have attained this delicate balance between trusting ourselves and trusting those we love and depend upon, we clear the path toward the ultimate goal: personal happiness.

El Camino de Las Lagrimas National Geographic Books
 A collection of inspiring essays with frank and compassionate advice for those dealing with terminal illness or the death of a loved one, from the pioneering author of *On Death and Dying* and *On Grief and Grieving*. As a pioneer of the hospice movement, Dr. Elizabeth Kübler-Ross was one of the first scholars to frankly discuss our relationship with death. By introducing the concept of the five stages of dying, her work has informed the lives of countless people as they face the grieving process. This classic collection of four essays—based on Dr. Kubler-Ross's studies of more than twenty thousand

people who had near-death experiences—illuminates her sensitive, original, and even controversial findings on death, dying, and the afterlife. Now with a new foreword from Caroline Myss offering a personal perspective on Dr. Kübler-Ross, *On Life After Death* presents writings that challenge and encourage us to approach the end of life not with trepidation, but with clear-eyed, compassionate love.

Deception Point

Pocket Books
 Una exploración íntima de una de las situaciones más complejas de la existencia humana: la pérdida de un ser querido. Las pérdidas forman parte de nuestra vida, son

constantes universales e ineludibles. Y las llamamos perdidas necesarias porque crecemos a través de ellas. De hecho, somos quienes somos gracias a todo lo perdido y a como nos hemos conducido frente a esas pérdidas. Por supuesto que seguir el camino de las lágrimas nos pone en un clima diferente del que podemos encontrar al recorrer el camino de la autodependencia o el del encuentro. Pero este camino es el que nos enseña a aceptar el vínculo vital que existe entre las pérdidas y las adquisiciones. Este camino señala que debemos renunciar a lo que ya no está, y que eso es madurar. Asumiremos al recorrerlo que las pérdidas tienden a ser

problemáticas y dolorosas, pero solo a través de ellas nos convertimos en seres humanos plenamente desarrollados. El camino de las lágrimas es un clásico del desarrollo personal, referencia para todos aquellos que han sufrido el dolor de una pérdida, y un verdadero mapa que acompaña y reconforta al lector en la dolorosa transición que viene con dejar ir. ENGLISH DESCRIPTION The loss of a loved one, the end of a relationship, the permanent abandonment of something we consider valuable—these are expressions of the same reality. These phenomena cause us to sink deeper into sadness and push us toward isolation and despair. In these

pages, Jorge Bucay invites us to reflect on one of our most difficult, but at the same time one of the most important, challenges that all humans must face at one time or another: the grieving process.

With his characteristic eloquence, Bucay suggests not only that it is possible to survive the most painful experiences, but also that they are necessary to internally mature and grow.
