You know what happens when bad boys get what they wish for? Everything. . . New York Times Bestselling Author Lori Foster
 Playing Doctor Attitude makes a huge difference in bed. It could be Axel Dean's motto. The sexy physician likes his women with sensual moxie, and Libby Preston definitely seems to fit that bill. There's that naughty grin. That hot bod. Her eager kisses and cheeky insults. Her. . .admitted virginity. Whoa. Okay, cue cold shower. Axel may not be an honorable man, but he has his limits. Except Libby won't take no for an answer. She's determined to have someone show her what she's been missing, and suddenly, Axel can't bear to think of Libby playing doctor with anyone else. . . USA Today Bestselling Author Erin McCarthy
 The Lady of the Lake Pro baseball player Dylan Diaz is pretty sure he's going to hell. When you rescue a drowning woman from a lake your first thought should be, "Are you okay?" not, "Can I make mad, passionate love to you?" But the minute sputtering kindergarten

teacher Violet Caruthers is on Dylan's boat, that's all he can think about. Maybe it's the potent combo of a nun's personality inside a stripper's body. Maybe it's the way she drives him crazy with desire and laughter. Or maybe, Dylan's finally found what's been missing in his life, and he's not about to let go. . .

This highly accessible and enjoyable guide is full of practical and fascinating information about how to enjoy whisky. All whisky styles are covered, including (just whisper it) blends. Along the way a good few myths are exploded, including the idea that whisky has to be taken neat. In 'What to Drink', Dave Broom explores flavor camps - how to understand a style of whisky and - moves on to provide extensive tasting notes of the major brands, demonstrating whisky's extraordinary diversity. In 'How to Drink', he sets out how to enjoy whisky in myriad ways - using water and mixers, from soda to green tea; and in cocktails, from the Manhattan to the Rusty Nail. He even looks at pairing whisky and food. In this spirited, entertaining, and no-nonsense guide, world-renowned expert Dave Broom dispels the mysteries of whisky and unlocks a whole host of exciting possibilities for this magical drink.

An Interprofessional Learning Model Blurb

A blood-chilling excursion into the twisted mind of a serial killer by the acclaimed author of *Last Exit to Brooklyn*, Hubert Selby Jr. When the oppressiveness of his memories becomes too hard to bear, a traumatized veteran decides to die. But he grows impatient during the legal waiting period to purchase the gun that will end his sad life. Then he grows angry, resentful of those he blames for his misery and those he feels simply don't deserve to live. Suddenly a man with no future has a new purpose and a new role as avenging angel. As he spirals deeper into the darkest regions of his twisted imagination, his grisly obsession will give him a reason to live, propelling him relentlessly forward on his great mission to cleanse the dirty city of the unworthy. A brilliant and terrifying nightmare from the author of the critically acclaimed classics *Last Exit to Brooklyn* and *Requiem for a Dream*, Hubert Selby Jr.'s *Waiting Period* views a grim modern world of pain and injustice through the eyes of a maniac whose mind is rapidly deteriorating. A dark and haunting work of raw, savage power, it provides further testament to the greatness of one of America's most original contemporary literary artists. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author's estate.

After several women fall victim to a serial killer, journalist Kate Rivendale becomes embroiled in the manhunt. The authorities have no suspect, and only one forensic link that dates way back to the 1930s. Detective Chief Inspector William Beckley wants to save his career; he has too many deaths on his conscience. Beckley entices Kate to go undercover, a decision which backfires with devastating consequences. While DCI Beckley reaches a horrifying conclusion about the murderer, Kate enters a desperate fight for her life - while battling to keep her own secrets buried. But how far is she willing to go to get the story? This is the clear print edition of *Briguella*, with a 14pt font size for easier reading.

The Avertonson brothers and I have been friends for as long as I can remember. They're also twins, but where Foster is all light, Kingsley is darkness and danger. I've been in love with Foster for a while, but the night I finally get the courage to tell him how I feel is the same night I nearly drown. I can't remember much about what happened, but I know I'm no longer the same girl as I was before. I tasted death that night and it left me feeling dead inside, hollow. And every time I look at someone, I can tell when they're lying. Almost everyone is a liar. That's what I'm realizing. Even Foster, who insists he's the one who swam into the water to save me. But he didn't. I need to find out what happened to me that night. But in a town plagued by lies, strange deaths, and mysterious disappearances, knowing the truth can be dangerous.

When Good Things Happen To Bad Boys Hassell Street Press

Most new businesses fail. But most of those failures would have been preventable if Building The Lean Startup methodology had been followed. Building The Lean Startup offers both entrepreneurs and wantrepreneurs a semi-scientific, real-world approach to building a business by using validation, finding a profitable business model and creating a growth engine. Building The Lean Startup was inspired by Toyota's lean manufacturing revolution. This revolution incorporated: attending to the ideas and knowledge of the workers, making smaller batch sizes, implementing just-in-time production, and accelerating cycle times. Eric Ries uses real-life case studies from various

businesses to illustrate the lean startup method's principles. He then draws on his knowledge as a startup entrepreneur to guide readers towards developing their effective startup. Here's what I learned this book: ✓ Find a business model that works through validation. ✓ Use split-testing to tell value from waste. ✓ Never ever indulge in vanity metrics. Ready to start a business? I hope you are, because here we go!

R.M. Liuzza's Broadview edition of Beowulf was published at almost exactly the same time as Seamus Heaney's; in reviewing the two together in July 2000 for *The New York Review of Books*, Frank Kermode concluded that both translations were superior to their predecessors, and that it was impossible to choose between the two: "the less celebrated translator can be matched with the famous one," he wrote, and "Liuzza's book is in some respects more useful than Heaney's." Ever since, the Liuzza Beowulf has remained among the top sellers on the Broadview list. With this volume readers will now be able to enjoy a much broader selection of Old English poetry in translations by Liuzza. As the collection demonstrates, the range and diversity of the works that have survived is extraordinary—from heartbreaking sorrow to wide-eyed wonder, from the wisdom of old age to the hot blood of battle, and to the deepest and most poignant loneliness. There is breathless storytelling and ponderous cataloguing; there is fervent religious devotion and playful teasing. The poems translated here are meant to provide a sense of some of this range and diversity; in doing so they also offer significant portions of three of the important manuscripts of Old English poetry—the Vercelli Book, the Junius Manuscript, and the Exeter Book.

Modernity is made and unmade by the anecdotal. Conceived as a literary genre, a narrative element of criticism, and, most crucially, a mode of historiography, the anecdote illuminates the convergences as well as the fault lines cutting across modern practices of knowledge production. The volume explores uses of the anecdotal in exemplary case studies from the threshold of the early modern to the present.

This opus is a commentary on the book of Genesis, King James Version of the Holy Bible. While the entire manuscript may be read in just several hours, it is hoped that significantly more time will be spent perusing its pages. It's guaranteed doing so will be time well spent. Not only does this work contain material suitable for the neophyte religious reader, but it also has a wealth of information for the most serious Bible scholar and student as well. It is hoped that prior to reading this book, a moment or two of prayer will be uttered asking Almighty God to allow you to glean some of the knowledge, truth, and wisdom found in the hallowed pages of the Holy Writ.
